

Residential Schedules

1. Weekend and Weekday Schedule

Each exchange should be written on the Weekend and Weekday Exchange Schedule. A sample entry for one of the exchanges may be as follows: “5:30 p.m. Father receives children”. This means that at 5:30 p.m., Father will begin a period of time during which the children will be with him.

The last person to receive custody on the Weekend and Weekday Schedule must be different than the first person to receive custody on the schedule because after each two week period, the cycle repeats itself. There is always an even number of exchanges for a two week period.

A sample two week exchange schedule is located on Page 5 of these Residential Schedules.

2. Vacation Schedule

*You **must** select one and only one of the following two options.*

- No specific weeks will be set aside for our vacations.
- Each parent may designate _____ week(s) each year during which they will have exclusive physical custody of the children and the regular or special exchange schedules do not apply. Father shall have first choice of weeks in odd-numbered years. Mother will have first choice of weeks in even-numbered years. The parent with the first choice of weeks must designate the vacation weeks by March 31 of each year.

During this period, the holiday schedule still applies. Neither parent can select a week which would deny the other parent of a holiday to which they are entitled.

3. Holidays

A different schedule can apply on holidays. The times each parent will have with the children during the holidays are set forth on the Holiday Exchange Schedule on page 3 of these Residential Schedules.

Include the name of the parent that will have the holiday and how the holiday will be structured. For example, Memorial Day is always on a Monday. Should the Memorial Day holiday begin at 6:00 p.m. on Sunday before Memorial Day? Alternatively, should it include the entire weekend? If the entire weekend is included, then it is possible that one parent may not have a weekend with the children for several weeks.

Holidays and vacations do not alter the “Week One” or “Week Two” designation, but they do apply ahead of the regular schedule. If the holiday schedule conflicts with any other schedule, the holiday schedule takes precedence.

Since the parties do not specify an exchange location, the exchange would occur at the default location in Paragraph 12 in Part A of the Parenting Plan.

This entry contains a mistake. It is unclear whether it refers to 5:30 a.m. or 5:30 p.m.

SAMPLE

This entry is also a mistake. Mom already has the children with her so she can't receive the children. There should always be an even number of exchanges for any two week period.

Since Dad is the first parent to receive the children on this schedule, Mom must be the last parent to receive the children. Mom has the children at the start of this schedule.
