703.1.6.5

donors, supporters, or beneficiaries of that organization; and the coverage provided by the policy is not generally otherwise commercially available as explained in [1.6.5](#).

- c. Any travel arrangement, unless the organization promoting the arrangement is authorized to mail at the Nonprofit Standard Mail prices at the entry Post Office; the travel contributes substantially (aside from the cultivation of members, donors, or supporters, or the acquisition of income or funds) to one or more of the purposes that constitute the basis for the organization's authorization to mail at the Nonprofit Standard Mail prices; and the arrangement is designed for and primarily promoted to the members, donors, supporters, or beneficiaries of that organization.
- d. Any other product or service unless one of these exceptions is met:
 - 1. The sale of the product or the provision of such service is substantially related to the exercise or performance by the organization of one or more of the purposes used by the organization to qualify for mailing at the Nonprofit Standard Mail prices. The criteria in IRS regulations at 26 C.F.R. section 1.513-1(d), supplemented by the definitions in [1.6.6](#), are used to determine whether an advertisement, promotion, or offer for a product or service is for a substantially related product or service and, therefore, eligible for Nonprofit Standard Mail prices.
 - 2. The product or service is advertised in Standard Mail material meeting the prescribed content requirements for a periodical publication. The criteria in [1.6.8](#) are used to determine whether the Standard Mail material meets the content requirements for a periodical publication.

1.6.5 Definitions, Insurance

For the standard in [1.6.4b](#):

- a. Except as specified in [1.6.5c](#), the phrase *not generally otherwise commercially available* applies to the actual coverage stated in an insurance policy, without regard to the amount of the premiums, the underwriting practices, and the financial condition of the insurer. When comparisons are made with other policies, consideration is given to coverage benefits, limitations, and exclusions, and to the availability of coverage to the targeted recipients. When insurance policy coverages are compared to determine whether coverage in a policy offered by an organization is not generally otherwise commercially available, the comparison is based on the specific characteristics of the mailpiece recipients (e.g., geographic location or demographics).
- b. Except as specified in [1.6.5c](#), the types of insurance considered generally otherwise commercially available include, but are not limited to, homeowner's, property, casualty, marine, professional liability (including malpractice), travel, health, life, airplane, automobile, truck, motorhome, motorbike, motorcycle, boat, accidental death, accidental dismemberment, Medicare supplement (Medigap), catastrophic care, nursing home, and hospital indemnity insurance.
- c. Coverage is considered not generally otherwise commercially available if either of the following conditions applies:

1. The coverage is provided by the nonprofit organization itself (i.e., the nonprofit organization is the insurer).
2. The coverage is provided or promoted by the nonprofit organization in a mailing to its members, donors, supporters, or beneficiaries in such a way that the members, donors, supporters, or beneficiaries may make tax-deductible donations to the nonprofit organization of their proportional shares of any income in excess of costs that the nonprofit organization receives from the purchase of the coverage by its members, donors, supporters, or beneficiaries.

1.6.6 Definitions, Substantially Related Advertising Products

For the standards in [1.6.4d](#):

- a. Standards established by the Internal Revenue Service (IRS) and the courts with respect to 26 USC 513(a) and (c) of the Internal Revenue Code are used to determine whether the sale or provision of an advertised product or service, whether sold or offered by the organization or by another party, is substantially related to the qualifying purposes of an organization. (Advertisements in Standard Mail material that meet the content requirements for a periodical publication need not meet the substantially related standard to be mailable at the Nonprofit Standard Mail prices. See [1.6.8](#).)
- b. To be substantially related, the sale of the product or the provision of the service must contribute importantly to the accomplishment of one or more of the qualifying purposes of the organization. This means that the sale of the product or providing of the service must be directly related to accomplishing one or more of the purposes on which the organization's authorization to mail at the Nonprofit Standard Mail prices is based. The sale of the product or providing of the service must have a causal relationship to the achievement of the exempt purposes (other than the production of income) of the authorized organization. (Income produced from selling an advertised product or providing a service does not make such action a substantially related activity, even if the income will be used to accomplish the purpose or purposes of the authorized organization.) See 26 C.F.R. section 1.513-1(d).
 1. If an organization pays Unrelated Business Income Tax (UBIT) on the income from the sale of a product or the provision of a service, that activity is by IRS definition not substantially related. See 26 U.S.C. section 512. The fact that an organization does not pay such tax, however, does not establish that the activity is substantially related because other criteria may exempt the organization from payment. See 26 C.F.R. section 1.513-1(e).
 2. Third-party paid advertisements may be included in material mailed at the Nonprofit Standard Mail prices if the products or services advertised are substantially related to one or more of the purposes for which the organization is authorized to mail at the Nonprofit Standard Mail prices. However, if the material contains one or more advertisements that are not substantially related, then the material is not eligible for the Nonprofit Standard Mail prices unless it is part of material that meets the content requirements described in [1.6.8](#) and is not disqualified from using the Nonprofit Standard Mail prices under another provision.

703.1.6.7

- c. Announcements of activities (e.g., bake sale, car wash, charity auction, oratorical contest) are considered substantially related if substantially all the work is conducted by the members or supporters of an authorized organization without compensation. See 26 U.S.C. section 513(a)(1); 26 C.F.R. section 1.513-1(e)(1).
- d. Advertisements for products and services, including products and services offered as prizes or premiums, are considered substantially related if the products and services are received by an authorized organization as gifts or contributions. See 26 U.S.C. section 513(a)(3); 26 C.F.R. section 1.513-1(e)(3).
- e. An advertisement, promotion, offer, or subscription order form for a periodical publication meeting the eligibility criteria in [707.4.0](#) and published by one of the types of nonprofit organizations listed in [1.2](#) is mailable at the Nonprofit Standard Mail prices.
- f. Unless the mailing is ineligible for the Nonprofit Standard Mail prices for other reasons, mailings will be accepted at the Nonprofit Standard Mail prices upon certification that income derived from the sale of products or services advertised in the mailing is not subject to the Unrelated Business Income Tax (UBIT) described at 26 U.S.C. section 512, and that each of the products or services is substantially related to the nonprofit organization's qualifying purpose.

1.6.7 Other Matter

An authorized nonprofit organization's material is not disqualified from being mailed at the Nonprofit Standard Mail prices solely because that material contains, but is not primarily devoted to:

- a. Acknowledgments of organizations or individuals who have made donations to the authorized organization.
- b. References to and a response card or other instructions for making inquiries about services or benefits available from membership in the authorized organization, if advertising, promotional, or application materials for such services or benefits are not included. For purposes of this section, descriptions of membership benefits available as a part of membership, including the use of adjectives, terms, conditions, and brand names, are permissible when they are a minor part of a solicitation or renewal request for membership payments. For purposes of this provision, "minor" is defined as "less than half." Measurement is made in accordance with [707.17.4.5](#). The solicitation or renewal request in which, to a minor degree, membership benefits may be promoted is considered to include only a printed letter to prospective members or current members whose membership is about to expire, and not to any separate, distinct, or independent brochure, circular, flyer, or other documents. Such separate documents will be considered advertising if they contain any advertising, promotional, or application materials. *Exception:* A separate document prepared by the qualifying organization, consisting of one sheet, will be considered to be part of the solicitation letter if it describes the organization's membership benefits and the solicitation letter does not describe the organization's benefits but instead refers the reader to the separate document.

1.6.8 Periodical Publication Content Requirements

Advertisements for products and services in material that meets the content requirements for a periodical publication are mailable at the Nonprofit Standard Mail prices. The material mailed must meet these standards:

- a. Have a title. The title must be printed on the front cover page in a style and size of type that make it distinguishable from other information on the front cover page.
- b. Be formed of printed sheets. (It may not be reproduced by stencil, mimeograph, or hectograph. Reproduction by any other process is permitted.) Any style of type may be used.
- c. Contain an identification statement on one of the first five pages of the publication that includes these elements:
 1. Title.
 2. Issue date. The date may be omitted if it is on the front cover or cover page.
 3. Statement of frequency showing when issues are to be published (daily; weekly; monthly; monthly except June; four times a year in June, August, September, and December; annually; irregularly, etc.).
 4. Name and address of the authorized organization, including street number, street name, and ZIP+4 or 5-digit ZIP Code. The street number and street name are optional if there is no letter carrier service.
 5. Issue number. Every issue of each publication is numbered consecutively in a series that may not be broken by assigning numbers to issues omitted. The issue number may be printed on the front or cover page instead of in the identification statement.
 6. International Standard Serial Number (ISSN), if applicable.
 7. Subscription price, if applicable.
- d. Consist of at least 25% nonadvertising matter in each issue. Advertising is defined in [707.4.13](#).

1.6.9 Contribution and Membership Premiums

Announcements for premiums received as a result of a contribution or payment of membership dues are not considered advertisements if the membership dues or requested contribution is more than 4 times the cost of the premium item(s) offered and more than 2 times the represented value in the mailpiece, if any, of the premium item(s) offered.

1.6.10 Political Mailings

A qualifying political committee under [1.3](#) may mail election-related materials, such as candidate endorsements, at the Nonprofit Standard Mail prices if the materials are exclusively of the qualifying political committee. Political mailings may not be made at the Nonprofit Standard Mail prices when a political candidate or anyone else not authorized to mail at the Nonprofit Standard Mail prices assists the qualifying political committee with the preparation or mailing of such materials, or pays any of the costs of preparation or mailing, or provides any consideration to the

703.1.6.11

- a. Low-cost items within the meaning of 26 USC 513(h)(2), Internal Revenue Code. At the beginning of each calendar year, the value of low-cost items is adjusted for cost of living. Effective January 1, 2011, the cost of such items cannot exceed \$9.70. This cost is the cost to the authorized organization that mails the items or on whose behalf the items are mailed.
- b. Items donated or contributed to the qualified organization. Such items do not have to meet the definition of a low-cost item.
- c. A periodical publication (as defined in [707.4.0](#)) of a nonprofit organization unless it is ineligible under [1.6](#) to be mailed at the Nonprofit Standard Mail prices.

On request, an organization authorized to mail at the Nonprofit Standard Mail prices must provide evidence to the USPS, or cause evidence held by another party to be provided to the USPS, about the eligibility of any of its mail matter or mailings to be sent at those prices. Any failure to provide evidence needed for a ruling on the eligibility of matter to be sent at the Nonprofit Standard Mail prices, or to cause such evidence to be provided, is sufficient basis for a finding that the matter is not eligible for the Nonprofit Standard Mail prices, as well as for the revocation of the organization's authorization to mail at the Nonprofit Standard Mail prices.

Such exemption is considered as evidence of qualification for preferred postal prices, but is not the controlling factor in the decision. 1.8.4 Permits and Authorizations

1.10.3 Appealing a Denial

If the application on Form 3624 or Form 3623 is denied, the applicant may submit a written appeal to the postmaster where the application was filed within 15 days of the applicant's receipt of the decision. 7.0 Official Mail (Penalty)

7.1 Definitions

The term *penalty mail* refers to official mail, sent by U.S. government agencies, relating solely to the business of the U.S. government, that is authorized by law to be carried in the mail without prepayment of postage. For this standard, *agencies* are departments, agencies, corporations, establishments, commissions, committees, and all officers and authorities of the U.S. government authorized to use penalty mail.

7.2 Postage And Fees

7.2.1 Reimbursement

Agencies must reimburse the USPS the equivalent amount of postage and fees due for the penalty mail service they receive, following instructions from the USPS. The USPS requires agencies to use penalty postage meters (postage evidencing systems) or other forms of direct accountability for penalty mail services to ensure proper reimbursement through the Official Mail Accounting System (OMAS).

7.2.2 Prepayment

An agency may also prepay postage by any method available to private-sector mailers. This prepaid mail is not considered penalty mail.

7.3 Eligibility

7.3.1 Matter Sent as Penalty Mail

Only matter relating solely to the business of the U.S. government may be sent without prepayment of postage as penalty mail when mailed by officers of the executive and judicial branches of the government, the Legislative Counsel for the House of Representatives and the Senate, the Superintendent of Documents, and the Joint Committee on Printing when it mails correspondence on the Congressional Directory. Generally, the USPS holds that the agency determines which matter relates solely to its own business. Cases of questionable use must be referred to the agency.

7.3.2 USDA

Special conditions that apply to the U.S. Department of Agriculture (USDA) include:

- a. All correspondence, bulletins, and reports about agriculture extension work and home economics carried on in cooperation with the USDA may be sent as penalty mail when mailed by the college officer or other person connected with the extension department of the college and designated by the Secretary of Agriculture. Correspondence with an autograph signature may be sealed. All other matter must be unsealed.
- b. All correspondence, bulletins, and other matter promoting cooperative extension work as a federal enterprise or relating exclusively to the business of the U.S. government may be sent as penalty mail by cooperative extension agents of the USDA Extension Service when part of their official duties. If cooperative extension employees mail correspondence, authorized USDA agents must sign it and give their official titles to show that they are authorized to use penalty mail.
- c. Annual reports of government-aided colleges (under 7 USC 325) may be sent as penalty mail when addressed to the Secretary of Education, the Secretary of Agriculture, or to any other such government-aided college.

Unless permitted by USPS standards, an agency may not lend or provide penalty envelopes, cards, cartons, labels, meter stamps, or penalty mail stamps to any private person, concern, or organization. The use of these items for matter not relating exclusively to the business of the U.S. government is prohibited.

- d. Discounted mailings are subject to the same USPS procedures for verifying mail preparation as private-sector mailings. If the agency cannot be reached about a disqualified discounted mailing, the single-piece price is charged and the mailing is accepted.

The formats and methods of mailing penalty mail are penalty metered mail, penalty permit imprint mail, penalty mail stamps, penalty Periodicals imprint mail, and penalty reply mail. 7.7.1 Description

Any agency may use postage meters (postage evidencing systems) with a special penalty design, following the procedures in [604.4.0](#) as modified in [7.7.2](#) through [7.7.11](#).

7.7.2 License

The agency must include its 3-digit agency code on each application for a meter license submitted under [604.4.0](#) and may assign one cost code to each license. A meter may be licensed for use at only one licensing Post Office. The agency must have a license and assigned meter(s) for each Post Office where it will deposit mail. The agency may have any number of meters under a single license. All transactions for each meter on a single license are charged to the agency code on the license application.

7.7.3 Meter Indicia Format

Except under [604.4.0](#), *Postage Meters and PC Postage Products ("Postage Evidencing Systems")*, envelopes used with a penalty postage meter must not contain facing identification marks (FIMs) or printing other than the meter indicia in the area where the meter stamps are applied.

An agency wanting on-site meter service must pay the required fee in cash or with a check when the service is rendered.

7.7.8 Replacement Meter

If a meter is replaced, the remaining postage is transferred from the original meter to the replacement meter. The postage may not be transferred to a penalty meter operating under a different license number. Cash refunds are not issued to agencies for penalty mail postage meters checked out of service.

7.7.9 Insufficient Postage

Penalty metered mail with insufficient postage imprinted, and envelopes and labels designed for penalty meter use found in the mail without a penalty meter stamp, are treated as postage due under [604.6.0](#), [604.8.0](#), and [604.10.0](#).

7.7.10 Computerized Meter Resetting

An agency may use a penalty mail version of the authorized postage meter payment process for remotely reset meters if it is offered by the postage meter provider and approved by the USPS. The agency must follow the procedures in [604.4.0](#), except the agency is not required to prepay for metered postage.

7.7.11 Disaster Field Office Meters

Authorized federal government agencies also may use a special penalty version of the authorized postage meter payment process for remotely reset meters for meters known as Disaster Field Office (DFO) meters. These meters are *only* for temporary use in federal government-declared disaster areas and must be replaced by regular penalty meters within 30 days, except for those used by designated agency staff specialists not in a fixed location (e.g., mobile vehicle or temporary office), who may use them through the duration of the emergency operation declaration. Written requests for authorization to use DFO meters must be submitted to the Post Office Accounting manager (see [608.8.0](#)) and include the name, office address, and telephone number of an agency headquarters manager responsible for tracking and maintaining these meters, including complying with the necessary examination requirements. License applications for DFO meters are handled by the meter providers, who set up the licenses through the Washington, DC, licensing Post Office under normal meter licensing procedures.

7.8 Penalty Permit Imprint

7.8.1 Application

An agency may apply to use penalty permit imprint procedures by completing Form 3615. The agency submits it to the Post Office where the mailings are to be deposited. The agency must show the complete name of the agency and, if applicable, the name of the component unit in the “Name of Applicant” section of the form. When the agency receives authorization to use a penalty permit imprint number not shown in the most recent listing in the *Postal Bulletin*, a copy of the authorizing letter from the Post Office Accounting manager, USPS Headquarters, must be submitted with Form 3615 to the Post Office where mailings are to be made. These procedures also apply when an agency uses a contractor to mail penalty permit imprint matter, unless the agency provides the contractor with the completed Form 3615 to submit to the entry Post Office. Fees are reimbursed under [7.2](#) and are not paid to the local Post Office. The USPS is not required to complete Form 3615 to activate its own permit imprint number (G-10) at Post Offices.

7.8.2 Indicia Format

The penalty permit imprint indicia must be in a rectangular box in the upper right corner of the mailpiece. The indicia must include the words “Postage and Fees Paid,” the agency name, and the agency’s assigned penalty permit imprint number or other penalty permit imprint number authorized by the Post Office Accounting manager, USPS Headquarters, preceded by the letter “G.” In addition, the class of mail or appropriate price endorsement must be the first item within the indicia or

7.8.3 Return Address

The complete return address (agency name and mailing address) must be in the upper left corner. The preprinted words “Official Business” and “Penalty for Private Use \$300.00” must be directly below the return address. The penalty statement must not be handwritten or typewritten.

When a postage statement is submitted by a Government Printing Office (GPO) contractor, the serial number of the accompanying GPO Form 712 must be shown in the upper right corner.

7.8.5 GPO Contractor

As an exception to the general standard in [7.8.5](#), an agency mailing submitted by a GPO contractor may contain nonidentical-weight pieces or more than one class of mail, if:

- a. The pieces are for mailing only at single-piece prices.
- b. All other applicable standards for use of permit imprints are met, including those on minimum quantity and class of mail endorsements.
- c. A completed Form 3602-G is submitted to the entry Post Office for each mailing, in duplicate if the contractor wants a copy.
- d. The mailing is separated by the class and weight categories on Form 3602-G when presented to the Post Office. Postage is computed on the average weight of a piece for each category of mailing reported.
- e. GPO Form 712 is submitted with the mailing and the proper USPS postage statement.

7.9 Penalty Postage Stamps and Stationery

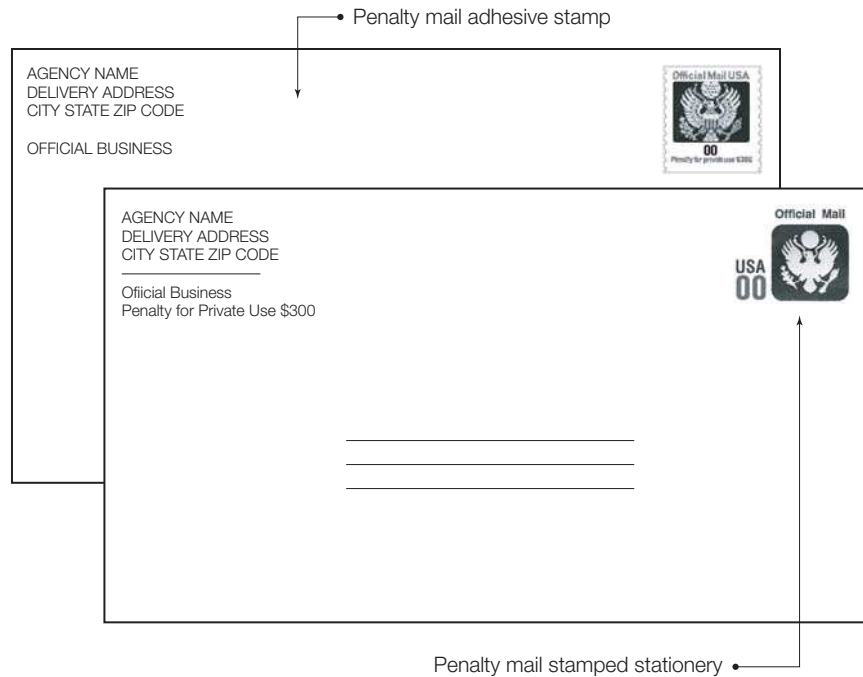

7.9.1 Use

Penalty mail stamps may be used by any authorized federal agency to facilitate postage accountability. Enough penalty mail stamps to cover the correct single-piece price postage, including applicable surcharges or extra service fees, must be affixed to each mailpiece. Pieces with insufficient penalty mail stamps affixed, and envelopes and labels designed for penalty mail stamps found in the mail without a penalty mail stamp, are handled under [604.6.0](#), [604.8.0](#), and [604.10.0](#).

Penalty mail stamped stationery (plain stamped envelopes, personalized envelopes, and stamped cards) and penalty mail adhesive stamps (see [Exhibit 7.9.2](#)) are available in various denominations.

Exhibit 7.9.2 Penalty Mail Postage Format

7.9.3 Application

7.9.4 Placement

Penalty mail adhesive stamps must be affixed in the upper right corner of the address side of the mailpiece.

7.9.5 Return Address

The complete return address of the agency (agency name and mailing address) must be in the upper left corner of the address side of the mailpiece. The preprinted words "Official Business" must be immediately below the return address. On penalty stamped stationery, "Penalty for Private Use \$300.00" must be placed below "Official Business."

7.9.6 Ordering Stock

An agency authorized to use penalty mail stamps must order penalty mail stock as follows:

703.7.9.7

- a. Orders for penalty mail stamp stock other than personalized envelopes must be sent on Form 17-G to the stamp distribution office (SDO) serving the ZIP Code area to which the stamp stock is to be shipped. Orders for personalized envelopes must be sent on Form 17-J to Stamp Fulfillment Services (see [608.8.0](#) for address).

- e. Penalty stamped envelopes (plain and personalized) must be ordered in full units of 500 envelopes.

7.9.7 Exchanges

Incorrectly shipped items or items damaged in shipping or defective or otherwise unserviceable may be exchanged by the SDO at full value.

7.10 General Standards for Penalty Reply Mail

7.10.1 Restriction to Approved Formats

An agency may distribute penalty envelopes, cards, cartons, or labels to any person, concern, or organization. To distribute penalty reply mail, agencies must use the penalty business reply mail format; the penalty metered reply format; penalty mail adhesive stamps or penalty mail stamped stationery; or the penalty merchandise return service label.

7.10.2 Prepayment

Prepaid adhesive postage stamps may be affixed to cards and envelopes distributed for reply purposes.

7.10.3 Penalty Metered Reply

An agency that holds a penalty postage meter license may distribute penalty metered reply cards and envelopes for return to the meter license holder, subject to [604.4.0](#).

7.10.4 Penalty Stamped Mail

An agency authorized to use penalty mail may furnish to a person, concern, or organization from or through whom official matter is desired, for reply purposes, printed penalty mail stamped stationery or envelopes or cards bearing penalty mail stamps that contain the preprinted address of a federal office or officer.

7.10.5 Format

Letter-size reply mail pieces enclosed in automation price mailings must meet the standards in [201.3.0](#) and [505.1.0](#).

7.11 Penalty Business Reply Mail (BRM)

7.11.1 General

An agency may participate in business reply mail service (including Qualified Business Reply Mail). Standards for business reply mail are in [505.1.0](#). Agencies can choose to pay postage and per piece charges for BRM by setting up a BRM advance deposit account to be billed through the Official Mail Accounting System (OMAS) or by paying for BRM through an OMAS postage due account. Under a BRM advance deposit account, the agency is billed an annual accounting fee by each Post Office ZIP Code where mail is returned, the appropriate postage, and high-volume BRM per piece charges. Under the postage due option, the agency pays the appropriate postage and basic BRM per piece charges through an OMAS postage due account. The postage, fees, and per piece charges are the same as those for private-sector customers (see [505.1.1](#)). Government agencies cannot use cash, penalty meter stamps, or penalty mail stamps to pay postage due.

7.11.2 Application

An agency must apply for a BRM permit on Form 3615 at each Post Office where its BRM is to be returned. The form must include the BRM permit number, the agency code, the agency cost code (if desired), and whether the agency wants to set up a BRM account. A contractor for the agency may submit the form if it is signed by an authorized agency representative. The USPS is not required to complete Form 3615 to activate its own BRM permit number at Post Offices.

7.11.3 Permit Fees

If an agency uses BRM at any location, it is charged an annual BRM permit and renewal fee for each permit number assigned. These fees are billed automatically by USPS Headquarters each year, and no agency action is necessary.

7.11.4 Addressing and Format

Penalty BRM envelopes must show the address of an authorized agency or a component unit. Envelopes must be printed as detailed in [505.1.0](#) and as shown in [Exhibit 7.11.4](#), with these exceptions:

- a. The address may be printed, typewritten, or hand-stamped directly on the mailpiece, or a printed gummed label may be affixed in the address area. The address must not be handwritten. Letter-size BRM enclosed in automation price mailings must meet the standards in [201.3.0](#) and [505.1.0](#).
- b. The required legend must read “Postage Will Be Paid By [name of authorized agency].”
- c. The space for the permit holder’s use must include the statement “Official Business, Penalty for Private Use \$300.00.” Space above this statement may be used for return address, logos, and distribution codes.

703.7.11.5

Exhibit 7.11.4 Penalty Business Reply Mail Format

7.11.5 Cancellation

If an agency wants to cancel a BRM account, the agency must notify the Post Office handling the account.

7.12 Penalty Merchandise Return Service

7.12.1 Description

Merchandise return service allows an authorized permit holder to pay the postage and extra service fees on single-piece price First-Class Mail, Priority Mail, and Package Services (Parcel Post, Bound Printed Matter, and Media Mail only) that is returned by the permit holder's customers via a special label produced by the permit holder as specified by [505.3.0](#).

7.12.2 Postage and Extra Service Fees

The standards for payment of postage and fees are:

- a. The permit holder guarantees payment of the proper postage and extra service fees on all returned merchandise return service articles distributed under the permit holder's permit number. Postage is collected for each article from an OMAS MRS account.
- b. Returned parcels are charged single-piece price postage and extra service fees based on the class or subclass marking on the label. If a piece is unmarked, then it is charged Parcel Post prices. If the postage for the returned piece is zoned and there is no way to determine the zone of origin (i.e., no postmark or return address), then postage is calculated at zone 4 (for Priority Mail or Parcel Post).
- c. There is no per piece charge per parcel returned.

7.12.3 Annual Accounting Fee

All MRS permit holders are required to pay the annual accounting fee in [505.3.1.2](#), which is assessed automatically through OMAS.

7.12.4 Application

An agency must apply by letter to the Post Office Accounting manager, USPS Headquarters, to use merchandise return labels. A single permit number is assigned to each agency unless the agency asks for multiple numbers.

7.12.5 Post Office Notification

Agencies must apply for authorization to use their penalty merchandise return permit by submitting a Form 3615 at each Post Office where pieces bearing penalty merchandise return labels will be received. No fee should accompany this application since all fees for penalty mailers are assessed through OMAS.

7.12.6 Permit Renewal

Authorization to use a penalty merchandise return permit number at a local Post Office is renewed automatically unless the agency notifies the Post Office that it wishes to cancel its authorization. Annual authorization fees are assessed automatically through OMAS.

7.12.7 Label Format

The one-part merchandise return labels available for federal agencies must bear the address of an authorized agency or a component.
