

BEFORE THE TEXAS BOARD OF NURSING

I do hereby certify this to be a complete, accurate, and true copy of the document which is on file or is of record in the offices of the Texas Board of Nursing.
Katherine A. Thomas
Executive Director of the Board

In the Matter of Registered Nurse § AGREED
License Number 768003 §
issued to ROCHELLE MARIE HANNER(HALL) § ORDER

On this day the Texas Board of Nursing, hereinafter referred to as the B considered the matter of ROCHELLE MARIE HANNER (HALL), Registered Nurse Li Number 768003, hereinafter referred to as Respondent.

Information received by the Board produced evidence that Respondent may have violated Section 301.452(b)(10) & (13), Texas Occupations Code. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order offered on December 16, 2010, by Katherine A. Thomas, MN, RN, Executive Director, subject to ratification by the Board.

FINDINGS OF FACT

1. Prior to the institution of Agency proceedings, notice of the matters specified below in these Findings of Fact was served on Respondent and Respondent was given an opportunity to show compliance with all requirements of the law for retention of the license.
2. Respondent waived representation by counsel, informal proceedings, notice and hearing, and agreed to the entry of this Order.
3. Respondent is currently licensed to practice professional nursing in the State of Texas.
4. Respondent received an Associate Degree in Nursing from Southern University, Collegedale, Tennessee on September 30, 2000. Respondent was licensed to practice professional nursing in the State of Texas on May 11, 2009.
5. Respondent's nursing employment history includes:

3/12/01- 3/1/07	Staff RN	Enlarger Medical Center Chattanooga, TN
-----------------	----------	--

Respondent's nursing employment history continued:

2007 - 2008	Staff RN	Chattanooga Surgery Center Chattanooga, TN
12/29/06 - 5/22/08	Staff RN	Partridge East Hospital Eastside, TN
3/12/08 - 11/2008	Staff RN	Falstaff Travel Nursing Company Denver, CO
12/08 - 1/09	Staff RN	JPS Health Network Fort Worth, TX
2/09 - present	Unknown	

6. At the time of the initial incident, Respondent was employed as a Staff Registered Nurse with JPS Health Network, Fort Worth, Texas, and had been in this position for approximately one (1) month.
7. On or about December 26, 2008 at 1448, while employed with JPS Health Network, Fort Worth, Texas, Respondent verified the accuracy of the intravenous (IV) pump settings, which was set by the assigned staff nurse, who was in the process of administering an infusion of Magnesium Sulfate to Patient #8111148. An entry at 1448 was made by the assigned staff nurse of this verification in the electronic medical record. Shortly thereafter, Patient #8111148 began to experience decreased respirations and it was discovered that the infusion of Magnesium Sulfate was set at a higher rate than ordered. At 1716, on December 26, 2008, the user activity report indicates that Respondent intentionally deleted the entry in the electronic medical record indicating she had verified the accuracy of the settings. Respondent's conduct was deceiving and created an inaccurate medical record on which subsequent caregivers would rely on to provide ongoing medical care.
8. Respondent denies that she deleted this documentation and states that there is no security for staff and their passwords, which would allow any RN/LVN with a log in to change not only their notes, but delete or change the documentation of another nurse that might have cared for that patient. There are also no cameras on the unit that would capture who might be deleting patient information. Respondent asserts that she was accused of deleting the verification of MGSO4 at a computer that she had never charted on in the doctor's "report" area, although the edit report showed she was logged in at that particular computer.

CONCLUSIONS OF LAW

1. Pursuant to Texas Occupations Code, Sections 301.451-301.555, the Board has jurisdiction over this matter.
2. Notice was served in accordance with law.
3. The evidence received is sufficient to prove violation of Section 301.452(b)(10) & (13), Texas Occupations Code, 22 TEX. ADMIN. CODE §217.11(1)(D) and 22 TEX. ADMIN. CODE §217.12(1)(C)&(6)(A).
4. The evidence received is sufficient cause pursuant to Section 301.452(b), Texas Occupations Code, to take disciplinary action against ROCHELLE MARIE HANNER (HALL) Registered Nurse License Number 768003, heretofore issued to ROCHELLE MARIE HANNER (HALL), including revocation of Respondent's license(s) to practice nursing in the State of Texas.
