

**GretchAnya Shepherds**  
Companion Puppy  
**SAMPLE** Bill of Sale and Warrantee

Date of sale:

1. Buyer agrees to use the word **GretchAnya** in the puppy's registered name, and such must appear on the puppy's individual AKC/CKC registration papers, or buyer voids all warranties.

2. Puppy is of sound temperament and is in excellent health at time of sale.

3. Puppy has been examined by a licensed veterinarian and has had first vaccinations and worming procedures.

4. During the 48-hour period following sale, the seller urges the buyer to take the puppy to a licensed veterinarian, at the buyer's expense, for an examination.

5. The seller guarantees this puppy against OFA Moderate Hip Dysplasia until the puppy is 2-1/2 years old or has been bred. **If this puppy is bred before having OFA certification of hips and elbows, all warranties are VOID.** On your puppy's second birthday, take him/her to seller's vet, Central New Hampshire Animal Care in Chichester, NH, to have the hips x-rayed. Send the x-rays to the Orthopedic Foundation for Animals, Inc. (OFA). They will rate your dog's hips. If your dog is positive for hip dysplasia, you will be compensated, with the following stipulations: Proof of claim must be supported by the OFA report at the buyer's expense. If proven, the buyer need NOT return the puppy, but must submit a certificate of spaying or neutering before compensation will be considered. Compensation shall consist of a replacement of the puppy with one of equal value. (If the original puppy is purchased as pet quality, it will be replaced with a puppy that is pet quality).

6. Purchase of puppy is understood to be a commitment to this dog for its entire life. The buyer agrees to contact the seller if for any reason, including divorce or separation, the buyer can no longer keep this dog. **UNDER NO CIRCUMSTANCES is this dog to be placed in a humane society, rescue or animal shelter.**

7. Buyer agrees never to use an electronic fence or "shock" training collar on the puppy, otherwise all warranties are void.

8. No cash refunds will be made at any time except obedience title rebates, as noted below in No. 10.

9. This warrantee is not transferable and applies to the original buyer and original puppy only.

10. Puppy is entitled to an AKC Obedience title rebate after earning a CD, CDX, TD or TDX Title. The buyer must notify the seller with a duplicate title certificate for the seller to keep. The owner receives \$100 for a CD or CDX title and \$50 for a TD or TDX title.

11. Seller will not be held responsible for the health, care, or any veterinarian bills once the puppy has left GretchAnya Shepherds' kennel.

12. It is highly recommended that you:

a. Provide your veterinarian with a fresh stool sample;

b. Discuss preventative measures for heartworm and flea and tick prevention;

c. Discuss spaying/neutering of your pet.
