2. The Office or the CONNECTIONS Contractor will continue to provide the network connections, to applicable locations, except for pre-existing approved, in-place agency wiring, enabling the operation of CONNECTIONS.
3. Upon 180 days prior notice by the Agency of the need to move equipment, due to relocation or remodeling, the Office shall:

- a) Advise the Agency of any required site preparation and renovations necessary to operate CONNECTIONS, which shall be fully funded by the Agency;

3. The Agency agrees to maintain sufficient insurance coverage and assumes all financial liability in the event of Equipment damage or theft, and the Office shall be named as a loss payee and co-insured thereon. In the event of loss or damage to any item, the Agency agrees to pay to the Office the full unit cost of any such item.
4. In such an event, the Agency agrees to provide written notice to the Office made via registered or certified mail, return

A. Termination/Modification

1. This AGREEMENT may be modified upon the written mutual consent of the parties.
2. This AGREEMENT may be terminated in the event the Office deems that termination would be in the best interests of the State. In such case, the Office shall give written notice to the Agency not less than thirty days prior to the date upon which termination shall become effective. Such notice is to be made via registered or certified mail return receipt requested or hand delivered with the receipt granted by the Agency. The date of such notice shall be deemed to be the date the notice is received by the Agency established by the receipt returned, if delivered by registered or certified mail, or by receipt by the Agency, if the notice is delivered by hand. In the event of such termination, all Equipment shall be returned to the Office as set forth in Section B.4 of this Agreement.
3. Should the Office determine that Federal or State funds are unavailable, the Office may deem this AGREEMENT terminated immediately. The Office agrees to give notice to the Agency as soon as it becomes aware that funds are unavailable, in the event of termination, under this subparagraph. In the event the initial notification is made orally, the Office shall immediately send written notice to the Agency. The Office will be obligated to reimburse the Agency only for the expenditures made and obligations incurred by the Agency until such time as notice of termination is received by the

Agency, either orally or in writing, from the Office. In the event of such termination, all Equipment shall be returned to the Office as set forth in Section B.4 of this Agreement.

2. The Office shall affix a label clearly identifying Equipment as property of the Office of Children and Family Services and in no event shall such label be removed. In the event Equipment lacks such a label, the Agency agrees that it shall affix such a label.
3. Nothing in this contract shall abridge, enlarge, modify or otherwise affect the privacy rights of preventive services clients under applicable law, including where applicable, the Interim Agreement of Settlement and Compromise in Advocates for Children v. Blum.
