

Big Sky
"Illicit Drug"
Conference

The goal of the conference is to bring together law enforcement personnel, prevention specialists/coalitions, school professionals, medical personnel and treatment professionals from Montana and throughout the Rocky Mountain Region for a comprehensive conference focusing on Methamphetamine, marijuana and club drugs. Emphasis will be placed on community collaboration, as well as specific prevention and intervention concepts that may assist each community in attendance. The conference will provide accurate up-to-date information and encourage community-wide collaborations to develop a community response to the serious issues of these illicit drugs.
