Medical/Dental Expense Form

The purpose of this form is to take a full inventory of your medical expenses **<u>after insurance</u>** for the 2013 year.

In general the Department of Education assumes out-of-pocket medical and dental expenses of 11% of your household's adjusted gross income. If your out-of-pocket medical and dental expenses were greater than 11% of your 2013 adjusted gross income, please inventory and <u>attach your medical/dental bills.</u>

If you are unsure if this re-evaluation will affect your financial aid award, please check with the Office of Student Financial Aid and Scholarships. Submission of this form will not negatively affect your student's financial aid award.

Please use this form to itemize amounts and dates of your medical expenses. Complete a line for each of the statements attached to help us fully understand your documentation.
