

New York State Department of Health Personal Care Aide Training Programs

This list of Personal Care Aide Training Programs (PCATP) shows, for each PCATP, the time period during which it was approved to offer personal care aide (PCA) training and issue PCA certificates. The date on the certificate should be between the dates listed in the "Open Date" and "Closed Date" columns. If there is no date in the "Closed Date" column, the PCATP is still open and approved by the NYS Department of Health to train PCAs and issue PCA certificates.
