

Your **Renewal FAFSA**

Renewal Free Application for Federal Student Aid
July 1, 2002 – June 30, 2003 School Year (2002-2003)

OMB No. 1845-0001

Do not send in this application before January 1, 2002.

1

Use this **Renewal FAFSA** to apply for federal and state grants, work-study, and loans. Because the Renewal FAFSA contains preprinted information that you reported to us for the 2001-2002 school year, it is faster and easier for you to use than the *Free Application for Federal Student Aid* (FAFSA).

If you are filing a **2001 income tax return**, we recommend that you complete it before filling out this form. However, you do not need to file your income tax return with the IRS before you submit this form.

If you or your family has **unusual circumstances not shown on this form** (such as loss of employment) that might affect your need for financial aid, submit this form and then consult with the financial aid office at the college you plan to attend.

You may also use this form to apply for **aid from other sources, such as your state or college**. The deadlines for states (see page 2) or colleges may be as early as January 2002 and may differ.

2

Review your answers from last year. Enter new or updated information if your previous answer has changed or was incorrect. If your answer from last year that is printed on the application is still correct, you do not need to write anything for that question. Refer to the notes in this booklet as necessary.

Some questions, such as information about your year 2001 income, do not have your last year's information printed in them. For these questions, which have arrows by them, you **must** give us new information.

3

After you complete this application, make a copy of it for your records. Then mail the original form and return postcard in the enclosed envelope or to the address printed on the application.

You should submit your application as early as possible, but no earlier than January 1, 2002. If the date on your application is before January 1, 2002, **your application will be returned to you unprocessed**. We must receive your application **no later than June 30, 2003**. Your college must have your correct, complete information by your last day of enrollment in the 2002-2003 school year.

Apply on-line with
FAFSA on the Web
See page 3

You should receive a *Student Aid Report* (SAR) in the mail within four weeks. If you do not, please check on-line at www.fafsa.ed.gov or call 1-800-433-3243.

Want more information?

If you have questions about this application, or for more information on eligibility requirements and the U.S. Department of Education's student aid programs, look on the Internet at **www.ed.gov/studentaid**

2. Access Your Information

With your PIN, you can electronically access your information at www.fafsa.ed.gov

Processing is free, secure, and generally completed 7-14 days faster than if you filled out and mailed a paper application. You should file as soon as possible but **not before January 2, 2002.**

Note: On your Renewal FAFSA, this question may appear out of order at the bottom of the first page, between questions 16 and 17.

Step Two Student (and Spouse) Income and Assets

If you filed or will file a foreign tax return, or a tax return with Puerto Rico, Guam, American Samoa, the U.S. Virgin Islands, the Marshall Islands, the Federated States of Micronesia, or Palau, use the information from that return to fill out this form. If you filed a foreign return, convert all figures to U.S. dollars, using the exchange rate that is in effect today.

- 38.** If you have filed or will file a 1040, were you eligible to file a 1040A or 1040EZ?

Information on the Privacy Act and use of your Social Security Number

We use the information that you provide on this form to determine if you are eligible to receive federal student financial aid and the amount that you are eligible to receive. We use your Social Security Number to verify your identity and retrieve your records, and we may request your Social Security Number again for those purposes.

State and institutional student financial aid programs may also use the information that you provide on this form to determine if you are eligible to receive state and institutional aid and the need that you have for such aid. Therefore, we will disclose the information that you provide on this form to each institution you list in questions 86–97, state agencies in your state of legal residence, and the state agencies of the states in which the colleges that you list in questions 86–97 are located.

If you are applying solely for federal aid, you must answer all of the following questions that apply to you: 1–9, 13–15, 24, 27–28, 31–32, 35, 36–40, 42–49, 52–66, 69–74, 76–85, and 98–99. If you do not answer these questions, you will not receive federal aid.

Without your consent, we may disclose information that you provide to entities under a published “routine use.” Under such a routine use, we may disclose information to third parties that we have authorized to assist us in administering the above programs; to other federal agencies under computer matching programs, such as those with the Internal Revenue Service, Social Security Administration, Selective Service System, Immigration and Naturalization Service, and Veterans Administration; to your parents or spouse; and to members of Congress if you ask them to help you with student aid questions.

If the federal government, the U.S. Department of Education, or an employee of the U.S. Department of Education is involved in litigation, we may send information to the Department of Justice, or a court or adjudicative body, if the disclosure is related to financial aid and certain conditions are met. In addition, we may send your information to a foreign, federal, state, or local enforcement agency if the information that you submitted indicates a violation or potential violation of law, for which that agency has jurisdiction for investigation or prosecution. Finally, we may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status, and history of the claim; and the program under which the claim arose.
