**Ohio Department of Job and Family Services
Request for Letterhead Bids (RLB)
RLB#: JFSR1011068077**

I. Purpose

The Ohio Department of Job and Family Services (ODJFS) is soliciting bids to identify one vendor who will perform an assessment and analysis of training tools currently available to ODJFS employees. ODJFS is seeking analysis and recommendations for new technology and strategic planning for the delivery of automated systems training. ODJFS is interested in the inclusion of more self-directed, on-line, or automated training in the vendor's recommended delivery model. The selected vendor will analyze agency needs and options, and make recommendations for enhancing and optimizing training delivery in ODJFS' Office of Families and Children (OFC)—Automated Systems Training (AST) Section. Deliverables will include: analysis of industry standards and options and of currently available training tools and capacity within ODJFS, and recommendations for updating ODJFS training models and automation for training delivery.

OFC currently provides classroom-based training for state and county staff, via AST for both its mainframe eligibility system Client Registry Information System-Enhanced (CRIS-E) and the Statewide Automated Child Welfare Information System (SACWIS). Training centers are located in Columbus, Akron and Bowling Green, and Cincinnati Ohio.

This Request for Letterhead Bids (RLB) document is released by ODJFS, and the subsequent contract expected to result from this RLB process will be a contract between the selected vendor and ODJFS. The selected vendor may be either an individual with appropriate qualifications, or a business that, as an organization, possesses those qualifications. Certification as an Ohio Minority Business Enterprise (MBE) is preferred but not required. ODJFS will designate a staff member as the ODJFS Contract Manager to provide on-going supervision of the contractor selected through this RLB. The contract period for this project is expected to run from approximately January 19, 2011 through March 31, 2011. No extensions or renewals are planned for the contract expected to result from this RLB.

ODJFS will only accept proposals from vendors that demonstrate their capability of providing services as described in this RLB. For the purpose of this RLB, the term "vendor" shall be defined as any individual or organization interested in this opportunity. The term "contractor" is used in reference to the successful vendor selected through this RLB.

ODJFS is under no obligation to enter into a contract with any vendor as a result of this solicitation, if, in the opinion of ODJFS, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RLB of a material nature will be provided on the agency website. All vendors are responsible for obtaining any such changes without further notice by ODJFS.

II. Time and Date of Submission

Organizations, companies, firms, or individuals who are interested in submitting letterhead bids must make their submission not later than **3:00 p.m. Eastern (local) Time on Wednesday, December 22, 2010**. Faxes will not be accepted. Bids must be addressed to:

**Office of Legal and Acquisitions Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414

For hand delivery on the due date, vendors are to allow sufficient time for downtown parking considerations, as well as for security checks at both the lobby of the Rhodes State Office Tower (address as stated above) and again on the 31st Floor. All bids received on the due date will be accepted by the Office of Legal and Acquisitions Services on the 31st Floor of the Rhodes Tower. **ODJFS is not responsible for any bids delivered to any address other than the address provided above.**

All submissions must be received, complete, by mail or hand delivery by the above date and time. Materials received after the submission deadline date will not be added to previous submissions, nor be considered. No confirmations of mailed bids received can be provided. IV. Internet Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the Internet during the Q&A Period as outlined in **Section III, Anticipated Procurement and Project Timetable**. To ask a question, potential vendors must use the following Internet process:

- * **Access the ODJFS Web Page at <http://jfs.ohio.gov/>**
- * **Select “About JFS” on the front page;**
- * **Select “Doing Business with ODJFS;”**
- * **Select “Requests for Proposals, Letterhead Solicitations, and Other Invitations;”**
- * **RFP Number *JFSR1011068077*;**
- * **Follow the link to the dedicated web page;**
- * **Select “Submit Inquiry” near the bottom of the web page;**
- * **Follow instructions there for submitting questions.**

Questions about this RLB must reference the relevant part of this RLB, the heading for the provision under question, and the page number of the RLB where the provision can be found. The name of a representative of the potential vendor (or other interested party), the company name, phone number, and e-mail address must be provided to submit an inquiry. ODJFS may, at its option, disregard any questions which do not appropriately reference an RLB provision or location within the RLB, or which do not include identification for the originator of the question. ODJFS will not respond to any questions submitted after **8:00 a.m.** on the date the Q&A period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet website dedicated to this RLB, for public reference by any interested party. ODJFS will not provide answers to directly to the

vendors (or any interested party) that submitted the question. All questions about this RLB that are submitted in accordance with these instructions will be answered on the RLB's dedicated web page.

Questions submitted may be no more than 4,000 characters in length, but there is no limit on the number of questions submitted. The answers provided by ODJFS may be accessed by following the instructions above, but rather than selecting "Submit Inquiry," vendors and others should select "View Q and A." ODJFS strongly encourages vendors to ask questions early in the Q&A period so that answers can be posted with sufficient time for any possible follow-up questions.

Vendor proposals in response to this RLB are to take into account any information communicated by ODJFS in the Q&A process for the RLB. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to all questions, as well as for any amendments, alerts, or other pertinent information regarding this RLB.**

Accessibility to questions and answers are clearly identified on the website dedicated to this RLB, **once submitted questions have been answered.**

IMPORTANT: Requests from potential vendors for copies of previous RFPs/RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs submitted in accordance with directions provided in **Section XV., Communication Prohibitions**, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

Vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in this RLB for the future contract, NOT on details of any current or past related contract. Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB. If vendors ask questions about existing or past contracts using the Internet Q&A process, ODJFS will use its discretion in deciding whether to provide answers.

There is an established time period for the Vendor Q&A process (see **Section III, Anticipated Procurement and Project Timetable**, above). ODJFS will only answer those questions submitted within the stated time frame for submission of vendor questions, and which pertain to issues of RLB clarity, and which are not requests for public information. ODJFS is under no obligation to acknowledge questions submitted through the Q&A process if those questions are not in accordance with these instructions.

* Should vendors experience technical difficulties accessing either the ODJFS website where the RLB and its related documents are published, they may contact the ODJFS Contracts and Acquisitions, RFP/RLB Unit, at (614) 728-5693 for guidance.

V. Qualifications

In order to be considered for the project described in this RLB, ODJFS requires that interested vendors must meet, at minimum, all the following qualifications:

A. Mandatory Vendor Qualifications

ODJFS will **ONLY** consider bids from vendors whose proposals meet the following criteria:

1. Demonstrate that within the past three (3) years completion of at least one training needs analysis project involving an analysis of an organization's particular staff training needs and situations, research into technical and strategic training options available, and recommended one or more possible 'best fits'. This example of the vendor's past training needs analysis must be of a project that included both technical training (e.g., use of IT systems or software) and content training such as business processes, program eligibility determination, case management or other subject matter;

Evidence of this would be either:

- a). A narrative description of such past project, or a copy of an outline of the work plan employed and of recommendations made (or both); and,
 - b). Contact information from that past customer (name, title, business/organization's name, telephone number or e-mail address) of someone who could discuss the vendor's work, should ODJFS opt to inquire. A letter of recommendation from the vendor's past customer conveying the contact information may be provided in the vendor's proposal, but ODJFS still reserves the right to contact the reference for additional information.
2. The proposal must be received, complete, by ODJFS at the designated location (see Section II. of this RLB) by the specified deadline, both time and date (see Section III.);
 3. The proposal must include all required signatures, attestations, and certifications as specified in this RLB, including those identified on the "Required Vendor Information and Certifications" document and the "Standard Affirmations and Disclosure Form" declarations, provided as **Attachment A.** to this RLB; and,
 4. The vendor must be confirmed by ODJFS eligible for award of an ODJFS contract (e.g., the vendor may not be federally debarred from government contracts, must affirm that all work provided using ODJFS funding will be performed and/or acquired within U.S. borders, etc.).

In order to be considered for the project described in the RLB, ODJFS requires that interested vendors **must** meet, at minimum, **all** of the above qualification requirements as well as any other requirements listed in the Technical Proposal Score Sheet (Attachment E.) as mandatory. **Vendors that do not meet all these mandatory requirements will be disqualified from further consideration for contract award.**

Additionally, the vendor selected for the work described in this RLB will be required to affirmatively state that any recommendations it makes will be based solely on the best interests of ODJFS and that it has no financial or other business interest in any of those recommendations. Further, if in implementing any training and/or evaluating recommendations made, ODJFS offers further competitive opportunities to obtain such training services, the vendor that made these recommendations would be ineligible to bid on the contract work.

B. Organizational Experience and Capabilities

In order to be considered for the contract expected to result from this RLB, ODJFS requires that interested vendors provide the following:

1. A detailed description of the vendor's qualifications and history;
2. Designation of vendor's key staff person for the work described in this RLB. This person must be specifically named, and his or her credentials (including resume) and experience for performing, or for managing the performance of, this work must be detailed;
3. A detailed description as to how the vendor's organizational structure supports a project of this size and scope (e.g., adequate resources, access to any support services);
4. In addition to the one (or more) project detailed in the vendor's proposal in response to Section V., A., Mandatory Vendor Qualifications above, list and briefly describe at least three other similar or related training needs assessments and/or training program development, training software development, or adult training curriculum design projects the vendor has participated in within the past five (5) years. To the extent possible, these descriptions should indicate the vendor's (or vendor's staff) knowledge of and experience with concepts such as:
 - a) adult learning theory;
 - b) human resources/staff training;
 - c) self-directed learning, web-based, or other distance learning concepts; and,
 - d) training needs analysis.
5. If the organization is an Ohio-certified Minority Business Enterprise or an EDGE business, provide a photocopy (or other independently verifiable evidence) of the current certification.

The ODJFS Contract Manager, if unsatisfied with job performance of any of the selected vendor's staff and/or sub-contractors, may ask for the replacements. The selected vendor will be subject to a key personnel contractual requirement. ODJFS must be notified of any impending changes in key personnel and must approve any proposed replacement staff.

Important - Sensitive Personal Information: It is the affirmative responsibility of the vendor submitting a proposal to remove all personal confidential information (such as home addresses and social security numbers) of vendor staff and/or of any subcontractor and subcontractor staff from resumes or any other part of the proposal package. Following submission to ODJFS, all proposals submitted become part of the public record. ODJFS reserves the right to disqualify any vendor whose proposal is found to contain such prohibited personal information.

VI. Scope of Work and Proposed Work Plan

A. Scope of Work

Under the contract resulting from this RLB, the selected vendor will be required to conduct a training assessment prior to submitting a final report to ODJFS. The selected vendor will be required to, at minimum:

1. Investigate and assess industry standards and products available for self-directed or distance learning automated system training;

2. Assess and document all self-directed or distance learning training methods currently available within all ODJFS offices. This must include all automated tools (including, but not limited to: CAPTIVATE, “Webinar”, “GO TO meeting”, etc.);
3. Compare industry products versus ODJFS tools to determine any abilities or opportunities to enhance current tools;
4. Interview current AST staff, to understand current training environment and need;
5. Assess the current training model, for providing training, training needs of CRIS-E and SACWIS and take into consideration ODJFS resources, staffing variables, budget, realities, facts, etc.;
6. Assess ODJFS Office of Information Services (OIS) current infrastructure to determine capacity for enhancing current tools or procuring and installing any new technology tools; and,
7. Participate as needed in phone conferences/face-to-face meetings at ODJFS’ discretion.

B. Proposed Work Plan

Vendor proposals are to include a detailed discussion of the vendor’s understanding of the ODJFS work and an outline of the approach the vendor would take, if awarded the contract, to achieve ODJFS training assessment and to successfully complete the expected deliverables, described in the next section. The clear, thorough, appropriate proposed work plan should address, at minimum:

1. How the vendor will assess the CRIS-E and SACWIS training model needs;
2. How the vendor will assess the strengths and constraints of the ODJFS resources and technical environments to deliver training;
3. How the vendor will research and analyze available options for self-directed and distance learning training model options;
4. How the vendor will analyze and compare multiple training options;
5. How vendor will conclude the research and analysis and make recommendations that match ODJFS realities with multiple training methods or plans, showing for each one; reasons to consider it; risks to be managed; contingencies to be addressed; costs (measured in financial or other resource terms); benefits that could be realized; and,
6. The project timeline.

Additionally, the vendor selected for the work described in this RLB will be required to affirmatively state that any recommendations it makes will be based solely on the best interests of ODJFS and that it has no financial or other business interest in any of those recommendations. Further, in implementing any training and/or evaluating recommendations made, ODJFS offers

further competitive opportunities to obtain such training services, the vendor that made these recommendations would be ineligible to bid on the contract work.

VII. Specifications of Deliverables

This section sets forth the minimum activities and deliverables that will be required of the selected vendor under the contract expected from this RLB:

A. Detailed Work Plan

Completion and ODJFS approval of a detailed work plan based on the outline provided in the successful vendor's proposal. This plan is to be submitted for ODJFS approval within 10 business days of the contract start (P.O.) date and must be approved by ODJFS prior to the initiation of any further work on the project. Vendors will be required to provide an affirmation in their proposals that they will comply with this requirement.

B. Final Report

The selected vendor must provide a final report March 31, 2011 which includes, at minimum:

1. Analysis Results:

- a. Provide results of analysis of CRIS-E and SACWIS training model needs.
- b. Provide inventory and results of analysis on various tools available and associated costs; and,
- c. Provide results of ODJFS resource and technical environment analysis.

2. Recommendation and Report:

- a. Make recommendations which include, at minimum, the solution categories as listed in Section VI., B., 5. above.

VIII. Vendor Compensation

Available funding for this project is strictly limited. The vendor's proposed total cost for the work described in this RLB, including all outreach campaign activities and vendor administrative costs **may not exceed \$25,000.00. ODJFS will disqualify any proposal that exceeds that limit. Vendors who include cost information assigned to deliverables in their Technical Proposal shall be disqualified from possible award of contract. Cost information must only appear in the vendor's sealed Cost Proposal Form.**

On the Cost Proposal Form (provided as **Attachment E** to this RLB), vendors are to propose their firm, fixed, all-inclusive cost for each deliverable. The proposed prices for each deliverable are to represent the entire cost the vendor offers for the full and successful completion of that deliverable. The sum of the proposed cost of all deliverables to be performed under the resulting contract will be the vendor's total cost for successful completion of the work described in this RLB.

Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and

offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal.

Vendors, at their discretion, may submit to ODJFS an initial invoice after the completion of their work plan not to exceed 10% of their accepted cost proposal. Compensation will be made monthly via the submission of invoices. Providers must submit valid invoices to ODJFS within ten business days after the last business day of the previous month. Compensation will be made monthly as reimbursement for actual, allowable, expenditures incurred and paid by the selected vendor during the billing period in accordance with the vendor's accepted cost proposal.

IX. Format of Submission

To be accepted and forwarded to the ODJFS Proposal Review Team (PRT), the vendor's proposal must include a signed original and four (4) copies of a technical proposal, and a non-rewritable CD-ROM copy of the entire original technical proposal, according to the format and composition details provided below.

- Technical Proposal. One signed original and four (4) copies of the Technical Proposal labeled: **“TECHNICAL PROPOSAL ENCLOSED FOR ON-LINE AUTOMATED SYSTEMS TRAINING NEEDS ANALYSIS & CONSULTATION SERVICES, RLB#: JFSR1011068077 SUBMITTED BY (VENDOR NAME AND DATE OF SUBMISSION),”** **along with one non-rewritable CD-ROM** containing a copy of the entire Technical Proposal. The requested CD will be used by ODJFS primarily for storage/archiving purposes and for Public Records Requests; and,
- Cost Proposal. One original and two (2) copies of the Cost Proposal must be submitted in a separate, sealed envelope labeled: **“COST PROPOSAL ENCLOSED FOR ON-LINE AUTOMATED SYSTEMS TRAINING NEEDS ANALYSIS & CONSULTATION SERVICES, RLB#: JFSR1011068077 SUBMITTED BY (VENDOR NAME AND DATE OF SUBMISSION).”** **The sealed cost proposal must also include one non-rewritable CD-ROM** containing a copy of the entire Cost Proposal.

The vendor's Technical Proposal shall contain all the information as specified for each component listed below. It is mandatory that vendor proposals be organized in the following order. Any other information thought to be relevant, but not applicable to a specific RLB section number/letter must be provided as an appendix to the proposal and so marked as an additional tab. ODJFS reserves the right not to review submitted appendices which include information or materials that were not required in the RLB. However, the proposal will be scored on the relevancy to the stated responsibilities as well as the conciseness, clarity, flow, and neatness of the information presented. A proposal which is incomplete, vague, unjustifiably wordy, unclear, or poorly organized may not be successful. All pages in The Technical Proposal shall be sequentially numbered either per tab or for the document as a whole.

A. Technical Proposal Organization

Tab 1: Forms and Certifications

Vendors submitting proposals must include a completed “Required Vendor Information and Certifications,” which includes required attestation identified as the “Location of Business Form” (provided as **Attachment A** to this RLB), a completed “Request for Taxpayer Identification Form W-9” (provided as **Attachment B** to this RLB) and the DMA form (provided as **Attachment C**). The vendor must provide originals of these three documents, signed in blue ink by a qualified vendor representative, in this part of the technical proposal packet. **Failure to include required certifications and attestations will result in the vendor’s disqualification.**

Vendors are required to provide a declaration regarding material assistance to terrorist organizations or organizations that support terrorism as identified by the U.S. Department of State Terrorist Exclusion List, and as described in **Attachment C, Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization**. Vendors who fail to provide a signed and completed **Attachment C** risk disqualification. This form may also be accessed and printed at the Ohio Department of Public Safety, Division of Homeland Security’s Website at <http://www.homelandsecurity.ohio.gov>.

Tab 2: Vendor Qualifications. The vendor proposal must include information and/or documentation as outlined in Section V, Qualifications, demonstrating how the vendor and its staff meet the requirements, specifically:

Sub-Tab 2b. Organizational Experience & Capabilities (Section V., B.,1 through 5)

Tab 3: Scope of Work and Proposed Work Plan

Sub-Tab 3a. Scope of Work

Sub-Tab 3b. Proposed Work Plan

All pages in the Technical Proposal must be sequentially numbered, with the exception of Tab 1 contents.

B. Vendor Cost Proposal.

Available funding for this project is strictly limited. The vendor’s proposed total cost for the work described in this RLB, including all outreach campaign activities and vendor administrative costs **may not exceed \$25,000.00.** **ODJFS will disqualify any proposal that exceeds that limit. Vendors who include cost information assigned to deliverables in their Technical Proposal shall be disqualified from possible award of contract. Cost information must only appear in the vendor’s sealed Cost Proposal Form.**

On the Cost Proposal Form (provided as **Attachment F** to this RLB), vendors are to propose their firm, fixed, all-inclusive cost for each deliverable. Vendors are to use their business expertise in pricing the work described in this RLB, taking into consideration any intervening steps or activities that must be performed in order to complete the work, and

offer their costs accordingly, even if ODJFS does not explicitly identify those intervening costs in this RLB. No separate travel expenses or any other type of expenses will be paid under the contract to result from this RLB.

The total contract award for the selected proposal will be for the full duration of the project, from the award date through the termination date. The contract award will strictly correspond with the approved cost proposal.

Compensation will be made monthly via the submission of invoices. Providers must submit valid invoices to ODJFS within ten business days after the last business day of the previous month. Compensation will be made monthly as reimbursement for actual, allowable, expenditures incurred and paid by the selected vendor during the billing period in accordance with the vendor's accepted cost proposal.

X. Selection Process

All proposals will be reviewed and scored by a Proposal Review Team (PRT) comprised of ODJFS staff. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading, and unnecessary self-promotional claims will be evaluated accordingly. PRT members are required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The PRT may waive minor defects that are not material when no prejudice will result to the rights of any vendor or to the public.

In scoring the proposals, ODJFS will score in three phases: Phase I—Initial Qualifying Criteria, Phase IIA—Scoring of the Technical Proposal, Phase II., B., and Phase III—Consideration of Proposed Cost. In addition, the PRT may, at its option, elect to conduct interviews as part of the process. ODJFS will add additional consideration for MBEs and vendors which demonstrate that they have an Ohio Presence as scored in Phase II., B. of the score sheet. All score criteria are presented in the Technical Proposal Score Sheet, which is provided as **Attachment E** to this RLB.

The Cost Proposal of all qualifying vendors (*i.e.*, those that pass both Phase I and Phase II into Phase III) will then be reviewed by ODJFS. The grand total of each vendor's cost proposal is divided by that vendor's final Technical Proposal score. This compares the cost with the quality of the Technical Proposal, which will provide an average cost-per-quality point earned on the Technical Proposal. The proposal offering the best cost-per-quality point will be recommended for award of the contract.

Any vendor deemed not responsible and responsive to the terms of this RLB, or otherwise found not to be in the best interests of the State, shall not be selected for this project. ODJFS is under no obligation to award or to execute any contract as a result of this or any other solicitation.

DISQUALIFIERS FOR PROPOSAL ERRORS:

- Any vendor's Technical Proposal found to contain any prohibited cost information shall be disqualified from consideration. Cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor's technical proposal as

information on business capacity and stability. All prohibited cost information must be submitted with the separate, sealed Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion), such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal. Should a vendor determine to include in the technical proposal any documents which contain such cost information, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.

- Any trade secret, proprietary, or confidential information (as defined in Section XI., E. of this RLB) found anywhere in a vendor's proposal shall result in immediate disqualification of that vendor's proposal.
- Any sensitive personal information on vendor or sub-contract staff (*e.g.*, social security numbers, addresses) must be omitted from vendor proposals, or rendered fully unreadable, or ODJFS may at its option disqualify the vendor from any consideration.

XI. RLB Process Information and Other Contractual Requirements:

A. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as **Attachment A**) to report this information, and include the completed document in the vendor's proposal as specified in Section IX., A, of this RLB.

B. Interview

Vendors submitting proposals may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, may include participants from ODJFS and any representatives it may appoint. ODJFS reserves the right to select from responding vendors for interviews and may not interview all vendors submitting proposals. The vendor shall bear all costs of any scheduled interview.

C. Start Work Date

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. **Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.**

D. Proposal Costs

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS' responsibility (see Section XI, B.).

E. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in Ohio Revised Code (ORC) 1333.61 in their proposals in response to any ODJFS RFP, Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals or similar responses voluntarily submitted in response to any ODJFS RFP, RFA, RLB, or other procurement document, to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. This RLB and, after the selection of a vendor for award, any proposals submitted in response to an RFP/RLB are deemed to be public records pursuant to R.C. 149.43. For purposes of this section, the term “proposal” shall mean both the technical proposal (or application or other response documentation) and the cost proposal, if opened, submitted by the selected vendor/applicant, and any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

F. Contractual Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as **Attachment D** to this RLB. Potential vendors are strongly encouraged to read the model contract to be fully aware of all ODJFS contractual requirements.

G. Travel and Parking Expense Reimbursement

No travel or parking expenses, nor any other expenses, will be covered.

H. Public Release of Records

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

I. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

J. Ethical & Conflict of Interest Requirements

1. No contractor or individual, company or organization seeking a contract or other business agreement shall promise or give to any ODJFS employee anything of value that is of such

- character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
2. No contractor or individual, company or organization seeking a contract or other business agreement shall solicit any ODJFS employee to violate any of the conduct requirements for employees;
 3. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or in conflicts of interest. Any contractor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the ORC is subject to termination of the contract or other agreement or refusal by ODJFS to enter into a one; and
 4. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the ORC may be prosecuted for criminal violations.

K. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

L. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

M. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state,

or local) with respect to vendor's performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor's proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter's potential impact on the vendor's performance of the work, and the best interests of ODJFS.

N. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, or found not to be in the best interests of the State, shall not be selected for this project.

O. Prohibition against Services Performed Outside the United States

All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the "Location of Business Form" included in the "Required Vendor Information & Certifications Documents," provided as Attachment A. to this RFP. The entire form must be printed, completed, and signed by the interested vendor's authorized representative, and returned to ODJFS as a component of the vendor technical proposal. **Failure to include the completed and signed form, including the Location of Business Form, will result in the vendor's disqualification from consideration.**

P. Ohio Presence Consideration

The vendor that is awarded the contract resulting from this RLB is required to maintain a physical presence in Ohio throughout the term of the contract, including any renewal periods. Therefore, each vendor must either demonstrate in its proposal that it currently has a physical presence in Ohio or demonstrate concrete plans for establishing a physical presence, to include the actual or proposed location of the vendor's presence. Vendor proposals must identify the work to be performed for this project at that location and identify vendor personnel, either by staff name or function, that will operate from the Ohio location. ODJFS reserves the right, at its sole discretion to reject any proposals which fail to comply with this requirement.

Q. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XII. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of doing business with ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR164.501 and any amendments thereto.

In the event of a material breach of vendor obligations under this section, ODJFS may at its option terminate the contract.

XIII. State Contracts

Proposals must list any current contracts the vendor has with State of Ohio agencies and universities/colleges. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete the **“Required Vendor Information and Certifications”** (provided as **Attachment A**) and include the completed document in the vendor’s proposal as specified in Section IX, Format of Submission.

XIV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XV. Communication Prohibitions

From the issuance date of the RLB, until a contract is in effect, there may be no communications concerning the RLB between any interested potential vendor and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the decision with a formal procurement.

The only exceptions to this prohibition are as follows:

- A. As necessary in the case of any pre-existing business relationship between ODJFS and a vendor which could potentially respond to this RLB, in order to conduct that business;
- B. As part of an interview necessary for ODJFS to make a vendor selection decision;
- C. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page established for this RLB; and
- D. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page: <http://www.state.oh.us/odjfs> and notices of such will be sent to vendors on the original mailing list and to anyone participating in the clarification process conducted pursuant to Section IV. above; and

E. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services:

Requests from potential vendors or contractors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Information Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in this Section XV, Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

* Important Note: Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original ODJFS website established for the RLB. All interested vendors are strongly encouraged to refer to the appropriate website regularly for amendments or other announcements. Failure on the part of ODJFS to notify any vendors of any possible changes or announcements related to this RLB does not absolve the vendors from their responsibility to look for updated information through the web page.

Proposals submitted by a vendor who attempts any communications prohibited by this Section may be disqualified by ODJFS from consideration for this project. ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB.

XVI. Protests

Any potential, or actual, vendor objecting to the award of a contract or a vendor selection resulting from the issuance of this solicitation may file a protest of the award or selection, or of any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a contract resulting from this solicitation. The protest shall be in writing and shall contain the following information:
 - a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:
 - a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.

- b. If the protest relates to the announced intent to award the contract, the protest shall be filed no later than 3:00 p.m. of the **seventh (7th) calendar** day after the issuance of formal letters sent to all responding vendors regarding the State's intent to award a contract for the work. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
4. All protests must be filed at the following location:

**Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414**
5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

TED STRICKLAND
GOVERNOR
STATE OF OHIO

Executive Order 2010-09S

Banning the Expenditure of Public Funds for Offshore Services

1. **Ohio's Economic Vitality Necessitates Constant Vigilance in State Job Creation Efforts.** State officials and employees must at all times remain passionately focused on initiatives that will create and retain jobs in the United States in general and in Ohio, in particular, and must do so especially during Ohio's continuing efforts to recover from the recent global recession.
2. **No Public Funds Should be Spent on Services Provided Offshore.** Allowing public funds to pay for offshore services undermines economic development objectives and any such offshore services carry unacceptable quality and security risks.
 - a. **The Purchase of Offshore Services with Public Funds Undermines Economic Development and Other Job Creation and Retention Objectives.** The expenditure of public funds for services provided offshore deprives Ohioans and other Americans critical employment opportunities. It also undermines efforts to attract businesses to Ohio and retain them in Ohio, initiatives in which the State has invested heavily.
 - b. **The Purchase of Offshore Services Has Unacceptable Business Consequences.** The use of offshore service providers could pose unacceptable data security, and thus privacy and identity theft risks. There are pervasive service delivery problems with offshore providers, including dissatisfaction with the quality of their services and with the fact that services are being provided offshore. It is difficult and expensive to detect illegal activity and contract violations and to pursue legal recourse for poor performance or data security

violations. The State's use of offshore service providers ill-serves the people of Ohio who are the primary consumers of the services provided by the State.

3. **Ohio's Policy Has Been – and Must Continue To Be – That Public Funds Should Not Be Spent on Services Provided Offshore.** Throughout my Administration, procurement procedures have been in place that restrict the purchase of offshore services. Despite these requirements, federal stimulus funds were recently used to purchase services from a domestic company which ultimately provided some of those services offshore. This incident was unacceptable and has caused me, through this Order, to redouble my commitment to ensure that public funds are not expended for offshore services.
4. **Additional Steps Will Ensure that Public Funds Are Not Spent on Services Provided Offshore.** In order to ensure that the State of Ohio makes no expenditures for services provided offshore, I hereby order the following:
 - a. No Cabinet Agency, Board or Commission (Executive Agency) shall enter into any contract which uses any funds within its control to purchase services which will be provided outside the United States. This Order applies to all funds in the custody of an Executive Agency, be they from state, federal, philanthropic or private sources. It applies to all purchases of service made directly by an Executive Agency and services provided by sub-contractors of those providing services purchased by an Executive Agency.
 - b. This Executive Order will be personally provided, by the Director, Chair or other chief executive official of each Executive Agency, to the Chief Procurement Officer or other individual at that entity responsible for contracts for services.
 - c. The Department of Administrative Services, through Ohio's Chief Procurement Officer (OCPO), shall have in place, by August 31, 2010, procedures to ensure all of the following:
 - i. All agency procurement officers, or the person with equivalent duties at each Executive Agency (APOs), have standard language in all Executive Agency contracts which:
 - (a) Reflect this Order's prohibition on the purchase of offshore services.
 - (b) Require service providers or prospective service providers to:

- (i) Affirm that they understand and will abide by the requirements of this Order.
 - (ii) Disclose the location(s) where all services will be performed by any contractor or subcontractor.
 - (iii) Disclose the locations(s) where any state data associated with any of the services they are providing, or seek to provide, will be accessed, tested, maintained, backed-up or stored.
 - (iv) Disclose any shift in the location of any services being provided by the contractor or any subcontractor.
 - (v) Disclose the principal location of business for the contractor and all subcontractors who are supplying services to the state under the proposed contract.
- ii. All APOs are ensuring that all quotations, statements of work, and other such proposals for services affirm this Order's prohibition on the purchase of offshore services and include all of this Order's disclosure requirements.
 - (a) Any such proposal for services lacking the affirmation and disclosure requirements of this Order will not be considered.
 - (b) Any such proposal where the performance of services is proposed to be provided at a location outside the United States by the contractor or any sub-contractor, will not be considered.
 - iii. All procurement manuals, directives, policies, and procedures reflect the requirements of this Order.
 - iv. All APOs have adequate training which addresses the terms of this Order.
5. **Exceptions.** Nothing in this Order is intended to contradict any state or federal law. In addition, this Order does not apply to:
- a. Services necessary to support the efforts of the Department of Development Global Markets Division to attract jobs and business to the State of Ohio, including incidental services for the support of trade missions, payment of international staff, and services necessary for the operation of international offices.
 - b. Academic, instructional, educational, research or other services necessary to support the international missions of Ohio's public colleges and universities.

6. I signed this Executive Order on August 6, 2010 in Columbus, Ohio and it will not expire unless rescinded.

Ted Strickland, Governor

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

or

Employer identification number									

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. person (including a U.S. resident alien).

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the Certification, but you must provide your correct TIN. (See the instructions on page 4.)

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

For federal tax purposes you are considered a person if you are:

- An individual who is a citizen or resident of the United States,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States, or

- Any estate (other than a foreign estate) or trust. See Regulations sections 301.7701-6(a) and 7(a) for additional information.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.

4. The type and amount of income that qualifies for the exemption from tax.

5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments (after December 31, 2002). This is called "backup withholding." Payments that may be subject to backup withholding include interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester, or
2. You do not certify your TIN when required (see the Part II instructions on page 4 for details), or
3. The IRS tells the requester that you furnished an incorrect TIN, or
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your social security card. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

If you are exempt, enter your name as described above and check the appropriate box for your status, then check the "Exempt from backup withholding" box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

Exempt payees. Backup withholding is not required on any payments made to the following payees:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),

Broker transactions	Exempt recipients 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt recipients 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt recipients 1 through 7 ²

¹See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees; and payments for services paid by a Federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-owner LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter your SSN (or EIN, if you have one). If the LLC is a corporation, partnership, etc., enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.socialsecurity.gov/online/ss-5.pdf. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses/ and clicking on Employer ID Numbers under Related Topics. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Writing "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt recipients, see *Exempt From Backup Withholding* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

- A. This Contract will automatically terminate upon expiration of the time period in ARTICLE II, upon completion of all Deliverables, or once all of the compensation has been paid.
- B. Notwithstanding other provisions in this ARTICLE, either party may terminate this Contract at will by giving ninety (90) days written notice to the other party. Upon thirty (30) days written notice to CONTRACTOR, ODJFS may suspend this Contract at ODJFS's sole discretion.
- C. Notwithstanding the provision of Section A, above, ODJFS may suspend or terminate this Contract immediately upon delivery of a written notice to CONTRACTOR if:
1. ODJFS loses funding as described in ARTICLE III, Section F;
 2. ODJFS discovers any illegal conduct by CONTRACTOR; or
 3. CONTRACTOR has violated any provision of ARTICLE VIII.
- D. Except as provided in Sections A and B of this ARTICLE V, CONTRACTOR will have thirty (30) calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the thirty (30) calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract when breaches are persistent, regardless of whether they are cured within thirty (30) calendar days. For purposes of this Section C, "persistent" means that ODJFS has notified CONTRACTOR three (3) times in writing of CONTRACTOR's failure to meet any of its contractual obligations. The three (3) notices do not have to relate to the same obligation or type of failure. After the third notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period

than the thirty (30) calendar days generally applicable in this Section C. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate.

- E. CONTRACTOR, upon receiving notice of suspension or termination, will:
1. Cease performance of the suspended or terminated Deliverables;
 2. Take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all contracts and subgrants related to suspended or terminated Deliverables;
 3. Prepare and furnish a report to ODJFS, as of the date the notice of termination or suspension was received, that describes the status of all Deliverables and includes the results accomplished and the conclusions reached through Deliverables; and
 4. Perform any other tasks ODJFS requires.
- F. In the event of suspension or termination under this ARTICLE, ODJFS will, upon receipt of a proper invoice from CONTRACTOR, determine the amount of any unpaid Contract funds due to CONTRACTOR for Deliverables performed before CONTRACTOR received notice of termination or suspension. In order to determine the amount due to CONTRACTOR, ODJFS will base its calculations on the payment method described in ARTICLE III and any funds previously paid by or on behalf of ODJFS. ODJFS will not be liable for any further claims submitted by CONTRACTOR.
- G. If ODJFS terminates this Contract for any reason provided in this ARTICLE, except for termination at will pursuant to Section A or termination for loss of funding pursuant to Section B, ODJFS will be entitled to utilize another contractor to complete the Deliverables described in ARTICLE I of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR's liability under this Section G is in addition to any other remedies available to ODJFS pursuant to this Contract.
- H. Upon CONTRACTOR's breach or default of provisions, obligations, or duties embodied in this Contract or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODJFS reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODJFS of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODJFS or CONTRACTOR fails to perform any obligation under this Contract and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODJFS will not be effective unless it is in writing signed by the ODJFS Director.

ARTICLE V. NOTICES

CONTRACTOR agrees that all records, documents, writings, and other information, created or used pursuant to this Contract will be treated according to the following terms, and that the terms will be included in any subcontracts executed for the performance of the Deliverables under this Contract:

- A. CONTRACTOR agrees that any media produced pursuant to this Contract or acquired with Contract funds will become the property of ODJFS. This includes all documents, reports, data, photographs (including negatives), and electronic reports and records. ODJFS will maintain the unrestricted right to reproduce, distribute, modify, maintain, and use the media in any way ODJFS deems appropriate. CONTRACTOR further agrees not to seek or obtain copyright, patent or other proprietary protection for any materials or items produced under this Contract. CONTRACTOR understands that all materials and items produced under this Contract will be made freely available to the public unless ODJFS determines that certain materials are confidential under federal or state law.
- B. All ODJFS information that is classified as public or private under Ohio law and ODJFS rules will be treated as such by CONTRACTOR. Should the nature of any information be in question, ODJFS will determine whether the information is public or private. CONTRACTOR will restrict the use of any information, systems, or records ODJFS provides to the specific Deliverables specified in ARTICLE I of this Contract. CONTRACTOR and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODJFS and the State of Ohio. CONTRACTOR agrees that the terms of this Section B will be included in any subcontract executed by CONTRACTOR for work under this Contract.
- C. CONTRACTOR information that is proprietary and has been specifically identified by CONTRACTOR as proprietary will be held as confidential by ODJFS. Proprietary information is information that would put CONTRACTOR at a competitive disadvantage in CONTRACTOR's market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of CONTRACTOR's assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. CONTRACTOR must demonstrate that any information claimed as proprietary meets the definition of "trade secrets" found at ORC 1333.61.
- D. All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR and will be made available for audit by state and federal government entities that include but are not limited to, ODJFS, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. The records and materials will be retained and made available for a minimum of three (3) years after CONTRACTOR receives the last payment pursuant to this Contract. If an audit, litigation or similar action is initiated during this time period, CONTRACTOR will retain the records until the action is concluded and all issues are resolved, or until the end of the three-year period if the action is resolved prior to the end of the three-year period. If applicable, CONTRACTOR must meet the requirements of the federal Office of Management and Budget (OMB) Circulars A-110, A-122, and A-133. CONTRACTOR acknowledges, in accordance with ORC 149.43, that financial records related to the performance of services under this Contract are presumptively deemed public records.

CONTRACTOR further agrees to include the terms of this Section E in any subcontracts that may be executed pursuant to this Contract.

- A. This writing constitutes the entire agreement between ODJFS and CONTRACTOR with respect to all matters herein. Only a writing signed by both parties may amend this Contract. However, ODJFS and CONTRACTOR agree that any amendments to any laws or regulations cited herein will result in the

correlative modification of this Contract without the necessity for executing written amendments. Any written amendment to this Contract will be prospective in nature.

- B. CONTRACTOR agrees not to assign any interest in this Contract nor transfer any interest in the Contract without the prior written approval of ODJFS. CONTRACTOR will submit any requests for approval of assignments and transfers to the ODJFS Contract Manager at least 10 (ten) days prior to the desired effective date. CONTRACTOR understands that any assignments and transfers will be subject to any conditions ODJFS deems necessary and that no approval by ODJFS will be deemed to provide for any ODJFS obligation that exceeds the Contract amount specified in ARTICLE III of this Contract.

CONTRACTOR further agrees that as an independent contractor, it assumes all responsibility for any federal, state, municipal or other tax liabilities along with workers compensation, unemployment compensation and insurance premiums that may accrue as a result of funds received pursuant to this Contract. - B. **Limitation of Liability.** To the extent allowable by law, CONTRACTOR agrees to hold ODJFS harmless in any and all claims for personal injury, property damage, and/or infringement resulting from Deliverables. CONTRACTOR's sole and exclusive remedy for any ODJFS failure to perform under this Contract will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages.
- C. **Infringement of Patent or Copyright.** To the extent allowable by law and subject to ORC 109.02, CONTRACTOR agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by CONTRACTOR. If any information and/or assistance is furnished by ODJFS at CONTRACTOR's written request, it is at CONTRACTOR's expense. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE IV. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR's subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

Should any portion of this Contract be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Contract will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Contract impossible.

PHASE I: Initial Qualifying Criteria

Vendor Name: _____

The proposal must meet all of the following Phase I proposal acceptance criteria in order to be considered for further evaluation. Any proposal receiving a “no” response to any of the following qualifying criteria **shall be disqualified from consideration**.

ITEM #	PROPOSAL ACCEPTANCE CRITERIA	RLB Sec. Reference	Y E S	N O
1	Was the vendor’s proposal received by the deadline as specified in the RLB?	II. / III.		
2	Did the vendor submit a proposal comprised of a Technical Proposal and, in a separate, appropriately labeled, sealed envelope, a Cost Proposal?	IX.		
3	Does the vendor’s proposal include all required affirmative statements and certifications, fully signed and completed by the vendor’s responsible representative , as described in Attachment A and C to the RLB?	V., A., 3. IX., A.		
4	Has the vendor been confirmed by ODJFS to be eligible for award of an ODJFS contract (e.g., the vendor may not be federally debarred from government contracts, must affirm that all work provided using ODJFS funding will be performed and/or acquired within U.S. borders, etc.)?	V., A., 4. XI., K., L. & M.		
5	Did the proposal demonstrate that within the past three (3) years the vendor has completed at least one training needs analysis project involving an analysis of an organization’s particular staff training needs and situations, research into technical and strategic training options available, and recommended one or more possible ‘best fits’?	V., A., 1.

PHASE II., A: Criteria for Scoring of Technical Proposal

Qualifying technical proposals will be collectively scored by a Proposal Review Team (PRT) appointed by ODJFS, Office of Families and Children. For each of the evaluation criteria given in the following score sheet, reviewers will collectively judge whether the technical proposal exceeds, meets, partially meets or does not meet the requirements expressed in the RLB, and assign the appropriate point value, as follows:

0	4	8	10
Does Not Meet Requirement	Partially Meets Requirement	Meets Requirement	Exceeds Requirement

Technical Performance Scoring Definitions:

“Does Not Meet Requirement”- A particular RLB requirement was not addressed in the vendor’s proposal, **Score: 0**

“Partially Meets Requirement”-Vendor proposal demonstrates some attempt at meeting a particular RLB requirement, but that attempt falls below acceptable level, **Score: 4**

“Meets Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, potentially with only minor, non-substantial deviation, **Score: 8**

“Exceeds Requirement”-Vendor proposal fulfills a particular RLB requirement in all material respects, and offers some additional level of quality in excess of ODJFS expectations, **Score: 10**

A technical proposal’s total Phase II score will be the sum of the point value for all the evaluation criteria. The review team will collectively score each individual qualifying proposal. Technical proposals which do not meet or exceed a total Phase II., A. score of at least **683** points (a score which represents that the selected vendor has the capability to successfully perform the project/program services) out of a maximum of **904** points, will be disqualified from further consideration, and its cost proposal will neither be opened nor considered. Only those vendors whose Technical Proposals meet or exceed the minimum required technical points in Phase II., A. will advance to Phase II., B., and Phase III of the technical proposal score sheet.

**ATTACHMENT F:
Part I—Cost Proposal Form and Instructions**

Instructions:

Vendors are to complete the Cost Proposal Form, provided as **Attachment F**, to the RLB according to instructions, sign it, and submit it fully completed as the separate sealed cost proposal. The costs offered in the vendor's Cost Proposal will be the costs in effect throughout the contract period as described in this RLB. Vendors are to use the format in **Attachment F, Cost Proposal Form**, to submit their cost proposal for SFY 11. The selected vendor shall only be compensated per their proposed all-inclusive cost proposal. At the vendor's discretion, additional documentation may also be included with the completed **Attachment F**, as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the dollar amounts displayed on the Cost Proposal Form.

In calculating their total proposed all-inclusive cost, vendors must consider cost resulting from each task and deliverable listed in Section VII. of the RLB, as well as all program costs, primary and incidental, necessary to complete all program deliverables/activities (whether explicitly identified by ODJFS in the RLB or not). **Vendor cost proposals which exceed the \$25,000.00 limit shall be disqualified from consideration and potential award of contract.**

SFY 11 Grand Total Cost [CAN NOT EXCEED \$25,000.00]:	\$
The successful vendor may, at its discretion, submit to ODJFS an initial invoice after the completion of their work plan of an amount not to exceed 10% of their accepted cost proposal.	

Affirmation: The total cost as delineated above is firm for the duration of the proposed contract period, and I, the undersigned, have authority to bind the contractor to the Cost Proposal.
