

Federal Direct Parent PLUS Loan Information

COMPLETE AND SUBMIT THE FOLLOWING ITEMS

A. Free Application for Federal Student Aid (FAFSA)

All students whose parents wish to borrow a Federal Direct PLUS Loan through The Ohio State University must first complete the Free Application for Federal Student Aid. Students who meet all eligibility criteria are notified via email when their financial aid awards are determined. Students can view their awards as well as the calculated maximum PLUS Loan eligibility via the Financial Aid section of the Student Center. The FAFSA can be completed online at <http://www.fafsa.ed.gov/>.

B. Application for Federal Direct Parent Loan for Undergraduate Students (Parent PLUS)

All borrowers must submit this form to the Student Financial Aid Office each time they borrow a Parent PLUS loan. Only the borrower's information can be accepted on this form and on the promissory note. A natural or adoptive parent can borrow a PLUS on behalf of the student. A step-parent can serve as the borrower only if his or her information was included on the FAFSA. Providing any other person's information and/or use of any PIN (as the electronic signature) other than the borrower's, will not be acceptable.

- See page 2 of these instructions for information on how to determine the amount to borrow.
- Please provide a copy of the parent's driver's license (and Social Security card if your Social Security number does not appear on the driver's license) to confirm borrower information and to avoid processing delays.

C. Federal Direct Parent PLUS Loan Master Promissory Note (EMPN)

Only complete the online form at <https://studentloans.gov/myDirectLoan/index.action> if the parent is borrowing through the Parent PLUS program for the FIRST TIME for this student or if a financial endorser was required previously. Please note that any previous borrowers who received their first Parent PLUS loan during the 2003 -2004 academic year and have not borrowed since may be required to complete a new Parent PLUS EMPN. A parent who wants to borrow Parent PLUS loans for more than one dependent student must complete a separate Parent PLUS EMPN for each student. In addition, if each parent wants to borrow Parent PLUS loans for the same student, they must individually complete a separate application and EMPN. **You will see an option on this site to complete an Application for PLUS; however, Ohio State does not process PLUS applications from this site. You must complete the paper application included here.**
