

MATHEMATICS SUMMER CAMP

Application for Summer 2017

Applications must be postmarked by **March 31, 2017**. A committee will evaluate all complete applications after April 10th. Please print clearly.

A complete application should include two recommendation letters from teachers using the enclosed forms, one from a mathematics teacher and one from another teacher of your choice, sent directly to the address below. In addition, please submit a copy of your high school transcript AND your most recent report card.

Acceptance to the program is competitive and limited to 32 students. Applicants will be selected based on all three components of the application (letters of recommendation, essays, and grades).

Limited number of full and/or partial scholarships are available to applicants who are eligible for the Federal free or reduced lunch program. Please submit a letter, on letterhead, from an official at the school district **or** the letter you received stating that you are eligible for the free or reduced lunch program.
