

Requesting a Certificate of Attendance

Turnaround Management Association ▪ 2010 Distressed Investing Conference ▪ January 27-29

TMA is unable to provide a CLE or CPE certificate of attendance until all conference registration fees are paid in full.

◆ REQUESTING CPE FOR ACCOUNTANTS ◆

Calculating Credit

CPE is calculated based on a 50-minute hour, rounded down to the nearest whole or half credit based on NASBA policy. **The available credit, based on NASBA policy, is in italics on the request form.** Individual states have the final authority on the acceptance of credits, and some states may not accept half credit hours.

TMA Accreditation

The Turnaround Management Association is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be addressed to the National Registry of CPE Sponsors, 150 Fourth Avenue North, Suite 700, Nashville, TN, 37219-2417. Web site: www.nasba.org There is no prerequisite or advance study necessary to attend the TMA sessions at the 2009 Spring Conference or to qualify for continuing education credit. For more information regarding administrative policies such as complaint and refund, please contact TMA at 1-312-578-6900.

◆ REQUESTING CLE FOR ATTORNEYS ◆

Calculating Credit

The available credit, based on a 60-minute hour, is in italics on the request form. Please note that individual states have the final authority on the acceptance of credits, and some states only accept credit on a 50-minute hour. Please check with your state bar.

Individual State Accreditation

A chart reflecting the status of individual state CLE applications is available in the TMA registration area. Please note:

- **The following states do not require CLE:** Alaska, Connecticut, District of Columbia, Hawaii, Massachusetts, Maryland, Michigan, Nebraska, New Jersey and South Dakota.
- **California and New York** are “approved jurisdiction” states, meaning credit is awarded based on the approval of other CLE states, unless the program is being held in-state, in which case hours will be reflected on the chart in the TMA registration area.
- **Arizona and Kansas** do not require sponsor applications. Rather, attorneys must apply individually to the State Bar for accreditation.
- **California, Florida, Kansas, Kentucky, Louisiana, New Hampshire, North Carolina, Ohio, Pennsylvania, Tennessee, Texas, Virginia, Washington and West Virginia** also require *state-specific attendance forms*, which can be found at the TMA registration area.

◆ REQUESTING CTP CONTINUING EDUCATION CREDIT ◆

CTP records are automatically updated to reflect attendance at the 2010 Distressed Investing Conference. CTPs do not need to complete a form to update their CTP records.

NOTE: CTPs **do need to complete the form** if they are also seeking CPE for their accounting license.
