For

Ordering Grainger Products in the PENN Marketplace

The Grainger punch-out site takes users directly to the Grainger business to business website.

Once searching is completed and items have been placed in your shopping cart, all information is then transferred back to the Penn Marketplace. The Penn Marketplace will complete the requisition by assigning account codes, shipping information, and creating purchase orders.

To use the Grainger punch out site, please click on the Grainger logo that appears under Product Search tab under the categories of **Facilities**.

The screenshot displays the Penn Marketplace Product Search interface. The top navigation bar includes the 'bon buys' logo, user information for Brian Caputo, and a shopping cart icon showing 4 items for a total of 266.71 USD. The main navigation menu includes 'home', 'favorite lists', 'product search', 'carts', 'user info', 'user mgt.', 'catalog mgt.', and 'more >>'. The 'product search' tab is active, showing a search bar with 'CAS No.' and a 'Go' button. Below the navigation, a 'Welcome Brian Caputo' message is displayed. The left sidebar contains sections for 'Organization Message', 'System Messages', 'Review', and 'My Resources'. The main content area is titled 'Product Search' and features a search bar with the text 'Enter search terms, e.g., supplier name, catalog no., product name, CAS#, etc.' and a 'Search' button. Below the search bar, there are sections for 'Categories' (All), 'Other Searches' (Browse by Supplier, Browse by Category, chemicals), and 'Punchout'. The 'Punchout' section is divided into 'Lab Supplies', 'Office/Technology', 'Facilities', and 'Furniture'. The 'Facilities' category is highlighted with a red circle, and the 'GRAINGER' logo is visible within this category.

Home Page

eProcurement is quick and easy with Grainger.

Use this handy guide to walk you step-by-step through our convenient site features. Then keep it near your computer for reference.

Home Page

Start here as your entry to the Grainger Web site.

A Navigation Bar
You will find this navigation bar on every page of this site. See below for descriptions on these helpful fields.

B Search Products – (Enter Search Terms)
Search for products by keyword(s), Grainger Item #, Manufacturer/Brand, Manufacturer Model #, National Stock Number (NSN) or Cross Reference # by clicking on the appropriate choice and entering the information in the box.

C Search Products – (Browse Catalog)
Click on any Category, Product Index, or Manufacturer/Brand, to browse the more than 155,000 products in our catalog online. You can keep refining your search until you find what you're looking for.

D Quick Item Entry
Use this *Quick Item Entry Pad* to add products to a requisition directly from the home page. For larger requisitions use our *Bulk Requisition Pad*.

E Site Features
Find useful information, news, and helpful tips to help you get the job done.

The screenshot shows the Grainger website home page. At the top is a navigation bar (A) with links for Home, Resources, Contact Us, Find A Branch, Requisition Form, Compare Items, and Help. Below the navigation bar is a red banner with the Grainger logo and a 'Catalog No. 388 (PSE)' link. The main content area is divided into several sections: 'ACTIVE' with links for Demo Catalog, Requisition Form, and Personal Lists; 'SEARCH PRODUCTS' (B) with a search box and a 'Go' button; 'QUICK ITEM ENTRY' (D) with a 'Type It In' section and a 'Bulk Requisition Pad' button; and 'GET MORE INFO' (E) with links for 'Need Help?', 'Improved Personal Lists', and 'Search Tips'. A 'Categories' list (C) is also visible, including Adhesives, Sealants & Tape, Cleaning & Painting, Electrical, Fasteners & Hardware, HVAC, Lighting, Material Handling, Metalworking, Welding & Lubrication, Motors & Power Transmission, Office Equipment, Outdoor Equipment, Pneumatics & Hydraulics, Pumps & Plumbing, Safety & Security, and Tools & Test Instruments. A 'HELP' and 'RESOURCES' sidebar is on the left. At the bottom, there are links for Home, Resources, Contact Us, Find A Branch, Help, Terms of Access, Terms of Purchase, Privacy Policy (Rev. 10/20/2002), and a copyright notice for 1994-2005 W.W. Grainger, Inc.

► **Personal Lists**

Search

A Search Options
 Search products by Keywords, Grainger Item #, Manufacturer/Brand, Manufacturer Model #, National Stock Number (NSN), Cross Reference # or Supplier Diversity Products.

Now you have a choice to click on the Categories tab and select the product category, or click on the Product Index tab and select from Index Entries just like in the printed catalog, or select from a list of all the Manufacturer/Brand names Grainger carries.

B Wildcard Feature
 By using an asterisk (*), you may perform a Wildcard search. For example, if you were looking for a model number but didn't remember the full number, just type in the first three characters followed by an asterisk (*). Our site will search all of the model numbers that start with those three characters.

C Refine by Category
 You no longer need to sort through thousands of results to find the right product. Instead you will refine your search by the most relevant categories and make it much easier to find your product.

D More Visuals
 You can rely on images to help you more quickly find your category of interest without reading long lists.

A "Add To" Buttons
To add items to an *Order Form* or a *Personal List*, enter the quantities you want under Enter Qty. After that, just click *Add to Order* or *Add to Personal List*.

B Refining Your Results
Improve your results by using different keywords or selecting search options from the dropdown menu.

C Compare Items
Compare multiple products side by side on one web page. Select two to eight items from your *Search Results*, then click *Compare Items* for an easy-to-read chart listing all the product attributes.

D Item Details Link
This link will give you a detailed product description, technical information if available and more. See the *Item Details* tab in this guide for more information.

E Product Availability
Your *Search Results* will show general availability and approximately when items will ship. During checkout, this information is presented in real time.

The screenshot shows the Grainger website search results for 'sump pump'. The page includes a navigation bar with links like Home, Resources, Contact Us, Find A Branch, Requisition Form, Compare Items, and Help. A search bar at the top right contains the text 'sump pump' and a 'Go' button. Below the search bar, the page displays '34 Product Matches'. A 'Refine Your Search' section offers options for 'New search' and 'Search these results'. A 'Hurricanes Impact Shipping' notice is visible on the right. The main results table shows three items:

Select	Item #	Enter Qty.	Notes	Description	Manufacturer Model #	Ship Qty.	Usually Ships **	Unit Price	Catalog Page
<input type="checkbox"/>	2P547	<input type="text"/>		Sump Pump, Power Rating 3/10 HP, Current Rating 9.6 Amps, Voltage Rating 115 Volts, Maximum Flow 43 GPM, Phase Single, Off Point 3 1/4 Inches, On Point	ZOELLER M53	1	Today	\$123.80	3164
<input type="checkbox"/>	2P550	<input type="text"/>		Sump Pump, Power Rating 1/2 HP, Current Rating 9.4 Amps, Voltage Rating 115 Volts, Maximum Flow 72 GPM, Phase Single, Off Point 3 Inches, On Point 9 1/2	ZOELLER M98	1	Today	\$214.25	3165
<input type="checkbox"/>	2P549	<input type="text"/>		Sump Pump, Power Rating 3/10 HP, Current Rating 9.6 Amps, Voltage Rating 115 Volts, Maximum Flow 43 GPM, Phase Single, Off Point 3 1/4 Inches, On Point	ZOELLER M57	1	Today	\$143.85	3164

► **Search for products by:**

- Keyword(s)
- Grainger Item #
- Manufacturer/Brand
- Manufacturer Model #
- National Stock Number (NSN)
- Cross Reference #
- Supplier Diversity Products

► **Another Easy Way to Search:**

View the Grainger catalog online in PDF format. For details, turn to the **Catalog Online** tab in this guide.

Customer Care: 1-888-361-8649
Monday – Friday, 7a.m. – 7p.m. (CT)

► **Search**

A Compare Products
 You can compare multiple products side by side on one screen with our *Product Comparison Tool*. Product specifications are arranged in an easy-to-read chart for fast selection.

Three Ways to Compare

There are three ways to compare items to ensure you get the perfect product for your needs.

1. Product Comparison

From the *Search Results* page, select between two and eight items and click *Compare Items*. By viewing all of your product options and their attributes on one page, you can turn your search results into a powerful product comparison tool.

2. Compare Alternates

Click on *Compare Alternates* from an *Item Details* page if you're looking for similar products with different features or want to evaluate specs side by side. This will help you find exactly what you're looking for.

3. Free-form Compare

If you already know which products you would like to compare, just click *Compare Products* from the home page, enter their Grainger item Numbers and click *Compare Items*. You can compare up to eight items at once.

B

Free-form Compare

If you already know which products you would like to compare, just click *Compare Products* from the home page, enter their Grainger item Numbers and click *Compare Items*. You can compare up to eight items at once.

► Turn Search Results into a powerful comparison tool with Product Comparison:

- Select up to eight items to compare at once
- View items side by side for quick comparisons
- Compare alternate products to find the best fit
- Enter Items #s for even quicker comparison results

Grainger eProcurement questions?

Contact Customer Care at
1.877.202.2592.
(M–F, 7:00am–7:00pm CT).
Or, send an email to
eprocurementcare@notes.grainger.com

► Compare Products

- A Product Information**
The *Item Details* page gives you full product descriptions, including manufacturer information, pricing and shipping information, technical specifications, required/optional accessories and more.
- B Technical Specifications**
If an item requires technical specifications, you'll find a technical specifications box that is a quick reference for important specs.
- C Notes & Restrictions**
If a product contains hazardous materials, it will be noted here. It will also be noted if MSDS sheets or repair parts are available.
- D Alternate Products**
Manufacturers often have multiple products that may work for the same application. Those products are listed here. Add them to your requisition or click on the Grainger Item # to see their *Item Details* page.
- E Compare Alternatives**
You can quickly compare alternate products on one page to see how they measure up in price and specifications. Just click on *Compare Alternates* for a complete listing.
- F Optional Accessories**
Some products have optional items you may want to order for specific applications. This page will list those products so you can easily add them to your requisition.

Required Accessories

Some products may need required accessories to work or be installed properly. This page will list these accessories so you can easily add them to your requisition.

Completing your Grainger Order

When you click the “Checkout” button your order will be brought back into the Penn Marketplace for completion.

When Back in the Penn Marketplace, you can add items to your shopping cart or complete the process by clicking on “Return to Ben Buys Shopping Cart” where your requisition will be created.

The screenshot shows the Ben Buys web application interface. At the top, the user is logged in as Brian Caputo. The page title is "2005-10-13 bcaputo 01". The search bar contains "CAS No.". The navigation menu includes "home", "favorite lists", "product search", "carts", "user info", "user mgt.", "catalog mgt.", and "more >>". Below the navigation menu, there are buttons for "Create Cart", "Add Products", "Save Updates", and "Return to Ben Buys Shopping Cart". The "Return to Ben Buys Shopping Cart" button is circled in red. The main content area is divided into sections: "Header Information" (Prepared by: Brian Caputo), "Cart/Requisition Details" (Cart Name: 2005-10-13 bcaputo 01), and "External Purchases". The "External Purchases" section contains a table with one item:

Product Name	Supplier	Catalog No.	Unit Price	Qty / UOM	Extended Price	Line Item History	Select
Silicone, Container Size 10.1 Dunces, Style General Purpose Industrial Sealant, Color Clear, Economy, 400 Degrees Fahrenheit	Grainger, Inc.	4UH07	3.72	1 EA	3.72		<input type="checkbox"/>
					Subtotal	3.72 USD	
					TOTAL	3.72 USD	

At the bottom right of the table, there is a "Save Updates" button.
