

## CERTIFICATE OF FREE SALE REQUEST FORM

Foreign governments sometimes require a "certificate of free sale" when companies import products. The certificate of free sale is evidence that goods, such as food items and/or cosmetics, are legally sold or distributed in the open market, freely without restriction, and approved by the regulatory authorities in the country of origin (United States). If your Missouri business is in need of a certificate of free sale, please answer the question below.

DATE: \_\_\_\_\_
