Re: Electricity Aggregation Program

Dear Resident,

On March 20, 2012, the Village of Barrington voters approved a referendum allowing the Village to enter into an electricity purchasing agreement to maximize the electricity supply savings for its residential and small business customers.

After an extensive bidding process, the Village selected MC Squared Energy Services, LLC (mc<sup>2</sup>), to provide eligible residents and small business customers with electricity supply savings. There is nothing you need to do in order to participate and enjoy this savings. mc<sup>2</sup> will automatically process your enrollment, unless you return the enclosed Opt-Out card within 14 days of the postmark date on this notice.

**Your Low Electricity Rate:** As an eligible member of this program, you will receive the mc<sup>2</sup> electricity supply rate identified below through your August 2014 billing cycle. For additional information, please see the enclosed terms and conditions.

Electricity Supply Charges	mc <sup>2</sup> Fixed Price	ComEd Tariff Rate*	Your Savings*
Summer (June 2012 – September 2012)	4.739 ¢/kWh	6.932 ¢/kWh	32%
Non-Summer (October 2012 – May 2013)	4.739 ¢/kWh	8.320 ¢/kWh	43%

**Billing and Service:** You will continue to receive a single bill from ComEd, with your mc<sup>2</sup> electricity supply charges included. You will continue to be eligible for all ComEd payment options, including e-bill, automatic bill payment and budget billing. In addition, if you are currently enrolled in the state's Percentage of Income Payment Plan or LIHEAP program, you will continue to receive the program's full benefits. ComEd continues to be responsible for the wires, poles, and all emergencies, including outage restoration.

**Switching is Automatic:** There is no switching fee from ComEd or from mc<sup>2</sup> and you do not need to do anything to participate. Your switch to mc<sup>2</sup> will occur automatically on the first available meter read date in August. After you are enrolled, ComEd will send you a letter confirming your selection of mc<sup>2</sup>. Please see the enclosed terms and conditions for more information.

**Your Opt-Out Option:** You are not obligated to participate. If you wish to be excluded from this opportunity and remain with your current provider, you have until 14 days from the postmark date on this notice to return the

enclosed Opt-Out card. You may also opt out by calling \_\_\_\_\_ or by sending an email, with your name, address, account number and phone number requesting to opt out to \_\_\_\_\_.

If you have any questions, please call mc<sup>2</sup> at \_\_\_\_\_, Monday through Friday, 8 a.m. to 5 p.m., CPT, or visit \_\_\_\_\_.

Sincerely,

A handwritten signature in cursive script that reads "Karen Darch".

\* Savings estimates are based on a comparison to the ComEd Basic Electric Service Rate as used in the Price to Compare as posted on the Illinois Commerce Commission's "Plug-In Illinois" website as of June 11, 2012. The Price to Compare includes the Purchased Electricity Supply Charge and the Transmission Services Charge but does not include ComEd's June 2012 Purchased Electricity Adjustment Charge.
