

Job Description – Cleanroom Operator I - Assembly

Job Title: Cleanroom Operator I - Assembly

Company Name: Biomerics

Location: Salt Lake City, UT

Position Type: Full Time (M-F, 7AM – 3PM)

Pay: Hourly

Company Description:

Biomerics is a world class contract manufacturer and innovative polymer solutions provider for the medical device and biotech industries. As a vertically integrated company, we specialize in the design, development, and production of medical devices for diagnostic and interventional procedures. We are focused on next-generation solutions for the vascular access, electrophysiology, cardiac rhythm management, neurovascular, structural heart, and cardiovascular markets.

Please explore [our website](#) for more information about our offerings and capabilities.

Job Description:

The cleanroom operator is responsible for assembling, testing, inspecting, and packaging medical devices per work instructions using a variety of assembly equipment, fixtures, and test equipment.

Roles and Responsibilities Include:

- Follow detailed assembly instructions, processes, and procedures to correctly assemble medical devices.
- Comply with the policies, guidelines, and regulatory requirements of the Biomerics Quality System.
- Report problems with quality, processes, equipment, or materials to the production supervisor.
- Perform manual assembly and visual inspection of medical products.
- Complete line clearance, scrap records, training records, and other documentation as required.
- Complete routine tasks with minimal supervision.
- Maintain a clean and organized work area to facilitate manufacturing functions.
- Work in a cleanroom environment.
- Other duties as assigned by the production supervisor.

Requirements:

- High school diploma or equivalent.
- Previous medical device assembly experience (Preferred).
- Ability to read and comprehend procedures written in English.
- Ability to complete paperwork accurately in English.
- Ability to work safely around chemicals and equipment.
- Ability to stand or sit for long periods of time.
- Ability to do repetitive work, requiring strong dexterity and hand/eye coordination.
- Ability to lift up to 25 lbs.
- Ability to pass pre-employment drug and background screen.
- Biomerics participates in E-Verify.

If you believe that your skills and talents match our needs, please email your resume to csr@biomerics.com. Be sure to include your name and the job position of interest.
