

Domestic Stock Corporation Dissolution Filing Requirements

The voluntary dissolution of a domestic stock corporation is initiated by an election to dissolve. The election to dissolve may be made by the vote or written consent of at least fifty percent of the outstanding shares of the corporation, by the board of directors if no shares have been issued or in limited circumstances, by a majority of the incorporators if no directors were named in the original Articles of Incorporation and none have been elected. Following this election the corporation must file documents with the Secretary of State, as discussed below.

To dissolve, the corporation must file a Certificate of Election to Wind Up and Dissolve (Form ELEC STK) prior to or together with a Certificate of Dissolution (Form DISS STK). However, if the election to dissolve is made by the vote of all the outstanding shares, only the Certificate of Dissolution is required.

Note: In lieu of the above-mentioned certificates, a domestic stock corporation can file a Short Form Certificate of Dissolution (Form DSF STK) if the following requirements are met:

- 1) The Short Form Certificate of Dissolution is being filed **within 12 months** from the date the Articles of Incorporation were filed;
- 2) The corporation has no debts and liabilities (other than tax liability);
- 3) The tax liability will be satisfied on a taxes paid basis or the tax liability will be assumed;
- 4) The final tax return has been or will be filed with the Franchise Tax Board;
- 5) The corporation has not conducted any business;
- 6) The corporation has not issued shares, and if the corporation has received payments for shares from investors, those payments have been returned to those investors;
- 7) The majority of the directors (or incorporators, if directors were not named and none have been elected) authorized the dissolution and elected to dissolve the corporation; and
- 8) The assets have been distributed to the persons entitled thereto or no assets have been acquired.

Upon the filing of the Certificate of Dissolution or Short Form Certificate of Dissolution by the Secretary of State, the corporation will be completely dissolved and its corporate existence will cease.

Filing instructions along with the above-mentioned forms are enclosed. The preprinted forms were created for ease in filing, however, any format may be used, provided it meets statutory requirements. Statutory filing requirements are found in California Corporations Code sections [1901](#) (Certificate of Election To Wind Up and Dissolve), [1905](#) (Certificate of Dissolution) and [1900.5](#) (Short Form Certificate of Dissolution). It is recommended for proof of submittal that if the document(s) are mailed to the Secretary of State, they be sent by Certified Mail with Return Receipt Requested.

Please note: Dissolution documents **cannot** be filed on behalf of a corporation that has been suspended by the California Franchise Tax Board pursuant to Revenue and Taxation Code sections [23301](#), [23301.5](#) and [23775](#), and are not required to be filed on behalf of a corporation that has already dissolved, merged out of existence in California or converted into another business entity type.
