www.ivfire.com

NOT VALID FOR: Burning of Commercial, Industrial, Construction, Demolition, or Land clearing waste

Property Information

Number: Street: Unit#/Space #/ Lot:

VALID ONLY FOR ABOVE BURN SITE

Mailing Address (if different):

Permittee Information

First Name: Last Name:

Contact Number:

Expires: Fire Season 2017

1. Permit must be available upon request at the burn site.
2. Burn piles greater than 10 foot wide, by 10 foot deep, shall be inspected by IVFD prior to burning.
3. The distance to the nearest structure, combustibles, or property lines unless authorized by fire official shall be - Larger than 3 ft x 3 ft piles: 50 feet - 3 ft x 3 ft piles or smaller: 25 feet - Burn Barrels: 15 feet
4. Burning must be conducted under the constant supervision of a person capable of taking corrective action.
5. Charged garden hose and/or firefighting equipment or tools are required at the burn site.
6. Burn piles and barrels must have the vegetation cleared from around them to prevent fire spread.
7. Any of burning of Rubber Products, Tires, Plastic, Garbage, Wire Insulation, Automobile Parts, Petroleum and Petroleum-Treated Materials, Asphalt, Asbestos or Industrial Waste, Clothing, Mattress, Couches, Stuffed Chairs, Animal Remains, Animal or Vegetable Matter, or any material that creates dense smoke or noxious odors is PROHIBITED by DEQ, and can result in fines by DEQ of up to \$10,000 per day.
8. Only the burning of untreated: paper, cardboard, lumber, yard debris, or woody vegetation, is permitted.
9. Burning is allowed during daylight hours only, and the attendant shall insure that the fire is completely burned down to coals or extinguished prior to dark.
10. Fire must be extinguished if conditions develop which would cause the fire to spread (i.e. wind, brands or embers, etc.), or reasonable smoke complaints from neighbors.
11. No burning will be allowed during Fire Season.
12. Do not have your fire near or under Power Lines. Smoke can conduct electricity and result in electrical shock.
13. Liability: A permit does not relieve the permittee from criminal or civil liability for damages arising from burning occurring under his/her control.
14. Any burning without a permit or violations of the burning requirements may result in a minimum \$250 fine, the issuance of a citation(s) of civil penalty, and/or suppression costs. A burn permit can be revoked at any time by a fire officer.

☐ I have read, understood, and agree with the above conditions. _____
