

Job Description

LITTLE VALLEY EGGS – ORGANIC FREE RANGE POULTRY FARM

Job Title: Production Assistant

Location: Little Valley Eggs, Lower End Farm, Marston, Devizes

Job Purpose:

To check and pack eggs in line with quality control guidelines in preparation for collection and delivery, and assist in maintaining livestock welfare.

Key Responsibilities/Accountabilities:

1. Quality checking, grading, packing and stacking eggs.
2. Monitoring of bird welfare.
3. Checking bird consumption of water and feed.
4. Recording completed activities on daily/weekly checklists.
5. Completing activities as per daily schedule.
6. Trouble-shoot issues and escalate appropriately.
7. Maintain a tidy working environment
8. Contribute to regular housekeeping.
9. Adhere to health and safety laws and policies as per Employee Handbook.

Key Skills/Requirements:

- Previous farming experience desirable, but not essential as full training given.
- Workers are required to be fit and healthy, as manual handling is a key part of the job.
- Own transport essential due to location of the farm.
- Ability to work on own initiative.

Work Pattern:

- Part-time permanent working 3-5 days over 7-days.
- Weekend working on a rotational basis.
- Additional hours may be available to cover annual leave and flock rotations.
