

**Form 2302—General Information
(Notary Public Change of Address)**

The attached form is designed to meet minimal statutory filing requirements pursuant to the relevant code provisions. *This form and the information provided are not substitutes for the advice and services of an attorney.*

Commentary

A notary public must notify the secretary of state not later than the tenth day after an address change.

A document on file with the secretary of state is a public record subject to public access and disclosure. When providing address information, use a business or post office box address rather than a residence if privacy concerns are an issue.
