

Saturation Research Paper Fact Finder

Directions: Below is a list of facts that you *could* look for while doing the research on your historical person. Do not feel that you are limited to these facts, but the following they can be woven into your Saturation Research Paper.

Basic information

- Birth date
- Birthplace
- Family Members (parents and siblings)
- Marriage(s)

Career

- Description of responsibilities
- When career began
- Significant/Important contributions made to history

Significant moment #1

- Date of occurrence
- Setting of occurrence (time and place)
- Other people involved
- Description of what happened
- How it affected history

Significant moment #2 --Optional: If you already know what you will be writing about, you do not need to find facts for another significant moment.

- Date of occurrence
- Setting of occurrence (time and place)
- Other people involved
- Description of what happened
- How it affected history

***Remember the SRP is not to be considered an essay. In essence, you are writing historical fiction; therefore, the preceding list is *not* an essay outline. Rather, it is a guide to *help* you with your research.**
