FROM THE PRINCIPAL

Welcome back to everyone. This term is like most others, full of exciting events and great learning.

Our year three and five students will be completing their NAPLAN testing which is conducted every year. My favourite week in the school calendar happens this term. Exciting Education Week starts on the 18th May and there will be a variety of events on during Education Week.

During this term we have Premiers Reading Challenge, Anzac Day Ceremony, Footy Clinics and Cross Country.

A brief report on your child's progress will go home shortly followed by a more comprehensive report and three way conference later in the term.

Prep Enrolment 2016

It's also that time of the year where we encourage parents to enrol their Pre-schoolers for 2016. Our 2016 prep information session is on Monday May 4 at 10.00am. Our reputation for being one of the leading schools in the area continues to grow, and as a result so are our enrolments.

If you have a son or daughter due to start with us next year would you please submit your completed enrolment form as soon as possible. Enrolment forms can either be collected from the office or if you phone the school a form will be sent to you.

Have a great week Michael West

District Summer Finals:

This year the finals format has changed with West District teams now playing in finals against East District teams. In the past West District teams played finals games amongst themselves. Gladstone Views has been successful in getting 3 teams through to the District Finals. The Open Softball, Cricket and Girls' Volleyball teams will play against other schools from the East District.

The date and location for the finals is still to be decided upon. A permission note to participate in the finals will be sent home once that decision has been made.

There will be an ANZAC Day ceremony held next Friday 24th April at 12pm in the school stadium. All parents, carers and members of the school community are invited to join us as we commemorate this occasion and recognise the day's significance being the 100th anniversary since the events that took place at ANZAC Cove.

If there is anyone in the school community who would be available to play the Last Post and Rouse on a trumpet or bugle during the ceremony, please contact the school and ask to speak with Miss Vance regarding this.

I am also making a request for any war medals, uniform and/or memorabilia you may have from your ancestors. I thought it would be a nice addition to our ceremony for our students to have the opportunity to present these items to the school assembly. I understand these items are extremely valuable. If you wish to include these items in our service but have any concerns for their safety, please speak to Miss Vance.

Gladstone Views looks forward to sharing this occasion with you all.

Kind regards,

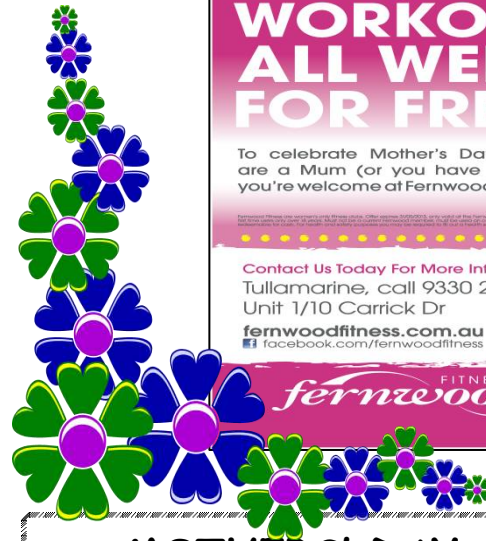

Miss Vance.
