"My credit report was low because I didn't have much history or many cards, even though I'd never been late on a rent payment. Using this program helped me show the world I was actually a qualified buyer. Thank you!"

Brynn S. (Logan, UT)

"Not everyone pays a mortgage, so the rest of us pay rent. It's about time that the years of rent I have paid in my life has become a positive aspect of my credit score for any future lenders and landlords to see."

Alicia P. (Sacramento, CA)
