Revised 24 Oct 2016

<sup>1</sup> The combined federal and State SSI benefit provided to eligible individuals and eligible couples with no countable income.

<sup>2</sup> The *Living With Others* category includes recipients whose federal benefit has been reduced by the "value of the 1/3 reduction" (VTR) due to the federal determination that they are both:

a) Living in someone else's household, and b) receiving some amount of free or subsidized food and shelter (room and board).

<sup>3</sup> Applies when an SSI recipient is residing in a medical facility, is not expected to return home within 90 days, and Medicaid is paying for at least 50% of the cost of care.

<sup>4</sup> Recipients in nursing homes licensed by DOH receive an additional monthly grant of \$25 issued by OTDA called a State Supplemental Personal Needs Allowance (SSPNA). Residents of other medical facilities receive an SSPNA of \$5.

<sup>5</sup> No State supplement is provided: a) when an SSI recipient is residing in a private medical facility and Medicaid is paying for less than 50% of the cost of care, or b) when a recipient resides in certain publicly operated residential facilities serving 16 or fewer residents, or c) while a recipient resides in a public emergency shelter for 6 calendar months during a 9 month period.
