PROTECTION FOR YOUR HOUSEHOLD VEHICLES

Good Sam Roadside Assistance protects your RV and all your household cars, minivans, SUVs, pick-ups, motorcycles and boat trailers under one program.

Membership vehicles are limited to one RV and any other eligible non-RV vehicles owned and registered by any person who is part of the membership. Subject to the conditions set forth in this brochure, only the following owned vehicles are included and shall be eligible for the emergency roadside service benefits so long as they are properly licensed and they are used exclusively for personal or recreational purposes (i.e., non-business purposes):

RECREATIONAL VEHICLES (RVs):

- **Self-contained Motorhomes**
- **Fifth Wheels, Travel Trailers and Toy Haulers**
- **Pop-up Camping Trailers**
- **Van Campers**
- **Pick-up Campers**

PLUS NON-RECREATIONAL VEHICLES:

- **Automobiles**
- **Vans**
- **Pick-ups, SUVs**
- **Boat Trailers**
- **2 Wheel Tow Dollies (designed to carry only Automobiles, Vans, Pick-ups, or SUVs)**
- **Motorcycles**
- **Vehicles specifically designed to tow Fifth Wheel Trailers**

A member or associate member must be in possession of the vehicle when the disablement occurs in order to receive any benefits for the disablement event. Membership vehicles include one RV and any other eligible non-RV vehicles owned by any person who is part of your membership as provided for in this brochure.

ROADSIDE ASSISTANCE

Your Good Sam Roadside Assistance membership (hereinafter collectively the "membership") provides all of the services described in this Member Benefit Brochure for the total cost of your annual enrollment. Other than what is specifically provided for in the brochure, there are no additional charges. Your Good Sam Roadside Assistance benefits become active 24 hours after approval of your payment. At the end of the term, your membership may be renewed for an additional year and will remain active upon approval of your membership renewal payment.

The purpose of the Good Sam Roadside Assistance program is to provide roadside assistance, in the event of a disablement of any vehicle in the possession of either you or any allowable family member under this program, which is required to enable that vehicle to either proceed safely under its own power, or to be towed to the nearest professional service center for repair. This benefit is not intended to be used in lieu of routine maintenance or needed repairs on your vehicle.

MEMBERSHIP CARD

Please keep your membership card on hand at all times. Your card bears the TOLL-FREE numbers to call when you need roadside assistance or Emergency Medical Referral Service. The membership and membership card are issued in the name of the member. A new card is issued annually with each renewal notice of your membership unless not renewed by either the Motor Club or the member.

ANIMAL TRANSPORTATION ASSISTANCE

This program will assist the Member and Associate in the arranging for transportation of dogs or cats, when possible, should the vehicle require a tow. All expenses related to the transportation of animals are the responsibility of the Member or Associate and will be at their expense.

SPOUSE AND CHILDREN PROTECTION

The Good Sam Roadside Assistance benefits described in this brochure are non-transferable and will be provided only to the member or associate member. For purposes of this brochure, an "associate member" is the member's family consisting only of the member's spouse or domestic partner (i.e., one of two adults residing in the same household) and any dependent children no more than 25 years old living in the same household or attending college.

24-HOUR EMERGENCY ROADSIDE ASSISTANCE

You can call toll-free, 24 hours a day, 365 days a year. We network with more than 30,000 independent specialized tow and service providers who have the specific heavy-duty gear and the knowledge to take care of any roadside emergency. One quick call takes care of everything – from towing to changing a flat tire to emergency fuel delivery, as provided for in this brochure.

TOWING SERVICE

Our 24-hour, 365-days-a-year dispatch center is available with one toll-free call. There are no pre-set mileage or dollar limits. When you call for service, Good Sam Roadside Assistance pays 100% of the towing fees for the delivery of your vehicle to the nearest professional service center capable and willing to repair your vehicle. However, you must request disablement assistance through our telephone dispatch center within 24 hours of the disablement. If you make any request for your vehicle to be taken to a location other than the nearest professional service center, including your home, the mileage fee (for the extra distance in excess of the nearest licensed repair center) will be at your expense.

If you request to be towed to a location other than the nearest professional service center, as described above, you will not be entitled to any additional towing services for the same disablement. A request for a tow to your home would also require additional payment if that distance exceeds the distance to the nearest professional service center.

The mileage fees for any excess mileage and the fees for additional towing services will be determined and billed directly by the independent service provider at the time of the disablement, and all payment of that additional mileage fee or additional towing service fee will be paid by member directly to the service provider.

Note that service providers and facilities referred to members by either Affinity Road & Travel Club, LLC (ART) or Americas Road & Travel Club, Inc (AmRT) are independent businesses neither owned, controlled nor operated by ART or AmRT. The responsibility for damage, loss, or unsatisfactory workmanship lies solely with the service providers and facilities providing the service, rather than with ART or AmRT. In some instances, members may find it beneficial to utilize towing services provided by their vehicle warranty, rather than the motor club services provided in this program.

Subject to the provisions of this brochure, towing services and other roadside assistance services are also provided for membership-owned vehicles which become disabled as a result of a collision.

Note: Fees for services that you hire on your own are not reimbursable.

FLAT TIRE SERVICE

A service technician will replace a flat tire with your inflated spare, or we'll tow your vehicle to the nearest professional service center. On occasion and whenever possible, we will make arrangements for the member to purchase a tire(s) for delivery to the disablement scene. In these cases Good Sam Roadside Assistance will pay for delivery of tire only, member is responsible for all additional costs including cost of tire(s), mounting, balancing, other parts or labor, tax and any other fees. Note: This benefit does not include seasonal tire changes. Member is responsible for all parts and labor.

BATTERY SERVICE

If your vehicle's battery is dead, our service technician will attempt to jump-start your vehicle. When appropriate and at the member's discretion, if a replacement battery is required, we will attempt to locate and install a new battery. The member is responsible for the retail cost of the battery and all parts and labor charges necessary to install the new battery. If the vehicle cannot be started, towing will be provided (see p.7 "Towing Service").

EMERGENCY FUEL AND FLUID SERVICE

If the member's vehicle runs out of fuel, a limited supply of fuel will be delivered to enable the member to reach the nearest fueling station (up to 5 gallons). Other essential fluids needed to enable continued safe operation will also be made available, including anti-freeze, transmission fluid, differential and transfer case lubricant. **Note: Delivery does not include cost of fuel and fluids delivered.**

LOST KEY/LOCK OUT SERVICE

We will pay for a locksmith to come to your location and gain entrance into your vehicle. Member is responsible for payment for all additional labor, as well as all parts, including the cost of replacement keys.

RV CONCIERGE SERVICE

While traveling, call **1-800-947-0770**, and a live concierge agent will assist in:

- **Locating: RV Repair Facilities, RV Parts Facilities and Retail Stores, Service Facilities, Fuel Locations, Dump Station Locations, and other points of interest to RVers such as Rest Stops**
- **Helping locate lodging (including Campgrounds & RV Parks)**
- **Offering a list of the nearest restaurants**
- **Pointing out National Parks and Historic Sites**
- **Emergency Message Relay Services**

RV ROADSIDE MECHANICAL REPAIRS

If necessary and whenever possible, depending on the RV disablement, there may be a local mobile mechanic available that can perform minor repairs or adjustments to your RV. In these situations, we'll attempt to bring a mobile mechanic to your location as an alternative to towing your vehicle. You are responsible for the cost of parts and labor.

TRIP INTERRUPTION ASSISTANCE¹

You're eligible for reimbursement for the cost of meals, lodging and car rental if your vehicle is disabled due to a collision with another vehicle more than 100 miles from your home. You'll get reimbursement for all your eligible expenses, up to \$150 a day for up to eight consecutive days (up to \$1,200 total). You are eligible to receive reimbursement for one disablement event per membership year.

COVERED EXPENSES INCLUDE:

- **Reasonable Expenses for Meals**
- **Lodging (campground/hotel/motel)**
- **Car Rental**

TRIP INTERRUPTION ASSISTANCE RESTRICTIONS

You may be eligible for Trip Interruption Assistance benefits if the vehicle you are driving is in a collision with another vehicle.

DISTANCE: The collision must have occurred more than 100 miles (based upon actual mileage of the most direct route) from your registered permanent address.

REIMBURSEMENT LIMITS: Reimbursement for meals, lodging and car rental are subject to a maximum collective daily limit and a single event maximum collective limit.

DAILY LIMIT: The total maximum daily reimbursement for all trip interruption expenses is \$150 collectively.

This benefit does not apply if your vehicle is disabled due to a mechanical failure. Benefits begin after the initial 24-hour period (from the time of the collision) has elapsed.

There is no benefit if, as a result of the collision, your insurance carrier deems your vehicle a total loss.

The original repair order indicating your vehicle VIN number, license number, nature of the disablement, and corrective action taken to repair vehicle must be submitted with a letter of explanation and original receipts for all related expenses within 21 days of the actual disablement caused by the collision.² You must provide an original police report (accident report), and photographs of the damage to your vehicle, when you submit your reimbursement request.
