

Molina Healthcare of Illinois

Your Extended Family.

The Molina Story

In 1980, the late C. David Molina, MD, founded Molina Healthcare in a single clinic with a commitment to provide quality health care to those most in need and least able to afford it.

Today, Molina Healthcare's businesses touch over 4.3 million Medicaid & Medicare beneficiaries through its operations in 15 states.

"I hope that no one ever forgets that it all began with a single clinic."

*C. David Molina, MD, MPH
Founder*

Vision Statement

Molina Healthcare is an innovative national health care leader, providing quality care and accessible services in an efficient and caring manner.

Mission Statement

Our mission is to promote health and provide health services to low-income families and individuals covered by government programs.

Core Values

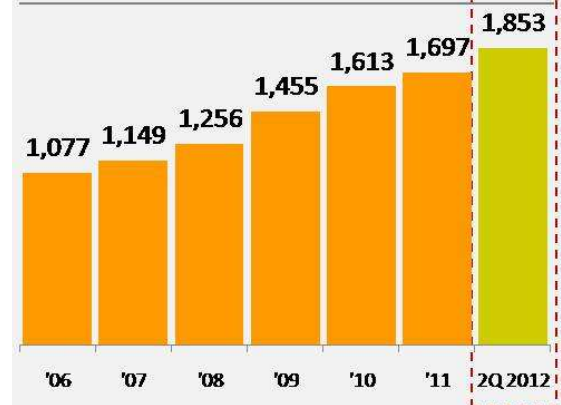

1. We strive to be an exemplary organization;
2. We care about the people we serve and advocate on their behalf;
3. We provide quality service and remove barriers to health services;
4. We are health care innovators and embrace change quickly;
5. We respect each other and value ethical business practices;
6. We are careful in the management of our financial resources and serve as prudent stewards of the public's funds.

Business snapshot

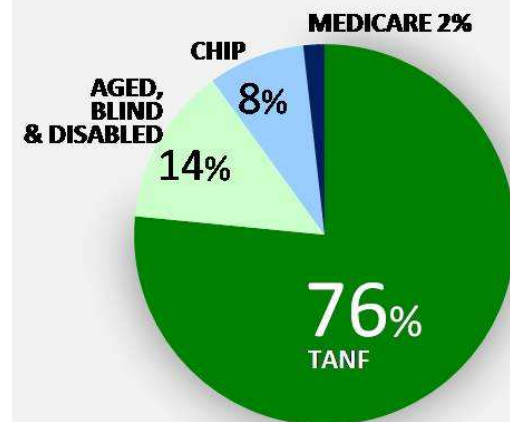

Molina Healthcare contracts with state governments and serves as a health plan providing a wide range of quality health care services to families and individuals who qualify for government-sponsored programs, including:

- Medicaid
- Medicare
- State Children's Health Insurance Program (SCHIP)
