Enrollee name
Authorized representative name
Address
City, State Zip

The Minnesota Department of Human Services (DHS) sent letters to some people under age 18 indicating they would be enrolled in Special Needs BasicCare (SNBC) effective March 1, 2012. This notice was sent in error.

Those individuals who received a notice in error **DO NOT** have to return the forms included with the letter. All individuals under age 18 will continue to receive Medical Assistance health care coverage through fee-for-service.

If and when a person under 18 becomes eligible to enroll in SNBC, a new letter will be sent. Please accept our apologies for any confusion this may have caused you.
