

**CONFIDENTIALITY, NON-COMPETITION,  
AND NON-SOLICITATION AGREEMENT**

This Confidentiality, Non-Competition, and Non-Solicitation Agreement (“Agreement”) is made between \_\_\_\_\_ (“The Contractor”) and Pailles Investments, a California Corporation, (“The Company”), along with its subsidiaries, parents, joint ventures, affiliated entities, and includes its successors and assigns or any such related entities (the “Company”). In consideration defined in Section 1 below, both parties agree as follows:

1. Consideration. In consideration of the Contractor’s execution of this Agreement, you shall hold the position of “Contractor” as an at-will Contractor of “The Company” but shall not expect to receive future wages nor employment benefits, payment of which during the period of your employment is a fixed amount, to be agreed by The Company and The Contractor, prior to engaging in any action and a condition of this Agreement. You acknowledge the receipt and sufficiency of this consideration.

2. Restrictive Covenants.

a. Definition of requested work:

“A tool to help home seller or buyers find and select a Real Estate agent in the vicinity of the area where they wish to sell or buy a home.

In addition to the agent being established in the vicinity or having experience or recommendations in such vicinity, the user might select such agent based on other important credentials.

The application's look is of that of a GPS application, basically displaying a full size local street map, with colored dots representing the agents found. Very similar to how an application like Uber works, for while Uber would show a screen with the geographic location of the available uber drivers in the area, this application would show the location of available real estate agents or service providers in the area.

The application will have a means of communication input from the user (home seller or buyer), who will have the capability through this application to select and invite one or more agents to present a proposal and so forth.

Platform should be robust, with high capacity for huge volume of users.

Graphics should be neat, modern, simple and appealing.

Architecture should be open, easy to map and import database information from CSV, Facebook and other platforms.

This application will connect seamlessly with a database management afterwards, variables, queries, tables and all elements need to be 100% defined, identified and listed in a manual or map that will allow you, the developer or another developer to easily create this connectivity when expanding the software to become one with the other expansion modules in the future.

The Company will provide most wireframe mockups to help The Contractor envision the intent of The Company.

- (1) Each phase, if project divided in phases, will have to be fully functional, tested and accepted, prior initiation of the subsequent phase. Architecture to be very open and designed with maximum flexibility and expansion as possible in the future.

In the event the Arbitrator(s) should determine not to enforce a covenant as written due to overbreadth, the parties specifically agree that said covenant shall be modified and enforced to the extent reasonable, whether said modifications are in time, territory, or scope of prohibited activities.

6. Entire Agreement. This Agreement, which includes Exhibits A and B, represents the entire understanding between the Company and you on the matters addressed herein and may not be modified, changed or altered by any promise or statement by the Company other than in writing signed by you and an authorized representative of Company. **EXHIBIT B - ARBITRATION CLAUSE**

(1) In consideration of the benefits described in the Confidentiality, Non-Competition, and Non-Solicitation Agreement executed by \_\_\_\_\_ (the “Contractor” or “you”) and Pailles Investments, a California Corporation, (“The Company”), along with its subsidiaries, parents, joint ventures, affiliated entities, and includes its successors and assigns or any such related entities (the “Company”) on the same date hereto and into which this Exhibit B is incorporated, (“Agreement”), the Company, The Contractor and you hereby agree that any controversy or claim arising under federal, state and local statutory or common or contract law between the Company and you involving the construction or application of any of the terms, provisions, or conditions of the Agreement, including, but not limited to, breach of contract, tort, and/or fraud, must be submitted to arbitration on the written request of either party served on the other. The Arbitrator’s decision shall be final and binding on both parties.

(2) If any claim or cause of action at law or in equity is filed by either party in any state or federal court which results in arbitration being compelled and/or the claim or cause of action being dismissed, stayed, and/or removed to arbitration pursuant to this Agreement, the party who instituted the claim or cause of action in state or federal court, either wholly or in substantial part, shall, at the discretion of the Arbitrator(s), reimburse the respondent for its reasonable attorneys’ fees, costs, and necessary disbursements to the extent permitted by law, in addition to any other relief to which it may be entitled, related to the state or federal court claim or action.

(3) Excluding the initial filing fee, which shall be borne by the claimant, the cost of arbitration shall be borne by the Company, unless the Arbitrator determines that any claim(s) brought by you was/were wholly frivolous or fraudulent. If an arbitration or any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, the prevailing party, either wholly or in substantial part, shall, at the discretion of the Arbitrator, be entitled to its reasonable attorneys’ fees, costs, and necessary disbursements to the extent permitted by law, in addition to any other relief to which it may be entitled.

(4) If the Contractor or Company submits any controversy or claim to arbitration, the arbitration will be conducted in Atlanta, California and all claims shall be submitted to and administered by the American Arbitration Association’s Southeast Case Management Center in Atlanta, California.

(5) The arbitration shall comply with and be governed by the American Arbitration Association’s Commercial Arbitration Rules (“Rules”) effective as of the execution date below, to the extent such Rules are not contrary to the express provisions of this Agreement. The parties

also agree that the American Arbitration Association Optional Rules for Emergency Measures of Protection (“Emergency Rules”) shall apply to proceedings brought by either party. The above Rules and Emergency Rules can be found at the following page of the American Arbitration Association’s website, [www.adr.org](http://www.adr.org): <http://www.adr.org/sp.asp?id=22440>. (6) The parties agree and acknowledge that all provisions of this Agreement shall be governed by and construed in accordance with the laws of the State of California exclusively and without reference to principles of conflict of laws. The Federal Arbitration Act (“FAA”) will supersede state laws to the extent inconsistent. Any claim(s) involving the construction or application of this Agreement must be submitted to arbitration within the statute of limitations period for such claim(s) under California state law and shall be dismissed if the statute of limitations period is not met. The Arbitrator(s) shall have no authority to apply the law of any other jurisdiction.

(7) The dispute shall be heard and determined by one Arbitrator, unless both parties mutually consent in writing signed by you and an authorized representative of Company to a panel of three (3) Arbitrators. Unless both parties mutually consent otherwise, the parties agree and request that the Arbitrator(s) issue a reasoned award in accordance with Commercial Arbitration Rule R-42(b).
