When to File

In general, your New Jersey income tax return is due when your Federal income tax return is due. For calendar year filers, the 2004 New Jersey income tax return is due by April 15, 2005.

DO NOT USE FORM NJ-1040EZ

You cannot use Form NJ-1040EZ if you file on a fiscal year basis.

Postmark Date. All New Jersey income tax returns postmarked on or before the due date of the return are considered to be filed on time. Tax returns postmarked after the due date are considered to be filed late. When a return is postmarked after the due date, the filing date for that return is the date the return was received by the Division, not the postmark date of the return. Interest on unpaid liabilities is assessed from the due date of the return.

Extensions

Extensions of time are granted only to file your New Jersey resident income tax return. There are no extensions of time to pay tax due. **Penalties and interest are imposed whenever tax is paid after the original due date.**

Four-Month Extension

You may receive a four-month extension of time to file your New Jersey resident income tax return if at least 80% of the tax liability computed on your Form NJ-1040EZ when filed is paid in the form of withholdings, estimated, or other payments by the original due date, **and**

- 1. Federal extension filed. A copy of your Federal Application for Automatic Extension is enclosed with your final return and the oval at the top of the NJ-1040EZ is filled in (if the extension application was filed by phone or online, your confirmation number is entered in the space provided at the top of Form NJ-1040EZ); or
- 2. No Federal extension filed. You file a request for a four-month extension on Form NJ-630, Application for Extension of Time to File New Jersey Gross Income Tax Return, by the original due date of the return.

Form NJ-630 must also be filed by the original due date if you are required to make a payment to satisfy the 80% requirement.

Extensions Beyond Four Months

If you have requested and been granted a four-month extension, you may apply for an additional two-month extension before the original four-month extension expires. You must file Form NJ-630 if you require an extension of more than four months for New Jersey purposes and you are not requesting an additional twomonth extension for Federal purposes. Otherwise, enclose a copy of your Federal application for an additional twomonth extension with your NJ-1040EZ when filed. Taxpayers who file Form NJ-630 will not receive an approved copy. We will notify you only if your request is denied.

If you fail to satisfy the requirements outlined for extensions, or you fail to file your return by the extended due date, your extension will be denied and penalties and interest will be imposed from the original due date of the return. See "Penalties, Interest, and Collection Fees" on page 17.

Military Extensions

Special rules apply to members of the Armed Forces of the United States and civilians providing support to the Armed Forces. For more information see the instruction booklet for Form NJ-1040 or Tax Topic Bulletin GIT-7, *Military Personnel*.

Refunds

A return must be filed to claim a refund for overpayment of tax. If the refund is \$1 or less, you must enclose a statement specifically requesting it.

Time Period for Refunds. You have three years from the date the return was filed or two years from the time tax was paid, whichever was later, to claim a refund. If you and the Division agree in writing to extend the period of assessment, the period for filing a refund claim will also be extended.

Interest Paid on Refunds. If the Division takes more than six months to send you your income tax refund, you have a right to receive interest on that refund. Interest at the prime rate, compounded annually, will be paid from the *later* of:

- the date the refund claim was filed;
- the date the tax was paid; or
- the due date of the return.

No interest will be paid when an overpayment is credited to the next year's tax liability, or on an overpayment or portion

Refunds - continued

of an overpayment which consists of a New Jersey earned income tax credit.

New Jersey law requires that any money owed to the State of New Jersey, any of its agencies, or the Internal Revenue Service be deducted from your refund or credit before it is issued. FAIR rebates may also be affected. These debts include, among other things, money owed for past due taxes, child support due under a court order, school loans, hospital bills, and IRS levies. If the Division applies your refund, credit, or rebate to any of these debts, you will be notified through the mail.

Deceased Taxpayers

DO NOT USE FORM NJ-1040EZ

You cannot use Form NJ-1040EZ if you are filing on behalf of a person who received

income in 2004 but died before filing a return.

Estimated Tax

Estimated tax means the amount which you estimate to be your income tax for the taxable year after subtracting payments, withholdings, and other credits.

You are required to make estimated tax payments using Form NJ-1040-ES

when your estimated tax exceeds \$400. Instructions for computing the estimated tax and making the payments are included with the form. Review the amount of your New Jersey gross income tax on your expected gross income (after deductions and credits) to determine if you need to make estimated tax payments for 2005.

To avoid having to make estimated tax payments, you may ask your employer to withhold an additional amount from your wages by completing Form NJ-W4. Failure to file a Declaration of Estimated Tax or pay all or part of an underpayment *will result in interest charges* on the underpayment.

Underpayment of Estimated Tax. If you failed to make all of the required estimated tax payments as described above, you should request Form NJ-2210, Underpayment of Estimated Tax by Individuals, Estates or Trusts. Complete Form NJ-2210 to determine if interest is due and if so, calculate the amount. If you complete and enclose Form NJ-2210 with your return, fill in the oval below Line 27.

Amended Returns

If you received an additional tax statement (W-2 or 1099) after your return was filed, or you discovered that you made any error or omission on your return, file an amended New Jersey resident return, Form NJ-1040X.

Changes in Your Federal Income Tax

or Federal Earned Income Credit. If you receive a notice from the Internal Revenue Service that they changed your reported income, and that change altered your New Jersey taxable income, or if you receive a notice that your Federal earned income credit has been changed, and that change alters your New Jersey earned income tax credit, you must notify the Division of the change in writing within 90 days. File an amended tax return and pay any additional tax due.

If you file an amended Federal return which changes your New Jersey taxable income or your Federal earned income credit, you must file an amended New Jersey resident return, Form NJ-1040X, within 90 days.

Accounting Method

Use the same accounting method for New Jersey gross income tax that you used for Federal income tax purposes. Income must be recognized and reported in the same period as it is recognized and reported for Federal income tax purposes.

Rounding Off to Whole Dollars

When completing your return you **must** show the money items in whole dollars. If you have to add two or more items to figure the total to enter on a line, include cents when adding the items and round off only the total. When entering the rounded total on the line, eliminate any amount under 50 cents and increase any

amount 50 cents or more to the next higher dollar.

Penalties, Interest, and Collection Fees

Penalty and interest should be included with the payment of any tax due.

Late Filing Penalty

5% per month (or fraction of a month) up to a maximum of 25% of the outstanding tax liability when a return is filed after the due date or extended due date. A penalty of \$100 for each month the return is late may also be imposed.

Late Payment Penalty

5% of the outstanding tax balance may be imposed.

Interest

3% above the prime rate for every month or fraction of a month the tax is unpaid, compounded annually. At the end of each calendar year, any tax, penalties, and interest remaining due (unpaid) will become part of the balance on which interest is charged.

Collection Fees

In addition, if your tax bill is sent to our collection agency, a referral cost recovery fee of 10% of the tax due will be added to your liability. If a certificate of debt is issued for your outstanding liability, a fee for the cost of collection of the tax may also be imposed.

Keeping Tax Records

Keep copies of your tax returns and the supporting documentation of income, age and/or disability, deductions, and credits until the statute of limitations has expired for each return. Generally, this is three years after the filing date or two years from the date the tax was paid, whichever is later.

Privacy Act Notification

The Federal Privacy Act of 1974 requires an agency requesting information from individuals to inform them why the request is being made and how the information is being used.

Privacy Act Notification - continued

Your social security number is used primarily to account for and give credit for tax payments. The Division of Taxation also uses social security numbers in the administration and enforcement of all tax laws for which it is responsible. In addition, the Division of Taxation is required by law to forward an annual list to the Administrative Office of the Courts containing the names, addresses, and social security numbers of individuals who file a New Jersey resident tax return or FAIR rebate application. This list will be used to avoid duplication of names on jury lists.

Federal/State Tax Agreement

The New Jersey Division of Taxation and the Internal Revenue Service have entered into a Federal/State Agreement to exchange income tax information in order to verify the accuracy and consistency of information reported on Federal and New Jersey income tax returns.

Fraudulent Return

Any person who deliberately fails to file a return, files a fraudulent return, or attempts to evade the tax in any manner may be liable for a penalty up to \$7,500 or imprisonment for a term between three and five years or both.

2004 Form NJ-1040EZ Line-by-Line Instructions

Social Security Number

Your social security number(s) is not printed on your name and address label. **You must enter your social security number(s)** in the space provided on the return, one digit in each box. If your filing status is married, filing joint return, remember to report both spouses' numbers in the order in which the names are listed on the return.

If you (or your spouse) do not have a social security number, file Form SS-5 with the Social Security Administration to apply for a social security number. Taxpayers who are not eligible for a social security number must file Form W-7 with the Internal Revenue Service to obtain an individual taxpayer identification number (ITIN). Enter on Form NJ-1040 the same number (social security number or ITIN) that you entered on your Federal income tax return.

County/Municipality Code

Check the county/municipality code on your label (see example below). **Do not use the label if any of the information is incorrect.** If your label contains inaccurate information or you do not have a label, enter your four-digit code, one digit in each box, from the table on page 31. If the local name of the place where you live is not listed, enter the code for the municipality to which you pay property taxes on your dwelling. (Go to www.state.nj.us/infobank/locality.htm for a listing of local names in the State and the county and municipality in which they are located.) This code identifies the county and municipality of your current residence. The county and municipality codes in these instructions are for Division of Taxation purposes only.

Name and Address

Place the peel-off label at the front of this booklet in the name and address section at the top of the return. **Do not use the label if any of the information is incorrect.** If your label contains inaccurate information or you do not have a label, print or type your name (last name first), complete address and zip code in the spaces provided. Also include your spouse's name if filing jointly. Your refund and next year's form will be sent to the address you provide.

If your legal residence and the address on the return differ, enclose a statement of explanation to avoid a delay in processing.

Filing Status (Lines 1 - 5)

In general, you must use the same filing status on your New Jersey return as you do for Federal income tax purposes. Indicate the appropriate filing status. Fill in only **one** oval.

If spouses file a joint Federal income tax return, they must also file a joint New Jersey income tax return. If spouses file separate Federal returns, separate State returns must also be filed.

You cannot use Form NJ-1040EZ if your filing status is married, filing separate return.

If you meet the requirements to file as head of household for Federal income tax purposes, you may file as head of household for New Jersey. Certain married individuals living apart may file as head of household for New Jersey if they meet the requirements to file as head of household for Federal purposes.

Note: You may use the filing status "Married, filing joint return" only if you and your spouse were married on the last day of the tax year. If you were a member of a domestic partnership registered in New Jersey, you are not considered "married" and you may not use this filing status.

For more information on filing status, order Tax Topic Bulletin GIT-4, *Filing Status*.

Exemptions - Personal (Lines 6 - 8)

The exemptions claimed on Line 6 apply to you and either your spouse or domestic partner. The exemptions claimed on Lines 7 and 8 apply only to you and your spouse. The exemptions for age and disability are not available for a domestic partner or for your dependents.

If you are claiming this exemption, fill in the domestic partner oval.

Add the number of ovals filled in and enter the result in the box on Line 6.

If you (or your spouse if filing a joint return) were 65 years of age or older on the last day of the tax year, you (and your spouse if qualified) are eligible for an additional exemption. You must enclose proof of age such as a copy of a birth certificate, driver's license, or church records with your return the first time you claim the exemption. Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the box on Line 7.

Line 8 - Blind or Disabled

"Disabled" means total and permanent inability to engage in any substantial gainful activity because of any physical or mental impairment, including blindness. You must enclose a copy of the doctor's certificate or other medical records with your return the first time you claim the exemption. This information need not be submitted each year providing there is no change in your condition. Fill in the appropriate oval(s). Add the number of ovals filled in and enter the result in the box on Line 8.

Line 9 - Dependent Children

You may claim an exemption for each dependent child who qualifies as your dependent for Federal income tax purposes. Enter the number of your dependent children in the box on Line 9.

Line 10 - Other Dependents

You may claim an exemption for each other dependent who qualifies as your dependent for Federal income tax purposes. Enter the number of your other dependents in the box on Line 10.

Line 11 - Dependents Attending Colleges

You may claim an additional exemption for each dependent under age 22 who is a full-time student at an accredited college or postsecondary institution for whom you paid one-half or more of the tuition and maintenance costs. Financial aid received by the student is not calculated into your cost when totaling one-half of your dependent's tuition and maintenance. However, the money earned by students in College Work Study Programs is income and is taken into account. **Remember, to claim this additional exemption, each dependent must have already been claimed on Line 9 or 10.**

Requirements

• Student must be **under 22 years of** age for the entire tax year.

- Student must attend full-time. "Fulltime" is determined by the institution.
- Student must spend at least some part of each of five calendar months of the tax year at school.
- The educational institution must maintain a regular faculty and curriculum and have a body of students in attendance.

Enter the number of exemptions for your qualified dependents attending colleges in the box on Line 11.

Line 12 - Totals

exempt by law. As a New Jersey resident you must report all taxable income you receive, whether from New Jersey or not, on your return.

You cannot use Form NJ-1040EZ if you had income other than wages, interest, or dividends.

NOTE: For a listing of taxable and taxexempt income, order Tax Topic Bulletin GIT-11, *New Jersey Resident Return Examples.*

Line 13 - Wages, Salaries, Tips, etc.

Enter the total amount you received during the taxable year from wages, salaries, tips, fees, commissions, bonuses, and other payments received for services performed as an employee. Include all payments you received whether in cash, benefits, or property. Enter the total of State wages, salaries, tips, etc. from **all** employment both inside and outside New Jersey. **Be sure to take the figure(s) from the "State wages" box on your W-2(s).** See sample W-2 below. All W-2(s) must be enclosed with your tax return. **Do not** staple W-2(s) to your return.

NOTE: The "State wages" figure on W-2(s) you received from employment outside New Jersey may need to be adjusted to reflect New Jersey tax law.

CAUTION DO NOT USE FORM NI-1040FZ

You cannot use Form NJ-1040EZ if you paid taxes to another jurisdiction on the wages

entered on this line and wish to claim a credit.

Retirement Plan Contributions. Under New Jersey law, contributions to retirement plans (other than 401(k) Plans) are included in the State wages figure on the W-2 in the year the wages are earned. This may cause your State wages figure to be higher than your Federal wages figure.

Federal Statutory Employees. If you are considered a "statutory employee" for Federal income tax purposes, you may not deduct your business expenses unless you are self-employed or an independent contractor under New Jersey law. The Federal label of "statutory employee" has no meaning for New Jersey gross income tax purposes. Business expenses may only be deducted from the business income of a self-employed individual.

If you are a selfemployed individual, you cannot use Form NJ-1040EZ.

Meals and/or Lodging. You may exclude from the amount reported on Line 13 meals and/or lodging reported as wages on your W-2 provided that:

1. The meals and/or lodging were furnished on the business premises of your employer; and

2. The meals and/or lodging were furnished for the convenience of your employer; and

For lodging only:

3. You were required to accept the lodging as a condition of your employment.

If you exclude the value of meals and/or lodging from your wages, you **must** enclose a signed statement explaining how you have met these conditions. If the statement is not enclosed, your wages will be adjusted to represent the full amount shown on your W-2.

Food and maintenance payments made to New Jersey State Police officers as part of their union contract **cannot** be excluded from gross income. These payments do not meet the criteria above.

Employee Business Expenses. Employee business expenses are **not** deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 13 reimbursements for employee business expenses reported as wages on your W-2 provided that:

- 1. The expenses for which you are reimbursed are job-related expenses;
- 2. You are required to and do account for these expenses to your employer; and
- 3. You are reimbursed by your employer in the exact amount of the allowable expenses.

If you receive excludable reimbursements for employee business expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 2106.

Commuter Transportation Benefits.

Certain amounts you receive from your employer up to \$1,265 for using an alternative means of commuting (such as public transportation, carpools, vanpools, etc.) may be excluded from your New Jersey gross income. Commuter transportation benefits may not be excluded from gross income unless your employer provides those benefits *in addition to* your regular compensation.

If the commuter transportation benefits you received exceed the maximum excludable amount, the excess amount is taxable and is included in your gross income. Your W-2 form will show both the taxable and nontaxable benefit amounts. The taxable benefits are included in the "State wages" figure on your W-2, while the nontaxable benefits are not.

An employee who receives money towards commuter transportation benefits must provide his/her employer with suitable proof (receipts, ticket stubs, etc.) to show that the employer-provided money was used for an alternative means of commuting.

Moving Expenses. Moving expenses are not deductible for New Jersey gross income tax purposes. However, you may exclude from the amount reported on Line 13 reimbursements for the following moving expenses if the Federal requirements to claim moving expenses were met and the expenses were included in wages on your W-2.

- 1. The cost of moving your household goods and personal effects from the old home to the new home.
- 2. The actual expenses incurred by you for traveling, meals, and lodging when moving you and your family from your old residence to your new residence.

Reimbursements for any other moving expense may not be excluded from income.

If you receive excludable reimbursements for moving expenses which are included in your wages on your W-2, enclose a statement explaining the amount you are excluding and your reasons for excluding this amount. Also enclose a copy of your Federal Form 3903.

Compensation for Injuries or Sickness.

Certain amounts received for personal injuries or sickness are not subject to tax. You may exclude from the amount reported on Line 13 such amounts included as wages on your W-2 provided that:

- 1. The payments must be compensation for wage loss which results from absence due to injury or sickness of the employee; and
- 2. The payments must be due and payable under an enforceable contractual obligation under the plan; and
- 3. The payments must not relate to sick leave wage continuation, the taking of which is largely discretionary and the payments are made regardless of the reason for absence from work.

If such payments are included in the State wage figure on your W-2, you must file Form NJ-2440 with your New Jersey return to exclude them.

Line 14a - Taxable Interest

Report on Line 14a all of your taxable interest from sources both inside and outside of New Jersey from your Form 1099 statement(s). Include all taxable interest income even if you did not receive a Form 1099. New Jersey taxable interest income includes interest from the following:

- Banks
- · Savings and loan associations
- Credit unions
- Savings accounts
- Earnings on nonqualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Distributions from Coverdell education savings accounts (ESAs), but only the earnings portion
- Checking accounts
- Bonds and notes
- Certificates of deposit
- Ginnie Maes
- Fannie Maes
- Freddie Macs
- Repurchase agreements
- Life insurance dividends
- Obligations of states and their political subdivisions, other than New Jersey
- Any other interest not specifically exempt

drawing a time deposit early, you may subtract the amount of the penalty from your interest income.

If your taxable interest income on Line 14a is more than \$1,500, enclose a copy of Schedule B, Federal Form 1040, or Schedule 1, Federal Form 1040A.

Line 14b - Tax-Exempt Interest

Report all of your tax-exempt interest, as well as exempt interest dividends from a New Jersey Qualified Investment Fund, on Line 14b. If Line 14b is more than \$10,000, you must include an itemized schedule detailing the amount received from each source. New Jersey tax-exempt interest income includes interest from:

- Obligations of the State of New Jersey or any of its political subdivisions
- Direct Federal obligations such as U.S. Savings Bonds and Treasury Bills, Notes, and Bonds
- Earnings on qualified withdrawals from qualified state tuition program accounts, including the New Jersey Better Educational Savings Trust Program (NJBEST) accounts
- Sallie Maes
- CATS and TIGRS
- Certain distributions from "New Jersey Qualified Investment Funds"
- Distributions paid by mutual funds to the extent the distributions are attributable to interest earned on Federal obligations

New Jersey Qualified Investment

Funds. A New Jersey Qualified Investment Fund is a regulated investment company in which at least 80% of the fund's investments (other than cash or receivables) are obligations issued either directly by the Federal government or the State of New Jersey or any of its political subdivisions. The Fund must certify such status with the Division of Taxation annually. If you received a distribution from a qualified investment fund, you may exclude from your income only the portion of the distribution which comes from qualified exempt obligations. Although excluded from income, the tax-exempt portion is reported on Line 14b. The taxable portion of the distribution, if any, is reported as dividends on Line 15. By February 15, shareholders should be notified by the New Jersey qualified investment fund of the portion of their distribution that may be excluded from income. Contact your broker to determine whether your fund qualifies.

Do not report interest earned on your IRA(s) on Line 14b, Tax-Exempt Interest Income.

When you total your interest income on Lines 14a and 14b, the amount should match the total of the taxable and taxexempt interest you reported on your Federal income tax return (if you filed a Federal 1040). Enclose a statement with your NJ-1040EZ explaining the difference if the amounts do not match. For more information on tax-exempt interest income, order Tax Topic Bulletin GIT-5, *Exempt Obligations*.

Line 15 - Dividends

Enter on Line 15 the amount of dividends received during the year from investments (e.g., from stocks, mutual funds) or other income-producing activities which do not constitute a trade or business. The total amount of taxable dividends received, **regardless of where earned**, must be reported.

You cannot use Form NJ-1040EZ if you received capital gains distributions from

mutual funds or other regulated investment companies.

Tax-Free Distributions. A distribution which is a return of your investment or capital and does not come from earnings or profits is a nontaxable capital or tax-free distribution. These distributions reduce the basis of the stock or investment and are not taxable until your investment is fully recovered.

Insurance Premiums. Dividends received from insurance companies are not taxable unless the dividends received exceed the premiums paid. Any interest from accumulated insurance dividends is taxable and must be reported on Line 14a.

Line 16 - New Jersey Gross Income

Enter on Line 16 the total of Lines 13, 14a, and 15.

TAX TIP If you were a New Jersey resident for the entire year and your Gross Income on Line 16 is \$20,000 or less (\$10,000 if filing status is single), you have no tax liability to New Jersey and no return must be filed. If you are filing a return only to obtain a refund of taxes withheld or estimated payments made or to apply for the New Jersey earned income tax credit, do not complete Lines 17 through 22. Continue completing the return with Line 23. See instructions on page 26.

NOTE: If you qualify, you may receive a New Jersey earned income tax credit even if you have no tax liability to New Jersey and are not required to file a return. See the instructions for Line 28.

Exemptions and Deductions (Lines 17 - 18)

New Jersey law does not allow deductions for adjustments taken on the Federal return such as employee business expenses, IRA contributions, and Keogh Plan contributions. However, be sure to keep records of all contributions to IRAs and Keogh Plans. You will need this information when you make withdrawals in future years.

Line 17 - Exemptions

Enter the total exemption amount you calculated at Line 12e.

Line 18 - Medical Expenses

You may deduct certain medical expenses that you paid during the year for yourself, your spouse or domestic partner, and your dependents. However, you cannot deduct expenses for which you were reimbursed. Only expenses in excess of 2% of your income may be deducted. You may also deduct qualified Archer medical savings account (MSA) contributions. Use Worksheet A on page 23 to calculate

your deduction for medical expenses/Archer MSA contributions.

Allowable Medical Expenses. Medical expenses means nonreimbursed payments for physicians, dental and other medical fees, prescription eyeglasses and contact lenses, hospital care, nursing care, medicines and drugs, prosthetic devices, X-rays, and other diagnostic services conducted by or directed by a physician or dentist. In addition, medical expenses may also include amounts paid for transportation primarily for and essential to medical care and insurance (including amounts paid as premiums under Part B of Title XVIII of the Social Security Act, relating to supplementary medical insurance for the aged) covering medical care. As a general rule, medical expenses allowed for Federal income tax purposes will be allowed for New Jersey income tax purposes.

NOTE: Do not include on line 1, Worksheet A, contributions you made to an Archer MSA or any amounts paid or disbursed from an Archer MSA that have been excluded from gross income.

Archer MSA Contributions. Enter on line 4, Worksheet A, the amount of your qualified Archer MSA contributions from Federal Form 8853. New Jersey follows the Federal rules for this deduction. Your contribution may not exceed 75% of the amount of your annual health plan deductible (65% if you have a self-only plan). Enclose Federal Form 8853 with your return. Excess contributions that you withdraw before the due date of your tax return are not taxable. However, you must report the earnings associated with the excess contributions you withdraw as wages on Line 13.

through rent, qualify for either a deduction or a refundable credit.

The property tax **deduction** reduces your taxable income. Your tax benefit varies depending on the amount of your taxable income, the amount of your property taxes or rent, and your filing status. To determine the actual tax benefit you will receive (how much you will reduce your tax liability) when claiming a property tax deduction, you must calculate your tax liability both with a deduction and without a deduction. The property tax credit reduces your tax due. The credit increases the total payments and/or credits on Line 29, Form NJ-1040EZ. These payments and/or credits are subtracted directly from your tax liability. Taxpayers who do not reduce their tax liability by \$50 or more when claiming the property tax deduction should claim the property tax credit instead.

For recorded information on the property tax deduction/credit, call our automated TaxTalk service from a Touch-tone phone at 1-800-323-4400 (toll-free within New Jersey, New York, Pennsylvania, Delaware, and Maryland) or 609-826-4400.

Eligibility Requirements. To be eligible for a property tax deduction **or** credit:

- You must have been domiciled and maintained a principal residence as a homeowner or tenant in New Jersey during 2004; and
- Your principal residence, whether owned or rented, must be subject to local property taxes, and property

taxes must have been paid on that residence either as actual property taxes or through rent; and

Taxpayers who were not 65 years of age or older or blind or disabled on December 31, 2004, with gross income of \$20,000 or less (\$10,000 if filing status is single) are not eligible for a property tax credit.

Disabled Veterans. Totally and permanently disabled veterans who have a 100% exemption from local property taxes are **not** eligible for a property tax deduction or credit. If any portion of the dwelling is rented to a tenant and property taxes are paid by the disabled veteran owner on the rented portion, any tenant may be eligible for a property tax deduction or credit, but the property owner is not eligible.

The Division of Taxation audits returns to ensure that only qualified applicants claim the property tax deduction or the property tax credit.

you are eligible for a property tax reimbursement for 2004 and file your application on Form PTR-1, enter on Line 1 the amount of your **2003 property taxes** as reported on Line 14 of your 2004 Property Tax Reimbursement Application, Form PTR-1. (For mobile home owners this is 18% of 2003 site fees.) (\$10,000 if filing status is single), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of \$50.

If you are eligible for a property tax credit, and you:

• Are eligible for a FAIR rebate, file your completed FAIR rebate application and your credit will automatically be sent to you with your rebate. **Do not** complete Line 20 to claim a property tax deduction **or** Line 26 to claim a property tax credit. However, you cannot use Form NJ-1040EZ to apply for a FAIR tenant rebate unless you have an overpayment on Line 31. In that case you must file Form TR-1040 or use another filing method (see back cover).

Completing Schedule 1

If you are eligible for a property tax reimbursement for 2004 and file your application on Form PTR-2, enter on Line 1 the amount of your base year property taxes as reported on Line 11 of your 2004 Property Tax Reimbursement Application, Form PTR-2. (For mobile home owners this is 18% of base year site fees.)

Line 2 - Property Tax Deduction

Enter the amount from Line 1 or \$10,000, whichever is less. Also enter this amount on Line 4, Column A.

Line 3 - Taxable Income

For each column, enter on Line 3, Schedule 1 the amount from Line 19, Form NJ-1040EZ.

Line 4 - Property Tax Deduction

Enter on Line 4, Column A the amount from Line 2, Schedule 1.

Line 20 - Property Tax Deduction

If you satisfied the eligibility requirements, you may deduct 100% of property taxes due and paid **or** \$10,000, whichever is less. For tenants, 18% of the rent paid during the year is considered property taxes paid. Complete Schedule 1 on page 24 to determine the amount of your property tax deduction and whether you should elect to take the property tax credit on Line 26 instead of the deduction on Line 20.

Line 5 - Taxable Income After Property Tax Deduction

For each column, subtract Line 4 from Line 3 and enter the result on Line 5.

Line 6 - Tax on Line 5

For each column, enter on Line 6 the amount of tax on the income shown on Line 5. Use the Tax Table on page 33 or the Tax Rate Schedules on page 42 to calculate the amount of tax.

Lines 7 and 8 - Deduction/ Credit Determination

To determine whether a property tax deduction or a property tax credit is more beneficial to you, subtract Line 6, Column A from Line 6, Column B and enter the result on Line 7. If Line 7 is \$50 or more, you will receive a greater benefit by taking the property tax deduction. If Line 7 is less than \$50, you will receive a greater benefit by taking the property tax credit. Follow the instructions on Schedule 1 for completing Lines 20, 21, 22, and 26, Form NJ-1040EZ.

Line 21 - New Jersey Taxable Income

Subtract Line 20 from Line 19. If zero or less, make no entry.

Line 22 - Tax on Amount on Line 21

Compute your tax by using one of the following methods.

Tax Table. If your New Jersey taxable income is less than \$100,000, you may use the New Jersey Tax Table on page 33 or the New Jersey Tax Rate Schedules on page 42 to find your tax. When using the tax table, be sure to use the correct column. After you have found your tax, enter the amount on Line 22.

Tax Rate Schedules. You must use the New Jersey Tax Rate Schedules on page 42 if your New Jersey taxable income is \$100,000 or more. Use the correct schedule for your filing status. After you have calculated your tax, enter the amount on Line 22.

Line 23 - Use Tax Due on Out-of-State Purchases

If you were a New Jersey resident and you purchased items or services that were subject to New Jersey sales tax, you are liable for the use tax at the rate of 6% of the purchase price if sales tax has not been paid. If sales tax has been collected out of State, use tax is only due if the tax was paid at a rate less than 6%, based on the difference.

For example:

- You purchased a computer over the Internet for \$1,500 from a seller located outside of New Jersey and no sales tax was collected. Your use tax liability to New Jersey on this item is \$90 (\$1,500 × .06 = \$90).
- On a trip to Vermont you purchased an antique desk for \$4,000 and paid Vermont sales tax at the rate of 5%. The difference, \$40 (1% of the purchase price), is due to New Jersey as use tax.

Individual taxpayers report and remit use tax by either completing and filing the Use Tax Return (Form ST-18) within 20 days after property is brought into New Jersey or by reporting any use tax due on Line 23 of their resident income tax return, Form NJ-1040EZ. See page 43 of this booklet for information on how to obtain Form ST-18 and other forms.

TAX TIPIf you owe use tax and are
remitting it with Form
NJ-1040EZ, compute the
amount of use tax due as follows:

Step 1

Items or services costing less than

\$1,000 each. If you know the amount of your purchases in this category, calculate the exact amount of use tax due by multiplying your total purchases by 6% (.06). **OR**, if you have incomplete or inaccurate receipts for your purchases, you may use the Estimated Use Tax Chart to estimate the amount of use tax due.

NOTE: Using the Estimated Use Tax Chart to determine the amount of use tax you report on Line 23 does not preclude the Division of Taxation from auditing your account. New Jersey does have access to records maintained by out-of-State businesses, and if additional tax is due, you may receive an assessment for the amount of use tax owed, plus applicable penalties and interest.

Step 2

Items or services costing \$1,000 or

more each. You must calculate the exact amount of use tax due on all purchases in this category.

Estimated Use Tax C (for Step 1 computation o	
If your New Jersey gross income is:	Use Tax

Step 3

Total use tax due. Add the amounts determined in Steps 1 and 2. Enter the result on Line 23, Form NJ-1040EZ.

If you do not owe use tax, you must enter "0" on Line 23.

Line 24 - Total Tax

Enter on Line 24 the total of Lines 22 and 23.

Line 25 - New Jersey Income Tax Withheld

Enter on Line 25 the total New Jersey income tax withheld, as shown on your W-2 statement(s). The W-2 must indicate the amount of New Jersey tax withheld and the "State" box must indicate that the tax withheld was New Jersey income tax. See sample W-2 on page 20. Enclose the state copy of each W-2.

Do not include on Line 25 amounts withheld as New Jersey unemployment insurance/health care subsidy fund/workforce development partnership fund contributions (shown on the W-2 as UI/HC/WD, if combined, or UI, HC, and WD if stated separately) or New Jersey disability insurance contributions (may be shown as DI). These are **not** New Jersey income tax withholdings and may not be used as credits on Line 25.

For 2004, the maximum employee contribution for UI/HC/WD was \$103.28 and the

maximum employee contribution for DI was \$121.50. You cannot use Form NJ-1040EZ if you had two or more employers and you wish to claim a credit for excess UI/HC/WD or DI contributions withheld.

All W-2 statements must reflect your correct social security number for the withholdings to be credited. If the social security number is missing or incorrect, you must obtain a corrected W-2 from your employer. Only your employer/ payer can issue or correct this form. If you have not received a W-2 form by February 15, 2005, or if the form you received is incorrect, contact your employer/payer immediately.

Line 26 - Property Tax Credit

If you satisfied the eligibility requirements (see page 23) and you did not claim a property tax deduction on Line 20, you qualify for a property tax credit.

Do not complete Line 26 if:

- You claimed a property tax deduction on Line 20; or
- Your gross income on Line 16, Form NJ-1040EZ is \$20,000 or less (\$10,000 if filing status is single).

Note: If you are 65 years of age or older or blind or disabled, and you are not required to file Form NJ-1040EZ because your gross income on Line 16 is \$20,000 or less (\$10,000 if filing status is single), and you satisfy the eligibility requirements, you qualify for a property tax credit in the amount of \$50. See "Seniors or Blind/Disabled Persons" on page 25 before completing Line 26.

Line 27 - New Jersey **Estimated Payments/Credit** From 2003 Return

Enter on Line 27 the total of:

- Estimated tax payments made for 2004
- Credit applied from your 2003 tax return*
- Amount, if any, paid to qualify for an extension of time to file

*This is the amount of overpayment that you chose to carry forward on Line 1 of the "Deductions From Overpayment" section of your 2003 NJ-1040EZ resident return (or Line 52 of your 2003 NJ-1040) as a credit towards your income tax liability for 2004. If you received a refund check for 2003, do not enter the amount of that refund check on Line 27.

Underpayment of Estimated Tax. Fill in the oval below Line 27 if you are enclosing Form NJ-2210. See "Estimated Tax" on page 17.

Payments Made Under Another Name or Social Security Number. If you changed your name because of marriage, divorce, etc., and you made estimated tax payments using your former name, en-

close a statement with your return explaining all the payments you and/or your spouse made for 2004 and the name(s) and social security number(s) under which you made payments.

If your spouse died during the year and any estimated payment(s) were made under the deceased spouse's social security number and other payments were made under your social security number, you must enclose a statement with your return listing the social security numbers and the amounts submitted under each social security number.

New Jersey Earned Income Tax Credit (Line 28)

The New Jersey earned income tax credit is a credit for certain taxpayers who work and have earned income. The credit reduces the amount of tax you owe and may also give you a refund, even if you have no tax liability to New Jersey. If you are eligible and file for a Federal earned income credit, you may also be eligible for a New Jersey earned income tax credit.

You must file a New Jersey resident income tax return to receive a New Jersey earned income tax credit, even if you are not required to file a return because your gross income is below the minimum income filing threshold.

- The filing status on both your Federal return and your New Jersey return is married, filing joint return, head of household, or qualifying widow(er); and
- Your New Jersey gross income on Line 16, Form NJ-1040EZ is \$20,000 or less; and
- You have at least one "qualifying child" for purposes of the Federal earned income credit.

NOTE: If your filing status is single, you may not claim a New Jersey earned income tax credit.

Line 28 - New Jersey Earned Income Tax Credit

If you satisfy the eligibility requirements above, complete the Earned Income Tax Credit Schedule on page 2 of Form NJ-1040EZ to calculate the amount of your New Jersey earned income tax credit.

The IRS will provide information regarding Federal earned income credit recipients to the Division of Taxation in October 2005. Gubernatorial Elections Fund

The Gubernatorial Elections Fund, financed by taxpayer designated \$1 contributions, provides partial public financing to qualified candidates for the office of Governor of New Jersey. With its contribution and expenditure limits, the Gubernatorial Public Financing Program has since 1977 assisted 56 candidates to conduct their campaigns free from the improper influence of excessive campaign contributions. Operation of the program has also permitted candidates of limited financial means to run for election to the State's highest office. As a condition of their receipt of public financing, candidates must agree to participate in two debates which provide the public with an opportunity to hear the views of each candidate. For more information on the Gubernatorial Public Financing Program, contact the New Jersey Election Law Enforcement Commission at 609-292-8700 or write to:

NJ ELECTION LAW ENFORCEMENT COMMISSION PO Box 185 Trenton NJ 08625-0185

Lists of contributors to gubernatorial candidates and copies of reports filed by gubernatorial candidates may be viewed on the Election Law Enforcement Commission Web site at: www.elec.state.nj.us.

Participation in the \$1 income tax checkoff protects the continuity and integrity of the Gubernatorial Elections Fund by providing that funds will be reserved for future gubernatorial elections thereby deterring the use of needed funding for other purposes. If you want to designate \$1 to go to help candidates for governor pay campaign expenses, fill in the "Yes" oval in the Gubernatorial Elections Fund section of the return. If you are filing a joint return, your spouse may also designate \$1 to this fund. Filling in the "Yes" oval will not in any way increase your tax liability or reduce your refund.

Signatures

Sign and date your return in blue or black ink. Both husband and wife must sign a joint return. The signature(s) on the form you file must be original; photocopied signatures are not acceptable. A return without the proper signatures cannot be processed and will be returned to you. This causes unnecessary processing delays and may result in penalties for late filing or a delay or denial of your FAIR rebate.

Division of Taxation personnel may not discuss your return or enclosures with anyone other than you without your written authorization. To authorize the Division of Taxation to discuss your return and enclosures with your "Paid Tax Preparer," fill in the oval below "Your Signature" line.

Don't Need Forms Mailed to You Next Year? Taxpayers who pay someone else to prepare their returns probably do not use the income tax return booklets mailed to them each year. If you do **not** need a booklet mailed to you next year, fill in the oval below "Spouse's Signature" line. Telling us that you do not need a booklet next year will help us reduce printing and mailing costs.

A tax preparer who fails to sign the return or provide a tax identification number may incur a \$25 penalty for each omission. Someone who prepares your return but does not charge you should not sign your return.

TAXPAYERS' BILL OF RIGHTS

The New Jersey Taxpayers' Bill of Rights simplifies tax administration and ensures that all taxpayers—individuals and businesses alike—are better informed and receive fair and equitable treatment during the tax collection process. Highlights of the Taxpayers' Bill of Rights include: **Service**—

• Division must respond to taxpayers' questions within a reasonable time period.

• Notices of taxes and penalties due must clearly identify the purpose of the notice and must contain information about appeal procedures. Appeals—

• Time to appeal to the Tax Court is generally 90 days.

Interest on Refunds-

- Interest is paid at the prime rate on refunds for all taxes when the Division takes more than six months to send you a refund.
- You may request that your overpayment of this year's tax be credited towards next year's tax liability, however, interest will not be paid on overpayments that are credited forward.

For more information on the rights and obligations of both taxpayers and the Division of Taxation under the Taxpayers' Bill of Rights, request our publication ANJ-1, New Jersey Taxpayers' Bill of Rights.
