

YOUR EXCHANGE CERTIFICATE

For more information, contact Sarah, The Incredible Exchange at (218)733-2871 or at: JohnsonS@stlouiscountyMN.gov

You will receive your Exchange Certificate once the following happens:

1. You complete your volunteer hours. Volunteers must complete their hours by August 31 (for summer participants) and by April 30 (for winter participants).
2. We receive your completed Volunteer Time Sheet from your site mentor—your Exchange Certificate choice must be included on Time Sheet.

Your Exchange Certificate is based on the number of hours (between 25-50) you volunteer during your Incredible Exchange session. To receive a certificate you must volunteer a minimum of 25 hours. The maximum you can receive credit for is 50 hours. The more hours you volunteer, the more your Exchange Certificate is written for, so we encourage you to complete all 50 hours!

Please contact the recreational or cultural site directly for information on their prices and what type of classes/lessons they offer. We are not able to recommend where to use your Exchange Certificate.

Below is a list of sites that have been preapproved to use your Exchange Certificate. If there is an activity you are interested in that is not listed below, contact The Incredible Exchange office.
