Article Alert

Article Alert is an IRC monthly bulletin. It provides a summary of selected recent articles from major U.S. magazines and journals, covering topics such as American politics, economics, society and culture, as well as global issues, human rights and democracy. The full text version of these articles is available for free on request.

Thematic Information Package

The IRC creates thematic information packages related to current Embassy programs, U.S. Holidays, and International Days on topics such as Tolerance in a Multi-Cultural, Multi-Religious, Democratic Society; Women's History Month; Earth Day; 4th for July; Thanksgiving.

Selected Dissemination of Information

Alerts on the latest articles to the users' specified field or interest. The full text version of these articles is available for free on request.
