

Introduction to Tuberculosis Management Course

Hickory, NC

Catawba Valley
Community College
May 8-10, 2012

Raleigh, NC

Governor's Crime
Commission Building
August 7-9, 2012

Co-Sponsored By:

***NC Tuberculosis
Control Program***

And

***Office of Public Health
Nursing and Professional
Development***

Course Overview

The primary target audience for this course is Public Health Department nurses with less than 2 years of experience. Experienced TB nurses who need a refresher course may attend if space is available.

The course content will broaden the participants' knowledge base and develop skills needed to implement effective TB control and surveillance.

This is a free course; there is no registration fee to attend. The program includes lecture, discussion and case studies.

INSTRUCTORS

TB Medical Director: Jason Stout, MD

TB Medical Consultant: David Holland, MD

Duke Infectious Diseases Fellow: Neela Goswami, MD

TB Nurse Consultants: Ellen Fortenberry, Myra Allen, Elizabeth Zeringue and Julie Luffman
