Offers will be evaluated in the following order of precedence: 1. Bids. 2. Proposals.

NOTICE OF PARTIAL SMALL BUSINESS SET-ASIDE

If specified in the solicitation, certain quantities are set aside exclusively for small business firms under the Small Business Act (15 U.S.C. 631, et seq.).

Bids received for these set-aside quantities from firms who are not small business concerns will not be considered. In the event the Government is unsuccessful in contracting with an eligible small business concern(s) for the set-aside quantities, the Government may award the quantities to other than small business concerns.

NOTICE OF 8(a) ACQUISITION

If specified in the solicitation, the Government may reserve up to ten (10) percent of the solicitation quantity for 8(a) firms certified by the Small Business Administration in accordance with the Federal Acquisition Regulation (FAR), Part 19. The Government may increase the reserve to adjust quantities in the event of multiple awards to eligible 8(a) firms. In no event shall the Government offer for award a quantity in excess of an eligible 8(a) firm maximum quantity, if so established by the Government. If the 8(a) small business firm is a nonmanufacturer, it shall meet the definition and requirements outlined in FAR Part 19. In the event the Government is unsuccessful in contracting with an eligible 8(a) firm for the reserved quantity, the Government may award the quantities to other than 8(a) firms.

HUBZONE PRICE EVALUATION PREFERENCE

The Government will award contracts to eligible HUBZone bidders as provided in Part 2, Section A.4 of the Master Solicitation for Commodity Procurements at:
http://www.fsa.usda.gov/Internet/FSA_File/master_solicitation.pdf
 If the bidder elects to waive the preference, it shall so indicate in its bid.

NOTICE OF SERVICE-DISABLED VETERAN-OWNED SMALL BUSINESS ACQUISITION

If specified in the solicitation, the Government may reserve up to three (3) percent of the solicitation quantity for Service-Disabled Veteran-Owned (SDVO) Small Business concerns as specified in FAR Clause 52.219.27. In the event the Government is unsuccessful in contracting with an eligible SDVO concern for the reserve quantity, the Government may award the quantities to other than SDVO concerns. If the SDVO concern is a nonmanufacturer, it shall meet the definition and requirements outlined in FAR Part 19.

4. NAICS Codes/Size Standards: See Master Solicitation for Commodity Procurements at:

Description: **AG-DWFD-S-11-0155**
 Bid invitation number: **2000000162**

item quantity requested will not be accepted. WBSCM is available online at: <https://portal.wbscm.usda.gov>.

An offer/quote requires timely submission of all plant responses AND a vendor response.

Plant response consists of:

1) PRICE for applicable items shown herein on the schedule of supplies in the Bid invitation item details section, see below and

2) CERTIFICATION ANSWERS in the ATTRIBUTES section

Important: Submission of the plant response just saves the data entered # the vendor response must also be submitted.

Vendor response consists of:

1) Marking that NO CONSTRAINTS apply if vendor can supply the cumulative item quantity offered OR entering quantity CONSTRAINTS to limit the offer to a quantity to less than the cumulative item quantity offered, and

2) Plant responses # submission of vendor response before the Offer Due Date and Time also physically submits all previously submitted/saved plant responses. Failure to timely submit the vendor response will result in no offer for the applicable solicitation.

It is imperative that the offeror verify the accuracy of their offer/quote. The offer/quote may be printed from the WBSCM portal path Supplier>Bid Management>Vendor Response Log.

B. Bid invitation Item details section:

Hierarchy of Item Numbers (Item) is indicated by progressive indentation:

-Level 1 Material Group,

-Level 2 Material type and pack size,

-Level 3 Destination single or multiple stops,

-Level 4 Details; Material type and pack size, date range product required by, postal zip code, quantity, and unit of measure. Railroad information is not available unless shown. Item Offered price is entered at level 4 only. Items will be awarded in increments of truckload sizes.

Information

Description: **AG-DWFD-S-11-0155**
 Bid invitation number: **2000000162**

E. Plant Location Requirement.

Offers shall accurately represent the plant location(s). Plant location is defined as the place where an end product is assembled from components, packaged, or otherwise made or processed from raw materials into the finished product that is to be provided to the Government. Upon acceptance of an offer, the combination of plant location and item becomes a contract term.

Offerors are directed to submit offers from only plant locations. Offers for locations representing non-plant locations, such as, company headquarters or Shippers Option may be deemed non-responsive.

Prospective contractors need to verify, early in the offering period that the appropriate plant locations for the company are shown in the WBSCM Offer Form Page dropdown box. Plant locations that are not included on the list cannot have an offer submitted in association with that plant. Therefore, any plant locations not included on the list, from which offeror intends to use in performance of the contract, should be added.

Plant location and the Place of Performance in ORCA provisions, 52.214-14 and 52.215-6 shall match. ORCA (Online Representations and Certifications Application) is available online at <http://www.bpn.gov/>.

F. Supplier Agreement Requirement.

If the offer is for product the offeror will not itself manufacture, offeror shall, by the offer due date/local time, submit the corresponding supplier agreement to, Attention: Contracting Officer at the solicitation information contact address shown in this solicitation. The supplier agreement shall be in effect between the offeror and the product manufacturer for the period of contract performance, certify compliance with the applicable KCCO solicitation requirements, contain the DUNS number for the product manufacturer be on the product manufacturer's company letterhead, and be signed by both parties.

A prospective contractor may be required to provide written evidence of a proposed responsibility of the subcontractor. The Contracting Officer may directly determine a prospective responsibility of the subcontractor.

G. Business Size/Type Designation for Subcontracting.

Applicable if this solicitation contains a partial small business set-aside.

An offer from a small business to supply manufactured products of small and large businesses shall be divided and submitted separately using separate WBSCM logon IDs.

7. Submit Invoices to:

For purchase orders (awards) issued through WBSCM, the contractor shall use the invoicing function in WBSCM. More information can be found in the MSCP, document attached.

8. Shipment/Delivery Schedule:

July 1, 2011 - September 30, 2011

See Schedule of Supplies for period of performance. A Purchase Order will be available at least seven (7) calendar days prior to the first day of each period of performance scheduled in the contract. Contractor shall comply with the instructions in the Purchase Order. If a Purchase Order is available less than seven (7) calendar days prior to the first day of the contracted period of performance, the performance period shall be extended by the

Description: **AG-DWFD-S-11-0155**
 Bid invitation number: **2000000162**

number of days the Purchase Order is available. Contractor shall not be entitled to any extension of the performance period unless it furnishes evidence satisfactory to the Government that it was prepared to perform during the contracted period of performance.

9. Other Requirements:

A. Bidders shall meet the Qualification Requirements for Prospective Contractors Selling Commodities to USDA provision at Part 2, Section A.1(b) in the Master Solicitation for Commodity Procurements (MSCP).

B. Seals on Transportation Conveyances

Suppliers of commodities, products and/or services shall be responsible for placing a seal(s) on all cargo doors of each transportation conveyance upon completion of loading, partial unloading, inspection, or servicing. The seal must be a numbered, barrier-type, high security bolt, cable or equivalent device which can only be removed with bolt cutter type tools. The contractor or its agent shall provide a sufficient number of barrier-type seals to ensure clear security of the lading while in route through final destination.

The seal numbers shall be documented on the Bill of Lading, which must be signed or acknowledged by the carrier of its agent. Deliveries may be refused if the seal is broken or missing, or if the seal number(s) does not match the seal number(s) recorded on the conveyance's Bill of Lading.

C. Contractor Past Performance Evaluation applicable for contracts exceeding the simplified acquisition threshold of \$150,000.

The Government will prepare a past performance evaluation at the time the work under the contract or delivery order is completed. Evaluation will rate performance areas such as, quality of product or service, cost control, timeliness of performance, business relations, and when applicable, performance against, and efforts to achieve the goals identified in the small business subcontracting plan. The evaluation will be entered into the Contractor Performance Assessment Reporting System (CPARS). Contractor will have an opportunity to comment on the Government evaluation. Details on access and use of CPARS will be provided to the Contractor at a future date. The past performance evaluation may be used by the Government to support future award decisions.

D. Advance Shipping Notice, ASN: The Contractor shall provide an ASN to the Goods Recipient identified on the Purchase Order Item on the day of shipment for each conveyance. Contractors may upload multiple ASNs to the WBSCM system using an Excel template in a comma separated CSV format. Contractor must submit one invoice for each ASN. Each ASN must have a unique Bill of Lading number.

10. FAR and Agriculture Acquisition Regulation (AGAR) Provisions and Clauses:

In the event of a conflict between WBSCM and Federal Acquisition Regulation (FAR) terminology, FAR terminology shall take precedence.

A. This solicitation shall be subject to the terms and conditions of KCCO's Master Solicitation for Commodity Procurements (MSCP) in effect as of the date of this solicitation. See attached MSCP. The FAR and AGAR provisions and clauses applicable to this solicitation are contained in the MSCP.

B. // Applicable if checked. FAR Clause 52.232-18, Availability of Funds (Apr 1984). Funds are not presently available for this contract. The Government obligation under this contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise until funds are made available to the contracting officer for this contract and until the contractor receives notice of such availability, to be confirmed in writing by the contracting officer.

11. WBSCM Information

A. Prerequisites for creating and submitting a domestic bid response (offer/quote):

-Vendor qualifications (IFB Only):

<http://www.fsa.usda.gov/FSA/webapp?area=home&subject=coop&topic=pas-vr>

-Computer minimum requirements and settings:

http://www.fsa.usda.gov/Internet/FSA_File/wbscm_requirements_settings.pdf

-WBSCM Vendor Registration # many contractors# registration data has been copied from the legacy system to Web-Based Supply Chain Management (WBSCM). If you are unsure if your company is properly registered, contact the WBSCM help desk. If your company is not registered in WBSCM, fill out and submit the vendor registration form at the following URL:

http://www.fsa.usda.gov/Internet/FSA_File/wbscm_vendor_registration_form.pdf Vendors will be notified via email when vendor registration is complete.

- WBSCM Corporate Administrator Registration - Vendors shall authorize a corporate administrator by submitting a signed copy of the SCM2 form. A person with proper legal authority for the company shall authorize individuals who will serve as:

- 1) Primary Corporate Administrator
- 2) Secondary Corporate Administrator

The corporate administrator(s) shall follow the all instructions in the WBSCM-generated email.

-The corporate administrator will be responsible to

- 1) Register plants
- 2) Create users - with appropriate roles e.g. Commodity Offer
- 3) Assign Users to a plant

For directions on this process see instructions provided at:

<http://www.fsa.usda.gov/FSA/webapp?area=home&subject=coop&topic=wbs>.

B. E-Authentication Password Reset and Help Desk Information

Once WBSCM registration has been accomplished, the only password used for WBSCM is the e-Authentication password. The user can reset this if they remember their own question hints. Otherwise they need to contact the e-Authentication Help Desk by phone at 1-800-457-3642 or by email at eAuthHelpDesk@ftc.usda.gov.

C. User Registration Tips

SOLICITATION

Domestic Commodity Invitation

Information

Description: **AG-DWFD-S-11-0155**
 Bid invitation number: **2000000162**

A new user can only be created by the Corporate Administrator.

1. When creating a new user, the Last Name, First Name and email address must be the same in WBSCM and e-Authentication.

2. When adding a new user in WBSCM, the #Save# button should be selected after the roles have been added to the new user. If the #Save# button is selected prior to selecting the roles, the User Administrator can select that new user from the top and select the #Modify# button to add the roles to the new user.

3. A User Administrator can re-send the WBSCM registration email by selecting the user on the Manage Users screen, going to the last tab (Admin Data tab), and selecting the Re-send Registration Email button.

The most common issues with registration are:

- a. New user selects the wrong link in the WBSCM registration email.
- b. New user does not select the #Accept# radio button within the notification from e-Authentication. This must be done within 7 days of the creation of the e-Authentication account.
- c. User enters a different last name/first name/email address in e-Authentication than what is in WBSCM.

D. Bid response training:

- Work instruction.

The following URL links to a work instruction which shows the procedure that a vendor may use to create and submit a WBSCM domesticbid response (offer/quote):

http://www.fsa.usda.gov/Internet/FSA_File/wbscm_domestic_bid.pdf

- Available e-learning course.

The following e-learning course covers creating and submitting a domestic bid response (offer/quote):
