

High Usage Plan:

- A High Usage price plan may be available from your central station. You may enable this plan by checking the '*High Usage*' option box on the 'Advanced Programming' page.
- This plan includes a total of 75 messages or 75 KB of data when programmed for 'Daily Supervision', or 106 messages or 106 KB of data when programmed for 'Unsupervised'.
- The High Usage option is *NOT* applicable to Monthly Supervision, or UL864 Commercial fire.
- ***Additional charges may apply!*** Please contact your central station for more information regarding pricing and usage allowances.
