

Precinct 4 GeoChallenge

Search • Find • Reward

2016

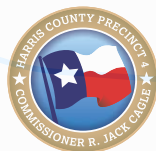

Starting May 28

Make Precinct 4 parks part of your geocaching experience, and discover all new geocaches to log for the 2016 Precinct 4 GeoChallenge!

Now in its second year, there are 101 unique geocaches hidden throughout Precinct 4 with a wider variety of difficulty and terrain levels. Participants are encouraged to use GPS-enabled technology to find these geocaches for a chance to win an award in three categories.

To participate in the Precinct 4 GeoChallenge and access the coordinates for all 101 geocaches on May 28, geocachers must register on Geocaching.com.

To learn more about the GeoChallenge, visit www.hcp4.net/community/parks/geochallenge. For more information about Precinct 4 parks, please visit www.hcp4.net/community/parks or call 281-353-8100.
