Dear Friend,

D

Have you received that oft dreaded phone call yet? You know the one I am talking about...

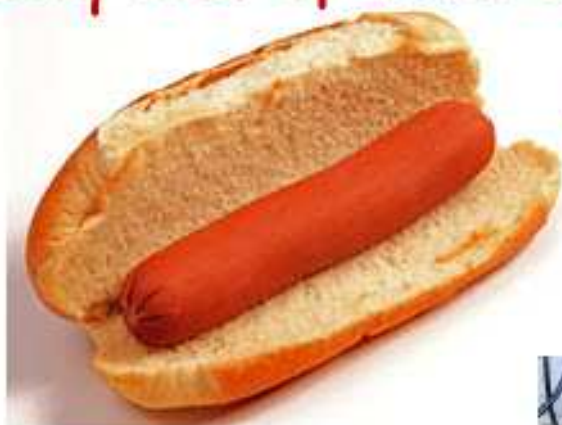

Your Mother: "I've been holding these (Christmas Party, Easter Dinner, Thanksgiving Gathering, etc.) holiday dinner parties for the past 30 years. Well, now it's YOUR turn!"

Your Boss: "Our number one client will be in town next week. Let's entertain him with a dinner party at your house. And let's make it good!"

Your new Boyfriend: "How about a nice romantic dinner for two at your house this weekend hon?"

Your Husband: "Honey, I know it's late notice, but I invited some guys from the office to dinner tonight and wondered if you could whip a little something up for us?"

When called upon to throw a party, do you usually end up with something like this???

or....

Are you able to quickly put together a fabulous party that goes like this?

Whether you are forced to put together a party under pressure or you have just recently decided you'd like to entertain some family and friends...

Throwing a dinner party can be a stressful and hectic experience... **until now that is...**

You see... help is but a few mouse clicks away. Now you'll discover how **incredibly easy** it is to host THE perfect dinner party.

Now, don't be fooled by all of the misinformation on the internet about dinner parties. Most of the information you'll find out there on a free site typically leave out crucial steps that can lead to an embarrassing evening!

But not with my ebook - Dinner Parties Made Simple!

With these simple step-by-step instructions you could soon enjoy:

- A dinner party your friends will rave about for weeks!
"Only my closest friend knew this was my first dinner party."

Making a GREAT impression on that special someone:

"I could see by the look on her face that she was VERY pleasantly surprised."

Spending quality time with your family. Have Thanksgiving dinner at your house this year!

"This was a great way to thank my mother for all her parties."

Incredible success your very first party!

"Following the steps in this book made my first party a snap!"

So how can **you** do this?

Anyone who's hosted a dinner party will tell you the same thing... the difference between the perfect dinner party and a disaster is having the right plan in place...

And now, you'll discover the most valuable resource online for planning and hosting **the perfect party every single time!**

Dinner Parties Made Simple!

Professional Chef Daniel Ottman says, "This is an invaluable resource..."

Great job on this book Suzanne! This is an invaluable resource for a beginner on up to a semi seasoned host.

Particularly comforting was the confidence building you provide throughout. Professional Chef

From the appetizer to dessert finale I found the helpful hints and all topics requiring full detail very well structured. And that is something I find ultimately necessary when creating and successfully hosting dinner parties of any kind.

Many challenging questions arise before, during and when closing a dinner party. You have answered and reduced them all to layman's terms which is critical for the beginner!

I will recommend this book to anyone that wants to become a better dinner party host and private chef.

Best of luck,

Daniel Ottman

Expert Tip: Should You Use Candles At Dinner?

Question: Dear Suzanne, will candles enhance the mood of my formal dinner party?

Answer: If you insist on candles, don't use scented ones. It usually interferes with your meals' aroma, and at times, they can actually have an unappetizing effect.

****This is just a small fraction of the kind of information you'll find in my brand new Dinner Parties Made Simple.****

Author Ron Douglas says, "Now anyone can experience the joy of entertaining..."

Suzanne, you've done a terrific job in your ebook. Now anyone can experience the joy of entertaining in their own home, or whatever they like.

As an author of several books of my own, I have found yours to be easy to read, includes handy planning tools, and much more... you have certainly provided great value here.

After all these years playing host, I thought I knew everything about hosting a proper dinner party. I'm almost embarrassed at how much I've learned from your guide. I wouldn't advise anyone to plan a dinner party without reading Suzanne's guide first

I know everyone will enjoy your book and will get a lot out of it.
