May 9, 2011

Dear Potential Vendor:

This letter is to announce the release of the Ohio Department of Job and Family Services' (ODJFS) Request for Letterhead Bids (RLB)#: JFSR1213078009 for the purpose of obtaining up to nine (9) qualified individuals (pharmacists) who will serve as pharmacist Medical Technical Advisors (MTAs) to ODJFS. One MTA shall be selected to serve as the Drug Utilization Review (DUR) Director and eight MTAs shall be selected as DUR Committee Members for ODJFS. For the purpose of this RLB, "vendor(s)" shall refer to qualified individuals submitting a proposal and/or organizations proposing available staff/employee(s) to serve as pharmacist MTAs—whether serving in the capacity of DUR Director or DUR Committee Member.

Vendors interested in submitting a response to both DUR positions may do so by submitting a single proposal submission indicating their intent to serve in either capacity. For those qualified vendors that apply for either position, ODJFS' intent shall be to first consider the pharmacist for DUR Director but reserves the right in determining in which capacity the pharmacist shall serve. In the event ODJFS selects pharmacist(s) proposed by an organization, the resulting contract(s) will be with ODJFS and the organization. The submitting organization shall be responsible for any and all contractual obligations and pharmacist performance.

The contract period for this project is expected to run from approximately July 1, 2011 through June 30, 2013 [State Fiscal Years (SFYs) 12 through 13]. ODJFS anticipates two (2) one-year renewals of the resulting contract(s) for SFYs 14 (July 1, 2013 through June 30, 2014) and 15 (July 1, 2014 through June 30, 2015). The term "contractor" is used in reference to the successful vendors selected through this RLB.

If you are interested in submitting a proposal for this important project, please visit the ODJFS website for procurement opportunities at <http://www.jfs.ohio.gov/rfp/> and follow directions for accessing this RLB. If you experience problems opening this ODJFS URL, please contact the RFP/RLB Unit at (614) 728-5693.

Responses must be prepared and submitted in strict accordance with the requirements and time frames given in the RLB. Thank you for your attention to this request.

Sincerely,

**Ohio Department of Job and Family Services
Request for Letterhead Bids (RLB)
RLB#: JFSR1213078009**

I. Purpose

The Ohio Department of Job and Family Services (ODJFS) releases this Request for Letterhead Bids (RLB) for the purpose of obtaining up to nine (9) qualified individuals (pharmacists) who will serve as pharmacist Medical Technical Advisors (MTAs) to ODJFS. One MTA shall be selected to serve as the Drug Utilization Review (DUR) Director and eight MTAs shall be selected as DUR Committee Members for ODJFS. For the purpose of this RLB, “vendor(s)” shall refer to qualified individuals submitting a proposal and/or organizations proposing available staff/employee(s) to serve as pharmacist MTAs—whether serving in the capacity of DUR Director or DUR Committee Member.

Vendors interested in submitting a response to both DUR positions may do so by submitting a single proposal submission indicating their intent to serve in either capacity. For those qualified vendors that apply for either position, ODJFS’ intent shall be to first consider the pharmacist for DUR Director but reserves the right in determining in which capacity the pharmacist shall serve. In the event ODJFS selects pharmacist(s) proposed by an organization, the resulting contract will be with ODJFS and the organization. The submitting organization shall be responsible for any and all contractual obligations and pharmacist performance.

MTAs provide the clinical expertise necessary in the administration of Ohio’s Medicaid Program in the area of DUR. The selected DUR Director shall be responsible for determining the direction of the DUR program, according to guidance by the DUR Board. The selected DUR committee members will be responsible for recommending appropriate DUR activities to the DUR Director and for reviewing patient profiles to ensure adherence to appropriate drug utilization. ODJFS will only accept proposals from vendors that demonstrate their capability of providing services as described in this RLB.

This RLB document is released by ODJFS, and the subsequent contract(s) expected to result from this RLB process will be a contract(s) between the vendors and ODJFS. The ODJFS Office of Ohio Health Plans (OHP), Bureau of Policy and Health Plan Services (BPHPS), will designate a staff member as the ODJFS Contract Manager to provide on-going supervision of the contractor(s) selected through this RLB process. The contract period for this project is expected to run from approximately July 1, 2011 through June 30, 2013 [State Fiscal Years (SFYs) 12 through 13]. ODJFS anticipates two (2) one-year renewals of the resulting contract(s) for SFYs 14 (July 1, 2013 through June 30, 2014) and 15 (July 1, 2014 through June 30, 2015). The term “contractor” is used in reference to the successful vendors selected through this RLB.

ODJFS is under no obligation to enter into a contract with any vendor as a result of this solicitation, if, in the opinion of ODJFS, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed. Changes in this RLB of a material nature will be provided on the agency website. All vendors are responsible for obtaining any such changes without further notice by ODJFS.

II. Time and Date of Submission

Organizations, companies, firms, or individuals who are interested in submitting letterhead bids must make their submission not later than **3:00 p.m. Eastern (local) Time on Monday, June 6, 2011**. Faxes will not be accepted. Bids must be addressed to:

**Office of Legal and Acquisitions Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414
ATTN: RFP/RLB Unit**

For hand delivery on the due date, vendors are to allow sufficient time for downtown parking considerations, as well as for security checks at both the lobby of the Rhodes State Office Tower (address as stated above) and again on the 31st Floor. All bids received on the due date will be accepted by the Office of Legal and Acquisitions Services on the 31st Floor of the Rhodes Tower. **ODJFS is not responsible for any bids delivered to any address other than the address provided above.**

All submissions must be received, complete, by mail or hand delivery by the above date and time. Materials received after the submission deadline date will not be added to previous submissions, nor be considered. No confirmations of mailed bids received can be provided. Submission of a bid indicates acceptance by the vendor of the conditions contained in this RLB, unless clearly and specifically noted in the bid submitted and confirmed in the contract between ODJFS and the vendor selected.

Renewal may be subject to approval by the Controlling Board.

IV. Internet Question & Answer Period; RLB Clarification Opportunity

Potential vendors may ask clarifying questions regarding this RLB via the Internet during the Question and Answer (Q & A) Period as outlined in Section III. Anticipated Procurement and Project Timetable. To ask a question, potential vendors must use the following Internet process:

- * **Access the ODJFS Web Page at <http://jfs.ohio.gov//>**
- * **Select “About JFS” on the front page;**
- * **Select “Doing Business with ODJFS;”**
- * **Select “Requests for Proposals, Letterhead Solicitations, and Other Invitations;”**
- * **RLB Number *JFSR1213078009*;**
- * **Follow the link to the dedicated web page;**
- * **Select “Submit Inquiry” near the bottom of the web page;**
- * **Follow instructions there for submitting questions.**

Questions about this RLB must reference the relevant part of this RLB, the heading for the provision under question, and the page number of the RLB where the provision can be found. The name of a representative of the potential vendor (or other interested party), the company name, phone number, and e-mail address must be provided to submit an inquiry. ODJFS may, at its option, disregard any questions which do not appropriately reference an RLB provision or location within the RLB, or which do not include identification for the originator of the question. ODJFS will not respond to any questions submitted after **8:00 a.m.** on the date the Q&A period closes.

ODJFS responses to all questions asked via the Internet will be posted on the Internet website dedicated to this RLB, for public reference by any interested party. ODJFS will not provide answers to directly to the vendors (or any interested party) that submitted the question. All questions about this RLB that are submitted in accordance with these instructions will be answered on the RLB’s dedicated web page.

Questions submitted may be no more than 4,000 characters in length, but there is no limit on the number of questions submitted. The answers provided by ODJFS may be accessed by following the instructions above, but rather than selecting “Submit Inquiry,” vendors and others should select “View Q and A.” ODJFS strongly encourages vendors to ask questions early in the Q&A period so that answers can be posted with sufficient time for any possible follow-up questions.

Vendor proposals in response to this RLB are to take into account any information communicated by ODJFS in the Q&A process for the RLB. **It is the responsibility of all potential vendors to check this site on a regular basis for responses to all questions, as well as for any amendments, alerts, or other pertinent information regarding this RLB.**

Accessibility to questions and answers are clearly identified on the website dedicated to this RLB, **once submitted questions have been answered.**

IMPORTANT: Requests from potential vendors for copies of previous RFPs/RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Records Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs submitted in accordance with directions provided in **Section XVI, Communication Prohibitions**, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

Vendors are to base their RLB responses, and the details and costs of their proposed projects, on the requirements and performance expectations established in this RLB for the future contract, NOT on details of any current or past related contract. Requirements under a current project may or may not be required by ODJFS under any future contract, and so may not be useful information for vendors who choose to respond to the RLB. If vendors ask questions about existing or past contracts using the Internet Q&A process, ODJFS will use its discretion in deciding whether to provide answers.

There is an established time period for the Vendor Q&A process (see **Section III, Anticipated Procurement and Project Timetable**, above). ODJFS will only answer those questions submitted within the stated time frame for submission of vendor questions, and which pertain to issues of RLB clarity, and which are not requests for public information. ODJFS is under no obligation to acknowledge questions submitted through the Q&A process if those questions are not in accordance with these instructions.

* Should vendors experience technical difficulties accessing either the ODJFS website where the RLB and its related documents are published, they may contact the ODJFS Contracts and Acquisitions, RFP/RLB Unit, at (614) 728-5693 for guidance.

All proposal submissions must be received, complete, at the above address, via mail or hand delivery by the above date and time. Materials received separately from a vendor’s proposal submission (e.g., letters of recommendation from past customers of the vendor’s services) will not be added to the proposal nor considered in the review and scoring process. Materials received after the date and time as stated above will not be included in any previous submissions, nor will they be considered. ODJFS is not responsible for proposals incorrectly addressed or for proposals delivered to any ODJFS location other than the address specified above. It is mandatory that vendor proposals be organized in the following order, and that wherever appropriate, sections/portions of the vendor proposal make reference by section number/letter to those RLB requirements to which they correspond.

IMPORTANT: Any vendor Technical Proposals found to contain any prohibited cost information shall be disqualified from consideration. Prohibited cost information is defined as any dollar amounts which ODJFS might find indicative of the relative cost or economy of the proposed project. However, information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor's technical proposal. Any prohibited cost information must be submitted with the separate, sealed project budget/Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion, such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc.) which is not specifically identified by ODJFS as a required component of the separate, sealed project budget/Cost Proposal. Should a vendor feel it is important to include any documents containing such prohibited cost information in the technical proposal, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS.

1. (Tab 1) Required Vendor Information & Certifications

Attachment A—Section I --In this section, the vendor is required to provide required information and certifications of eligibility for state contract awards, as described in **Attachment A—Section I.** to this RLB, entitled "Required Vendor Information & Certifications Document." Vendors may, at their discretion, either print **Attachment A—Section I.**, complete and sign it, and return it as the content of their Proposal Tab 1; or they may provide all the required information and certifications (each fully re-stated from **Attachment A.**) on their own letterhead, properly signed, and use that document as the content of their Proposal Tab 1. Vendors who fail to provide all information and certifications as described in **Attachment A—Section I.** in their Proposal Tab 1 risk disqualification.

Attachment A—Section II -- Vendors are required to complete and sign the **Location of Business Form**, and return it as part of their Proposal Tab 1. Vendors who fail to provide a signed and completed form risk disqualification.

Attachment A—Section III --Vendors are required to provide a declaration regarding material assistance to a terrorist organization or an organization that supports terrorism as identified by the U.S. Department of State Terrorist Exclusion List and described in **Attachment A—Section III, Declaration Regarding Material Assistance/Non-Assistance to a Terrorist Organization.** Vendors MUST complete and sign it, and return it as the content of their Proposal Tab 1. Vendors who fail to provide a signed and completed form risk disqualification. This form may also be accessed and printed at the

Ohio Department of Public Safety, Division of Homeland Security's Website at <http://www.homelandsecurity.ohio.gov>.

The signed originals of the above referenced forms (**RLB Attachment A., Sections I, II, and III.**) are to be provided in the vendor's original proposal; photocopies of the completed and signed forms must also be provided with each of the required copies.

2. (Tab 2) Vendor Experience & Qualifications

a. Mandatory Vendor Qualifications (Sub-Tab 2 a.)

The vendor must include information on the mandatory experience and qualifications of the vendor and proof of Ohio pharmacy licensure, as described in **Section V., A.**, of this RLB.

b. Vendor Experience and Capabilities (Sub-Tab 2 b.)

The vendor should include information on the relevant experience of the vendor including any subcontractors; and any prior experience relevant to this RLB, as described in **Section V., B., 1, 2, and 3**, of this RLB.

3. (Tab 3) Scope of Work and Specifications of Deliverables

This section should include individual affirmations by the vendor that they will perform each task and deliverable as required in Section VI., Scope of Work and Section VII., Specifications of Deliverables, of this RLB. The responses must address each element separately.

C. Cost Proposal (For DUR Director ONLY)

This envelope/package must also contain the labeled Cost Proposal CD-ROM. The Proposal must include a statement that the prices quoted are firm.

ONLY vendors applying for the DUR Director are to complete the Cost Proposal Form, provided as **Attachment D.** to this RLB according to instructions, sign it, and submit it fully completed as the separate sealed cost proposal. The Cost Proposal Form requires interested vendors to provide their hourly rate for all DUR Director deliverables defined in Section VII., A., Specifications of Deliverables as well as hours available per month. Vendors are to use their professional comprehension of the effort required to perform those services and to offer to ODJFS its all-inclusive hourly rate for performing all deliverables. The rate(s) offered in the vendor's Cost Proposal will be the hourly rate(s) in effect throughout the contract period, including any renewal contracts, as described in Section III, of this RLB.

Vendors are to use the format in **Attachment D, Cost Proposal Form**, to submit their cost proposal for SFYs 12, 13, 14 and 15. At the vendor's discretion, additional documentation may also be included with the completed **Attachment D.**, as explanatory information, but when making the vendor selections and when executing the contract, ODJFS will consider only the rate(s) displayed on the Cost Proposal Form.

In calculating their proposed hourly rate(s), vendors must consider cost resulting from each deliverable listed in Section VII., A., of this RLB, as well as all project costs, primary and

incidental, necessary to complete all project activities/deliverables (whether explicitly identified by ODJFS in this RLB or not).

D. IMPORTANT – VENDOR DISQUALIFIERS FOR PROPOSAL ERRORS:

- Any vendor's Technical Proposal found to contain any cost information shall be disqualified from consideration. Cost information is defined as any dollar amounts which might be deemed to be indicative of the relative cost or economy of the proposed project. Information on the assets, value, or historical business volume of the vendor is NOT considered to be such prohibited cost information, and MAY be included in any vendor's technical proposal as information on business capacity and stability. All prohibited cost information must be submitted with the separate, sealed Cost Proposal. The Technical Proposal is defined as any part of the vendor's proposal (either as required by ODJFS or sent at vendor's discretion), such as work plan, resumes, letters of recommendation, letters of cooperation from any subcontractors, etc., which is not specifically identified by ODJFS as a required component of the separate, sealed Cost Proposal. Should a vendor determine to include in the technical proposal any documents which contain such cost information, the cost information in those documents must be made unreadable by the vendor before submission of the proposal to ODJFS. Failure to follow these instructions will result in disqualification.
- Any trade secret, proprietary, or confidential information (as defined in Section XI., E. of this RLB) found anywhere in a vendor's proposal shall result in immediate disqualification of that vendor's proposal.
- Any sensitive personal information on vendor or sub-contract staff (e.g., social security numbers, addresses) must be omitted from vendor proposals, or rendered fully unreadable, or ODJFS may at its option disqualify the vendor from any consideration.

XI. Selection Process

ODJFS will contract with vendors that best demonstrate the ability to meet requirements as specified in this RLB. Vendors submitting a response will be evaluated based on the capacity and experience demonstrated in their Technical and Cost Proposal. All proposals will be reviewed and scored by a Proposal Review Team (PRT), comprised of staff from ODJFS, Office of Ohio Health Plans and their designees. Vendors should not assume that the review team members are familiar with any current or past work activities with ODJFS. Proposals containing assumptions, lack of sufficient detail, poor organization, lack of proofreading and unnecessary use of self-promotional claims will be evaluated accordingly. PRT members will be required to sign disclosure forms to establish that they have no personal or financial interest in the outcome of the proposal review and contractor selection process.

Selection of the vendor will be based upon the criteria specified in Sections V., VI., and VII. of this RLB. Any proposals not meeting the requirements contained in those sections of this RLB will not be scored or may be held pending receipt of required clarifications. The PRT reserves the right to reject any and all proposals, in whole or in part, received in response to this request. The review team may waive minor defects that are not material when no prejudice will result to the rights of any vendor or to the public. In scoring the proposals, ODJFS will score in three phases:

A. Phase I. Review—Initial Qualifying Criteria:

In order to be fully reviewed and scored, proposals submitted must pass Phase I. Review of the Technical Proposal Score Sheet as delineated in **Attachment C** of the RLB. **Any “no” for the listed Phase I. criteria will eliminate a proposal from further consideration.**

B. Phase II. Review—Criteria for Scoring the Technical Proposal:

The PRT will then score those qualifying technical proposals, not eliminated in Phase I. Review, by assessing how well the vendor meets the requirements as specified in Sections V. VI. and VII. of this RLB. Using the score sheet for Phase II scoring (see **Attachment C.** of this RLB for specific evaluation criteria), the PRT will read, review, discuss and reach consensus on the final technical score for each qualifying technical proposal.

IMPORTANT: Before submitting a proposal to ODJFS in response to this RLB, vendors are strongly encouraged to use the Technical Proposal Score Sheet (**Attachment C.**) and the above technical performance scoring information to review their proposals for completeness, compliance and quality. All Phase II technical proposal evaluation criteria will be scored according to the scale provided in the score sheet, based on a proposed plan’s ability to meet ODJFS needs. Please refer to the Technical Proposal Score Sheet (see **Attachment C.**) for the point values used for rating each requirement.

DUR Director: A maximum of **120** points will be awarded for the Technical Proposal Phase IIA. A technical proposal must achieve a total of at least **90** points (a score which represents that the vendor can successfully perform the resulting contractual duties) out of the possible **120** points to qualify for continued consideration. Any proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration and its cost proposal will neither be opened nor considered.

DUR Committee Member: A maximum of **80** points will be awarded for the Technical Proposal Phase IIA. A technical proposal must achieve a total of at least **60** points (a score which represents that the vendor can successfully perform the resulting contractual duties) out of the possible **80** points to qualify for continued consideration. Any proposal which does not meet the minimum required technical proposal points will be disqualified from any further consideration. After establishing which vendor proposals are technically qualified (those proposals which have achieved at least 60 points) to perform the contractual services, ODJFS will add MBE/EDGE points if applicable then select awarded vendors in rank order by most points achieved.

C. Phase III.—Criteria for Considering the DUR Director Cost Proposal

DUR Director: After establishing which DUR Director vendor proposals are technically qualified (those proposals which have achieved at least 90 points) to perform the contractual services, those remaining qualified proposals will be considered for MBE/EDGE points. Any other proposals which do not meet the minimum allowable score will not be considered for MBE/EDGE points, will be disqualified from further consideration, and the corresponding Cost Proposals will neither be opened nor will be considered. Qualifying vendors will then proceed to the next level of review, which is consideration of the Cost Proposal. ODJFS will make its final selection of the DUR Director based upon qualifications, experience, cost and availability.

The Cost Proposal will be reviewed by ODJFS. The grand total of each technically qualified vendor’s Cost Proposal is divided by that vendor’s final Grand Technical Proposal score. This compares the cost with the quality of the Technical Proposal, which will provide an average cost-per-quality point earned on the Technical Proposal.

If the cost proposals of all technically qualifying vendors (as determined by the scoring process described in this section and by the Technical Proposal Score Sheet, **Attachment C.** to this RFP) are in excess of the available funding for this project, ODJFS may, at its sole discretion, negotiate with all technically qualifying vendors for a revised cost proposal. Vendors may then submit one last and best offer, or may request that ODJFS view its original cost proposal as its last and best offer, or may formally withdraw from further consideration, and shall formally indicate its choice according to directions provided by ODJFS at that time. Upon receipt of all last and best offers, and assuming that one or more have submitted a cost proposal that is within project budget, ODJFS will then consider those vendors' revised cost proposals which are within the budget according to the cost-point assignment process described in this section, above, and in the Technical Proposal Score Sheet, **Attachment C.**, for calculation of the winning score.

D. Review Process Caveats

ODJFS may, at its sole discretion, waive minor errors or omissions in vendors' Technical and/or Cost proposals/forms when those errors do not unreasonably obscure the meaning of the content.

ODJFS reserves the right to request clarifications from vendors to any information in their Technical and/or Cost proposals/forms, and may request such clarification as it deems necessary at any point in the proposal review process. Any such requests for proposal clarification when initiated by ODJFS, and vendors' verbal or written response to those requests, shall not be considered a violation of the communication prohibitions contained in Section XVI., of this RLB. Such communications are expressly permitted when initiated by ODJFS, but are at the sole discretion of ODJFS.

Should ODJFS determine a need for interviewing vendors prior to making a final selection, results to interview questions shall be scored in a manner similar to the process described in Section X.I., Selection Process, above. Such scored results may be either added to those vendors' proposal scores, or will replace certain criteria scores, at the discretion of ODJFS. The standards for scoring the interviews and the method used for considering the results of the interviews shall be applied consistently for all vendors participating in the interview process for that RLB.

ODJFS reserves the right to negotiate with vendors for adjustments to their proposals should ODJFS determine, for any reason, to adjust the scope of the project for which this RLB is released. Such communications are not violations of any communications prohibition, and are expressly permitted when initiated by ODJFS, but are at the sole discretion of ODJFS.

Any vendor deemed not responsible, or any submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be awarded the contract.

E. Final Vendor Recommendation

The PRT will recommend to the Director of ODJFS the technically qualified vendors offering the proposal most advantageous to ODJFS, as determined by the processes and requirements established in this RLB.

F. Tie Breaker

In the event that two or more of the proposals (for DUR Director) have a score which is tied after final calculation of both the technical proposal and the cost proposal, the proposal with the higher score in the technical proposal will prevail.

In the event that two or more of the proposals (for DUR Committee Member) have a score which is tied after final calculation of the technical proposal score, the proposals' ranking shall be determined by the number of "exceeds" points then by "meets" points the vendor has achieved.

XII. RLB Process Information and Other Contractual Requirements:

A. State Contracts

Responses must list any current contracts the vendor has with State of Ohio agencies. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete a copy of the Required Vendor Information and Certifications Document (provided as **Attachment A**) to report this information, and include the completed document in the vendor's proposal as specified in **Section IX., Format of Submission**, of this RLB.

B. Interview

Vendors submitting proposals may be requested to participate in an in-depth interview as part of the evaluation process. The interview, if necessary, may include participants from ODJFS and any representatives it may appoint. ODJFS reserves the right to select from responding vendors for interviews and may not interview all vendors submitting proposals. The vendor shall bear all costs of any scheduled interview.

C. Start Work Date

The selected vendor must be able to begin work no later than seven (7) working days after the time funds are encumbered and approved by the Office of Budget & Management. The selected vendor will be notified by the ODJFS contract manager when work may begin. **Any work begun by a contractor prior to this notification will NOT be reimbursable by ODJFS.**

D. Proposal Costs

Costs incurred in the preparation of this proposal are to be borne by the vendor, and ODJFS will not contribute in any way to the costs of the preparation. Any costs associated with interviews will be borne by the vendor and will not be ODJFS' responsibility (see Section XII, B.).

E. Trade Secrets Prohibition; Public Information Disclaimer

Vendors are prohibited from including any trade secret information as defined in Ohio Revised Code (ORC) 1333.61 in their proposals in response to any ODJFS RFP, Requests for Letterhead Bids (RLB) or other procurement efforts. ODJFS shall consider all proposals or similar responses voluntarily submitted in response to any ODJFS RFP, RFA, RLB, or other procurement document, to be free of trade secrets and such proposals shall, in their entirety, be made a part of the public record.

All proposals and any other documents submitted to ODJFS in response to any RFP, RLB, etc., shall become the property of ODJFS. This RLB and, after the selection of a vendor for award, any proposals submitted in response to an RFP/RLB are deemed to be public records pursuant to R.C. 149.43. For purposes of this section, the term "proposal" shall mean both the technical proposal (or application or

other response documentation) and the cost proposal, if opened, submitted by the selected vendor/applicant, and any attachments, addenda, appendices, or sample products.

Any proposals submitted in response to any ODJFS RFP, RLB, etc. which make claims of trade secret information shall be disqualified from consideration immediately upon the discovery of such unallowable claim.

F. Contractual Requirements

Any contract resulting from the issuance of this solicitation is subject to the terms and conditions as provided in the model contract, which is provided as **Attachment B** to this RLB. Potential vendors are strongly encouraged to read the model contract to be fully aware of all ODJFS contractual requirements.

G. Travel and Parking Expense Reimbursement

No travel or parking expenses, nor any other expenses, will be covered.

H. Public Release of Records

Public release of any evaluation or monitoring reports funded under this contract will be made only by ODJFS. Prior to public release of such reports, ODJFS must have at least a 30-day period for review and comment.

I. Confidentiality

All contracts or other business agreements will require that the contractor maintain the confidentiality of information and records which state and federal laws, rules, and regulations require to be kept confidential.

J. Ethical & Conflict of Interest Requirements

1. No contractor or individual, company or organization seeking a contract or other business agreement shall promise or give to any ODJFS employee anything of value that is of such character as to manifest a substantial and improper influence upon the employee with respect to his or her duties;
2. No contractor or individual, company or organization seeking a contract or other business agreement shall solicit any ODJFS employee to violate any of the conduct requirements for employees;
3. Any contractor acting on behalf of ODJFS shall refrain from activities which could result in violations of ethics and/or in conflicts of interest. Any contractor or potential contractor who violates the requirements and prohibitions defined here or of Section 102.04 of the ORC is subject to termination of the contract or other agreement or refusal by ODJFS to enter into one; and,
4. ODJFS employees and contractors who violate Sections 102.03, 102.04 2921.42 or 2921.43 of the ORC may be prosecuted for criminal violations.

K. Unresolved Findings for Recovery (R.C. 9.24)

Ohio Revised Code Section 9.24 prohibits ODJFS from awarding a contract to any entity against whom the Auditor of State has issued a finding for recovery if the finding for recovery is “unresolved” at the time of award. By submitting a proposal, the vendor warrants that it is not now, and will not become, subject to an “unresolved” finding for recovery under R.C. 9.24 prior to the award of any contract or business agreement arising out of this RLB, without notifying ODJFS of such finding. ODJFS will review the Auditor of State’s website prior to the evaluations of any proposal submitted pursuant to this RLB. ODJFS will not evaluate a proposal from any vendor whose name, or the name of any of the subcontractors proposed by the vendor, appears on the website of the Auditor of the State of Ohio as having an “unresolved” finding for recovery.

L. Mandatory Contract Performance Disclosure

Each proposal must disclose whether the vendor’s performance, or the performance of any of the proposed subcontractor(s), under contracts for the provision of services that are the same or similar to those described in this RLB, has resulted in any “formal claims” for breach of those contracts. For purposes of this disclosure, “formal claims” means any claims for breach that have been filed as a lawsuit in any court, submitted for arbitration (whether voluntary or involuntary, binding or not), or assigned to mediation. If any such claims are disclosed, vendor shall fully explain the details of those claims, including the allegations regarding all alleged breaches, any written or legal action resulting from those allegations, and the results of any litigation, arbitration or mediation regarding those claims, including terms of any settlement. While disclosure of any formal claims in response to this section will not automatically disqualify a vendor from consideration, at the sole discretion of ODJFS, such claims and a review of the background details may result in a rejection of the vendor’s proposal. ODJFS will make this decision based on its determination of the seriousness of the claims, the potential that the behavior that led to the claims could negatively impact vendor’s performance of the work, and the best interests of ODJFS.

M. Mandatory Disclosures of Governmental Investigations

Each proposal must indicate whether the vendor and any of the proposed subcontractor(s) has been the subject of any adverse regulatory or adverse administrative governmental action (federal, state, or local) with respect to vendor’s performance of services similar to those described in this RLB. If any such instances are disclosed, vendor must fully explain, in detail, the nature of the governmental action, the allegations that led to the governmental action, and the results of the governmental action including any legal action that was taken against vendor by the governmental agency. While disclosure of any governmental action in response to this section will not automatically disqualify a vendor from consideration, such governmental action and a review of the background details may result in a rejection of the vendor’s proposal at the sole discretion of ODJFS. The decision by ODJFS on this issue will be based on a determination of the seriousness of the matter, the matter’s potential impact on the vendor’s performance of the work, and the best interests of ODJFS.

N. Vendor Selection Restriction

Any vendor deemed not responsible, or submitting a proposal deemed not to be responsive to the terms of this RLB, shall not be selected for this project.

O. Prohibition against Services Performed Outside the United States

All vendors seeking an award of an ODJFS contract must attest that no funds provided by ODJFS would be used to purchase services provided outside the United States or to contract with a subcontractor who will use the funds to purchase services provided outside the United States. This required attestation is identified as the “Location of Business Form” included in the “Required Vendor Information &

Certifications Documents,” provided as Attachment A., Section II., to this RLB. The entire form must be printed, completed, and signed by the interested vendor’s authorized representative, and returned to ODJFS as a component of the vendor technical proposal. **Failure to include the completed and signed form, including the Location of Business Form, will result in the vendor’s disqualification from consideration.**

P. Waiver of Minor Proposal Errors

ODJFS may, at its sole discretion, waive minor errors or omissions in proposals, bids, and/or forms when those errors do not unreasonably obscure the meaning of the content. Additionally, ODJFS reserves the right to request clarifications or completions from vendors to any information in their proposals, bids, and/or forms, and may request such clarification as it deems necessary at any point in the proposal/bid review process.

XIII. Health Insurance Portability & Accessibility Act (HIPAA) Requirements

As a condition of doing business with ODJFS, the contractor, and any subcontractor(s), will be required to comply with 42 U.S.C. Sections 1320d through 1320d-8, and to implement regulations at 45 C.F.R. Section 164.502 (e) and Sections 164.504 (e) regarding disclosure of protected health information under the Health Insurance Portability and Accountability Act (HIPAA) of 1996. Protected Health Information (PHI) is information received by the contractor from or on behalf of ODJFS that meets the definition of PHI as defined by HIPAA and the regulations promulgated by the United States Department of Health & Human Services, specifically 45 CFR164.501 and any amendments thereto.

In the event of a material breach of vendor obligations under this section, ODJFS may at its option terminate the contract.

XIV. State Contracts

Proposals must list any current contracts the vendor has with State of Ohio agencies and universities/colleges. The list must indicate the purpose of the contract, the amount of the contract, the time period covered by the contract, and the percent of the project completed. Vendors must complete the “**Required Vendor Information and Certifications**” (provided as **Attachment A**) and include the completed document in the vendor’s proposal as specified in Section IX, Format of Submission.

XV. Caveat

ODJFS is under no obligation to select a vendor as a result of this solicitation if, in the opinion of ODJFS and the proposal review team, none of the proposals are responsive to the objectives and needs of the Department. ODJFS reserves the right to not select any vendor should ODJFS decide not to proceed with the project.

XVI. Communication Prohibitions

From the issuance date of the RLB, until a contract is in effect, there may be no communications concerning the RLB between any interested potential vendor and any employee of ODJFS in the issuing office, or any other ODJFS employee, or any other individual regardless of their employment status, who is in any way involved in the development of the RLB or the decision with a formal procurement.

The only exceptions to this prohibition are as follows:

- A. As necessary in the case of any pre-existing business relationship between ODJFS and a vendor which could potentially respond to this RLB, in order to conduct that business;

- B. As part of an interview necessary for ODJFS to make a vendor selection decision;
- C. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page established for this RLB; and
- D. If it becomes necessary to revise any part of this RLB, revisions will be posted on the ODJFS web page: <http://www.state.oh.us/odjfs> and notices of such will be sent to vendors on the original mailing list and to anyone participating in the clarification process conducted pursuant to Section IV. above; and
- E. Any Public Records Request (PRR) made through the ODJFS Office of Legal Services:

Requests from potential vendors or contractors for copies of previous RLBs, past vendor proposals, score sheets or contracts for this or similar past projects, are Public Information Requests (PRRs), and are not clarification questions regarding the present RLB. PRRs, submitted in accordance with directions provided in this Section XVI., Communication Prohibitions, will be honored. The posted time frames for ODJFS responses to Internet questions for RLB clarification do not apply to PRRs.

* Important Note: Amendments to the RLB or to any documents related to it will be accessible to interested vendors through the original ODJFS website established for the RLB. All interested vendors are strongly encouraged to refer to the appropriate website regularly for amendments or other announcements. Failure on the part of ODJFS to notify any vendors of any possible changes or announcements related to this RLB does not absolve the vendors from their responsibility to look for updated information through the web page.

Proposals submitted by a vendor who attempts any communications prohibited by this Section may be disqualified by ODJFS from consideration for this project. ODJFS is not responsible for the accuracy of any information regarding this RLB that was obtained or gathered through a source other than the Question and Answer process described in this RLB.

XVII. Protests

Any potential, or actual, vendor objecting to the award of a contract or a vendor selection resulting from the issuance of this solicitation may file a protest of the award or selection, or of any other matter relating to the process of soliciting the proposals. Such a protest must comply with the following guidelines:

1. A protest may be filed by a prospective or actual bidder objecting to the award of a contract resulting from this solicitation. The protest shall be in writing and shall contain the following information:
 - a. The name, address, and telephone number of the protestor;
 - b. The name and number of the solicitation being protested;
 - c. A detailed statement of the legal and factual grounds for the protest, including copies of any relevant documents;
 - d. A request for a ruling by ODJFS;
 - e. A statement as to the form of relief requested from ODJFS; and
 - f. Any other information the protestor believes to be essential to the determination of the factual and legal questions at issue in the written protest.
2. A timely protest shall be considered by ODJFS, if it is received by ODJFS' Office of Legal Services, within the following periods:

- a. A protest based on alleged improprieties in the issuance of the RLB or any other event preceding the closing date for receipt of proposals which are apparent or should be apparent prior to the closing date for receipt of proposals shall be filed no later than 3:00 p.m. of the closing date for receipt of proposals as specified in Section II., Time and Date of Submission.
 - b. If the protest relates to the announced intent to award the contract, the protest shall be filed no later than 3:00 p.m. of the **seventh (7th) calendar** day after the issuance of formal letters sent to all responding vendors regarding the State's intent to award a contract for the work. The date on these ODJFS letters to responding vendors is the date used to determine if a protest regarding the intent to award is submitted by the end of the protest period.
3. An untimely protest may be considered by ODJFS if ODJFS determines that the protest raises issues significant to the department's procurement system. An untimely protest is one received by ODJFS' Office of Legal Services after the time periods set forth in Item #2 of this section.
 4. All protests must be filed at the following location:

**Chief Legal Counsel, Office of Legal Services
Ohio Department of Job and Family Services
30 East Broad Street, 31st Floor
Columbus, Ohio 43215-3414**
 5. When a timely protest is filed, a contract award shall not proceed until a decision on the protest is issued or the matter is otherwise resolved, unless the Director of ODJFS determines that a delay will severely disadvantage the Department. The vendor(s) who would have been awarded the contract shall be notified of the receipt of the protest.
 6. ODJFS' Office of Legal Services shall issue written decisions on all timely protests and shall notify any vendor who filed an untimely protest as to whether or not the protest will be considered.

REQUIRED VENDOR INFORMATION and CERTIFICATIONS

Purpose: The Ohio Department of Job and Family Services (ODJFS) requires the following information on vendors who submit proposals or bids in response to any ODJFS Requests for Proposals (RFPs) or Requests for Letterhead Bids (RLBs), in order to facilitate the development of the contract (or finalization of a purchase) with the selected vendor. ODJFS reserves the right to reject your proposal if you fail to provide this information fully, accurately, and by the deadline set by ODJFS. Further, some of this information (as identified below) **must** be provided in order for ODJFS to accept and consider your proposal\bid. **Failure to provide such required information will result in your proposal’s immediate disqualification.**

Instructions: Provide the following information regarding the vendor submitting the proposal or bid. Vendors may either print this attachment, complete and sign it, or may provide the required information and certifications (each fully re-stated from this attachment) on their letterhead as the opening pages of their proposals. It is mandatory that the information provided is certified with an original signature (in blue ink, please) from a person with authority to represent the vendor. Vendors are to provide the completed and signed information and certifications as the cover pages of their original proposal submitted to ODJFS.

IMPORTANT: If the RFP\RLB specified a maximum page limit for vendor proposals\bids, the attachment of any required certifications, other documents, or additional pages needed to fully provide the information requested here will NOT be counted against that page limit.

This confirmation only signifies receipt of the proposal by ODJFS, and does not imply that the vendor’s proposal is complete or qualified for the consideration for the award. Vendors must adhere to all communication prohibitions stated in the RFP/RLB. A vendor who attempts any prohibited communications may be disqualified by ODJFS from consideration for this project.</p>	
<p>7. ARTICLE I. PURPOSE; DELIVERABLES

INSERT DELIVERABLES

- B. The ODJFS Contract Manager is **ODJFS Contract Manager.**
- C. The ODJFS Contract Manager may periodically communicate specific requests and instructions to CONTRACTOR concerning the performance of the Deliverables described in this Contract. CONTRACTOR agrees to comply with any requests or instructions to the satisfaction of ODJFS within ten (10) days after CONTRACTOR's receipt of the requests or instructions. ODJFS and CONTRACTOR expressly understand that any requests or instructions will be strictly to ensure the successful completion of the Deliverables described in this Contract, and are not intended to amend or alter this Contract in any way. If CONTRACTOR believes that any requests or instructions would materially alter the terms and conditions of this Contract or the compensation stated hereunder, CONTRACTOR will immediately notify the ODJFS Contract Manager pursuant to ARTICLE V of this Contract. CONTRACTOR agrees to consult with the ODJFS Contract Manager as necessary to ensure understanding of the Deliverables and the successful completion thereof.
- D. Ownership of Deliverables:
 - 1. All Deliverables provided by CONTRACTOR under this Contract or with funds hereunder, including any documents, data, photographs and negatives, electronic reports/records, or other media, are the property of ODJFS, which has an unrestricted right to reproduce, distribute, modify, maintain, and use the Deliverables. CONTRACTOR will not obtain copyright, patent, or other proprietary protection for the Deliverables. CONTRACTOR will not include in any Deliverable any copyrighted matter, unless the copyright owner gives prior written approval for ODJFS and CONTRACTOR to use such copyrighted matter in the manner provided herein. CONTRACTOR agrees that all Deliverables will be made freely available to the public unless ODJFS determines that, pursuant to state or federal law, such materials are confidential or otherwise exempted from disclosure.

2. All Deliverables provided or produced pursuant to this Contract will be considered "works made for hire" within the meaning of copyright laws of the United States and the State of Ohio. ODJFS is and will be deemed sole author of the Deliverables and sole owner of all rights therein. If any portion of the Deliverables is deemed not a "work made for hire," or if there are any rights in the Deliverables not conveyed to ODJFS, CONTRACTOR agrees to, and by executing this Contract does, assign ODJFS all worldwide rights, title, and interest in and to the Deliverables. ODJFS acknowledges that its sole ownership of the Deliverables under this Contract does not affect CONTRACTOR's right to use general concepts, algorithms, programming techniques, methodologies, or technology that CONTRACTOR developed prior to or as a result of this Contract or that are generally known and available.
3. CONTRACTOR understands that it must submit a written request to ODJFS and receive express written permission from ODJFS to include any of its own pre-existing, proprietary materials in any of the Deliverables under this Contract. ODJFS's approval of the inclusion of pre-existing, proprietary materials is predicated on CONTRACTOR granting to ODJFS and the State of Ohio a worldwide, non-exclusive, perpetual, royalty-free license to use, modify, sell, and otherwise distribute all such materials that are included in the Deliverables under this Contract. Upon request by CONTRACTOR, ODJFS will incorporate into any future copies of the Deliverables under this Contract any proprietary notice(s) CONTRACTOR may reasonably require for any pre-existing, proprietary materials included in the Deliverables of this Contract. Any proprietary notices will be the minimum required by law so as not to be seen as an endorsement by ODJFS of or advertisement for CONTRACTOR.

ARTICLE II. EFFECTIVE DATE OF THE CONTRACT

- A. This Contract is in effect from the date of issuance of an approved State of Ohio purchase order (see ARTICLE II, Section B, *infra*) or _____, whichever is later, through _____, unless this Contract is suspended or terminated pursuant to ARTICLE IV prior to the expiration date. **This Contract may be renewed through June 30, 2013, upon satisfactory completion of activities hereunder, appropriation of funds by the Ohio General Assembly, and at the sole discretion of ODJFS. ODJFS will issue a notice to CONTRACTOR if ODJFS decides to renew this Contract. CONTRACTOR will not obligate resources in anticipation of a renewal until notice is provided.**
- B. In addition to Section A above, it is expressly understood by both ODJFS and CONTRACTOR that this Contract will not be valid and enforceable until the Director of the Ohio Office of Budget and Management, first certifies, pursuant to Section 126.07 of the Ohio Revised Code (ORC), that there is a balance in the appropriation not already allocated to pay existing obligations. The ODJFS Contract Manager will notify CONTRACTOR when this certification is given.

ARTICLE III. COMPENSATION

- A. The total amount payable under this Contract is **TOTAL AMT Dollars (\$TOTAL)**. ODJFS will pay an amount up to **SFY1 AMT Dollars (\$SFY 1)** for State Fiscal Year **SFY1** and up to **SFY2 AMT Dollars (\$SFY2)** for State Fiscal Year **SFY2** expressly for the completion of the Deliverables described in ARTICLE I. CONTRACTOR understands that the terms of this Contract do not provide for compensation in excess of the total amount listed in this section. CONTRACTOR hereby waives the interest provisions of ORC 126.30.

It is further agreed that reimbursement of travel expenditures shall not exceed [SFY1 Travel Dollar Amount] Dollars (\$SFY1 Travel) for SFY [SFY1] and [SFY2 Travel Dollar Amount] Dollars (\$SFY2) for SFY [SFY2], which amounts are included in the total compensation figures above. Expense reimbursement authorized by this section is limited to actual and necessary expenses subject to the limits as established pursuant to ORC 126.31, which are set forth in OAC 126-1-02, as well as any other laws, regulations, or Governor's Executive Orders limiting travel expenses. CONTRACTOR expressly agrees not to submit claims for expenses which do not meet the requirements of this section and further agrees to submit all claims to the ODJFS Agreement Manager for approval prior to submitting a claim for reimbursement under ARTICLE III, above.

- B. Compensation will be paid as reimbursement for actual expenditures incurred and paid by CONTRACTOR **[upon completion of Deliverables] [at the rate of \$_____ per hour].**

- C. CONTRACTOR will submit three (3) copies of detailed invoices on a **monthly, quarterly, annual** basis to the ODJFS Bureau of Accounts Payable at 30 East Broad Street, 38th Floor, Columbus, Ohio 43215. CONTRACTOR agrees to use an invoice instrument to be prescribed by ODJFS and will include in each invoice:
1. CONTRACTOR's name, complete address, and federal tax identification number;
 2. Contract number and dates;
 3. Purchase order number;
 4. Amount and purpose of the invoice;
 5. Description of Deliverables performed during the billing period; and
 6. Receipt or other proof of costs paid by CONTRACTOR for which CONTRACTOR is seeking reimbursement.
- D. CONTRACTOR expressly understands that ODJFS will not compensate CONTRACTOR for any work performed prior to CONTRACTOR's receipt of notice from the ODJFS Contract Manager that the provisions of ORC 126.07 have been met as set forth in ARTICLE II, nor for work performed after the ending date specified in ARTICLE II.
- E. CONTRACTOR expressly understands that ODJFS does not have the ability to compensate CONTRACTOR for invoices submitted after the State of Ohio purchase order has been closed. CONTRACTOR must submit final invoices for payment no later than ninety (90) days after the ending date of this Contract. Failure to do so will be deemed a forfeiture of the remaining compensation due hereunder.
- F. Subject to the provisions of ORC 126.07 and 131.33, which will at all times govern this Contract, ODJFS represents that:
1. It has adequate funds to meet its obligations under this Contract;
 2. It intends to maintain this Contract for the full period set forth in ARTICLE II and has no reason to believe that sufficient funds will not be available to make all payments due hereunder; and
 3. It will use its best efforts to obtain the appropriation of necessary funds during the term of this Agreement.

CONTRACTOR understands that availability of funds is contingent on appropriations made by the Ohio General Assembly or by funding sources external to the State of Ohio, such as federal funding. If the Ohio General Assembly or the external funding source fails at any time to continue funding ODJFS for the payments due under this Contract, this Contract will be terminated as of the date funding expires without further obligation of ODJFS or the State of Ohio.

- G. CONTRACTOR and ODJFS understand that the terms of this Contract, when combined with any other payments made to or open encumbrances with CONTRACTOR during the same State Biennium, cannot establish compensation in excess of Fifty Thousand and 00/100 Dollars (\$50,000.00) aggregate without prior approval from the State Controlling Board in accordance with ORC 127.16.

ARTICLE IV. SUSPENSION AND TERMINATION, BREACH AND DEFAULT

- A. This Contract will automatically terminate upon expiration of the time period in ARTICLE II, upon completion of all Deliverables, or once all of the compensation has been paid.
- B. Notwithstanding other provisions in this ARTICLE, either party may terminate this Contract at will by giving ninety (90) days written notice to the other party. Upon thirty (30) days written notice to CONTRACTOR, ODJFS may suspend this Contract at ODJFS's sole discretion.
- C. Notwithstanding the provision of Section A, above, ODJFS may suspend or terminate this Contract immediately upon delivery of a written notice to CONTRACTOR if:
1. ODJFS loses funding as described in ARTICLE III, Section F;
 2. ODJFS discovers any illegal conduct by CONTRACTOR; or

3. CONTRACTOR has violated any provision of ARTICLE VIII.
- D. Except as provided in Sections A and B of this ARTICLE V, CONTRACTOR will have thirty (30) calendar days within which to cure any breach that is curable after receipt of written notice from ODJFS that CONTRACTOR is in breach of any of its obligations under this Contract. If CONTRACTOR fails to cure the breach within the thirty (30) calendar days after written notice or if the breach is not curable, ODJFS may immediately suspend or terminate this Contract. ODJFS may also suspend or terminate this Contract when breaches are persistent, regardless of whether they are cured within thirty (30) calendar days. For purposes of this Section C, "persistent" means that ODJFS has notified CONTRACTOR three (3) times in writing of CONTRACTOR's failure to meet any of its contractual obligations. The three (3) notices do not have to relate to the same obligation or type of failure. After the third notice, ODJFS may suspend or terminate this Contract without a cure period if CONTRACTOR again fails to meet any contractual obligation. At the sole discretion of ODJFS, certain instances of breach may require a shorter cure period than the thirty (30) calendar days generally applicable in this Section C. In such instances, ODJFS will include in its notice of breach the shorter cure period deemed appropriate.
- E. CONTRACTOR, upon receiving notice of suspension or termination, will:
1. Cease performance of the suspended or terminated Deliverables;
 2. Take all necessary steps to limit disbursements and minimize costs including, but not limited to, suspending or terminating all contracts and subgrants related to suspended or terminated Deliverables;
 3. Prepare and furnish a report to ODJFS, as of the date the notice of termination or suspension was received, that describes the status of all Deliverables and includes the results accomplished and the conclusions reached through Deliverables; and
 4. Perform any other tasks ODJFS requires.
- F. In the event of suspension or termination under this ARTICLE, ODJFS will, upon receipt of a proper invoice from CONTRACTOR, determine the amount of any unpaid Contract funds due to CONTRACTOR for Deliverables performed before CONTRACTOR received notice of termination or suspension. In order to determine the amount due to CONTRACTOR, ODJFS will base its calculations on the payment method described in ARTICLE III and any funds previously paid by or on behalf of ODJFS. ODJFS will not be liable for any further claims submitted by CONTRACTOR.
- G. If ODJFS terminates this Contract for any reason provided in this ARTICLE, except for termination at will pursuant to Section A or termination for loss of funding pursuant to Section B, ODJFS will be entitled to utilize another contractor to complete the Deliverables described in ARTICLE I of this Contract on any commercially reasonable terms as ODJFS and the covering contractor may agree. In this event, CONTRACTOR will be liable to ODJFS for all costs related to covering the project to the extent that such costs, when combined with payments already made to CONTRACTOR prior to termination, exceed the costs that ODJFS would have incurred under this Contract. CONTRACTOR's liability under this Section G is in addition to any other remedies available to ODJFS pursuant to this Contract.
- H. Upon CONTRACTOR's breach or default of provisions, obligations, or duties embodied in this Contract or any term of an award, a federal statute or regulation, an assurance, a State plan or application, a notice of award, or other applicable rule, ODJFS reserves the right to exercise any administrative, contractual, equitable, or legal remedies available without limitation. Any waiver by ODJFS of an occurrence of breach or default is not a waiver of subsequent occurrences. If ODJFS or CONTRACTOR fails to perform any obligation under this Contract and the other party subsequently waives the failure, the waiver will be limited to that particular occurrence of a failure and will not be deemed to waive other failures that may occur. Waiver by ODJFS will not be effective unless it is in writing signed by the ODJFS Director.

ARTICLE V. NOTICES

- A. ODJFS and CONTRACTOR agree that communication regarding Deliverables, scope of work, invoice or billing questions, or other routine instructions will be between CONTRACTOR and the identified ODJFS Contract Manager pursuant to ARTICLE I, Section C of this Contract.

CONTRACTOR further agrees not to seek or obtain copyright, patent or other proprietary protection for any materials or items produced under this Contract. CONTRACTOR understands that all materials and items produced under this Contract will be made freely available to the public unless ODJFS determines that certain materials are confidential under federal or state law.
- B. All ODJFS information that is classified as public or private under Ohio law and ODJFS rules will be treated as such by CONTRACTOR. Should the nature of any information be in question, ODJFS will determine whether the information is public or private. CONTRACTOR will restrict the use of any information, systems, or records ODJFS provides to the specific Deliverables specified in ARTICLE I of this Contract. CONTRACTOR and its employees agree to be bound by the same standards and rules of confidentiality that apply to employees of ODJFS and the State of Ohio. CONTRACTOR agrees that the terms of this Section B will be included in any subcontract executed by CONTRACTOR for work under this Contract.
- C. CONTRACTOR information that is proprietary and has been specifically identified by CONTRACTOR as proprietary will be held as confidential by ODJFS. Proprietary information is information that would put CONTRACTOR at a competitive disadvantage in CONTRACTOR's market place and trade if it were made public. ODJFS reserves the right to require reasonable evidence of CONTRACTOR's assertion of the proprietary nature of any information. The provisions of this ARTICLE are not self-executing. CONTRACTOR must demonstrate that any information claimed as proprietary meets the definition of "trade secrets" found at ORC 1333.61.
- D. All records relating to cost, work performed, supporting documentation for invoices submitted to ODJFS, and copies of all materials produced under or pertaining to this Contract will be retained by CONTRACTOR and will be made available for audit by state and federal government entities that include but are not limited to, ODJFS, the Ohio Auditor of State, the Ohio Inspector General and all duly authorized law enforcement officials. If applicable, CONTRACTOR must meet the requirements of the federal Office of

Management and Budget (OMB) Circulars A-110, A-122, and A-133. CONTRACTOR acknowledges, in accordance with ORC 149.43, that financial records related to the performance of services under this Contract are presumptively deemed public records.

CONTRACTOR further agrees to include the terms of this Section E in any subcontracts that may be executed pursuant to this Contract.

ARTICLE VII. AMENDMENT AND ASSIGNMENT

- A. This writing constitutes the entire agreement between ODJFS and CONTRACTOR with respect to all matters herein. Only a writing signed by both parties may amend this Contract. However, ODJFS and CONTRACTOR agree that any amendments to any laws or regulations cited herein will result in the correlative modification of this Contract without the necessity for executing written amendments. Any written amendment to this Contract will be prospective in nature.
- B. CONTRACTOR agrees not to assign any interest in this Contract nor transfer any interest in the Contract without the prior written approval of ODJFS. CONTRACTOR will submit any requests for approval of assignments and transfers to the ODJFS Contract Manager at least 10 (ten) days prior to the desired effective date. - d. **TERMINATION, SANCTION, DAMAGES:** ODJFS is not obligated and shall not pay for any services provided under this Contract that CONTRACTOR or any of its subcontractors performed outside of the United States. If services are performed outside of the United States, this will be treated as a material breach of the Contract, and CONTRACTOR shall immediately return to ODJFS all funds paid for those services.

In addition, if CONTRACTOR or any of its subcontractors perform any such services outside of the United States, ODJFS may, at any time after the breach, terminate this Contract for such breach, upon written notice to CONTRACTOR. If ODJFS terminates the Contract, ODJFS may buy substitute services from a third party, and may recover the additional costs associated with acquiring the substitute services.

12. **Certification of Compliance.** CONTRACTOR certifies that it is in compliance with all other applicable federal and state laws, regulations, and rules and will require the same certification from its subgrantees or subcontractors.

ARTICLE IX. MISCELLANEOUS PROVISIONS

- A. **Independent Contractor.** CONTRACTOR agrees that no agency, employment, joint venture, or partnership has been or will be created between ODJFS and CONTRACTOR. CONTRACTOR further agrees that as an independent contractor, it assumes all responsibility for any federal, state, municipal or other tax liabilities along with workers compensation, unemployment compensation and insurance premiums that may accrue as a result of funds received pursuant to this Contract. CONTRACTOR agrees that it is an independent contractor for all purposes including, but not limited to, the application of the Fair Labor Standards Act, the Social Security Act, the Federal Unemployment Tax Act, the Federal Insurance Contribution Act, provisions of the Internal Revenue Code, Ohio tax law, Workers Compensation law, and Unemployment Insurance law.
- B. **Limitation of Liability.** To the extent allowable by law, CONTRACTOR agrees to hold ODJFS harmless in any and all claims for personal injury, property damage, and/or infringement resulting from Deliverables. CONTRACTOR's sole and exclusive remedy for any ODJFS failure to perform under this Contract will be an action in the Ohio Court of Claims pursuant to ORC Chapter 2743 that will be subject to the limitations set forth in this ARTICLE. In no event will ODJFS be liable for any indirect or consequential damages, including loss of profits, even if ODJFS knew or should have known of the possibility of such damages.

- C. **Infringement of Patent or Copyright.** To the extent allowable by law and subject to ORC 109.02, CONTRACTOR agrees to defend any suit or proceeding brought against ODJFS, any official or employee of ODJFS acting in his or her official capacity, or the State of Ohio due to any alleged infringement of patent or copyright arising out of the performance of this Contract, including all work, services, materials, reports, studies, and computer programs provided by CONTRACTOR. ODJFS will provide prompt notification in writing of such suit or proceeding; full right, authorization, and opportunity to conduct the defense thereof; and full disclosure of information along with all reasonable cooperation for the defense of the suit. ODJFS may participate in the defense of any such action. CONTRACTOR agrees to pay all damages and costs awarded against ODJFS, any official or employee of ODJFS in his or her official capacity, or the State of Ohio as a result of any suit or proceeding referred to in this Section C. If any information and/or assistance is furnished by ODJFS at CONTRACTOR's written request, it is at CONTRACTOR's expense. If any of the materials, reports, or studies provided by CONTRACTOR are found to be infringing items and the use or publication thereof is enjoined, CONTRACTOR agrees to, at its own expense and at its option, either procure the right to publish or continue use of such infringing materials, reports, or studies; replace them with non-infringing items of equivalent value; or modify them so that they are no longer infringing. The obligations of CONTRACTOR under this Section survive the termination of this Contract, without limitation.
- D. **Liens.** CONTRACTOR will not permit any lien or claim to be filed or prosecuted against ODJFS or the State of Ohio because of any labor, services, or materials furnished. If CONTRACTOR fails, neglects, or refuses to make prompt payment of any claims for labor, services, or materials furnished to CONTRACTOR in connection with this Contract, ODJFS or the State of Ohio may, but is not obligated to, pay those claims and charge the amount of payment against the funds due or to become due to CONTRACTOR under this Contract.
- E. **Delay.** Neither party will be liable for any delay in its performance that arises from causes beyond its control and without its negligence or fault. The delaying party will notify the other promptly of any material delay in performance and will specify in writing the proposed revised performance date as soon as practicable after notice of delay. The delaying party must also describe the cause of the delay and its proposal to remove or mitigate the delay. Notices will be sent pursuant to ARTICLE IV. In the event of excusable delay, the date of performance or delivery of products may be extended by amendment, if applicable, for a time period equal to that lost due to the excusable delay. Reliance on a claim of excusable delay may only be asserted if the delaying party has taken commercially reasonable steps to mitigate or avoid the delay. Items that are controllable by CONTRACTOR's subcontractor(s) will be considered controllable by CONTRACTOR, except for third-party manufacturers supplying commercial items and over whom CONTRACTOR has no legal control. The final determination of whether an instance of delay is excusable lies with ODJFS in its discretion.

ARTICLE X. CONSTRUCTION

This Contract will be governed, construed, and enforced in accordance with the laws of the State of Ohio. Should any portion of this Contract be found unenforceable by operation of statute or by administrative or judicial decision, the remaining portions of this Contract will not be affected as long as the absence of the illegal or unenforceable provision does not render the performance of the remainder of the Contract impossible.
