

## **A Message from SCE Provost, Dr. W. Gary McGuire**

The reputation of an educational institution like the School of Continuing Education is built upon the faculty, the accomplishments of their students, and the impact that both have upon the community. The School of Continuing Education is a significant part of the North Orange County Community College District and along with its sister institutions, Cypress College and Fullerton College, strives every day to anticipate the educational needs of our community and respond with the highest quality educational programs. The upcoming Fall term is no different.

Inside this class schedule, you'll find the widest variety of non-credit continuing education classes available in our region from a single source. So join your friends and neighbors to learn something new in a welcoming and positive learning environment.

Our faculty members are gifted and talented. Our students are positive and goal oriented. Our staff is driven to help you achieve the best learning outcomes possible. Many students who study with us come back year after year! If you haven't already enrolled in one of our classes, or if you've been away for a while, come see what you've been missing. I am confident that once you enroll, you will come back to learn more with us or perhaps one of our sister colleges. In any case, I know you will benefit from your experience with us. Welcome to the School of Continuing Education.

## ***The SCE Mascot is coming soon!***

Thank you to all of the numerous entries we received for the SCE Mascot Contest. We appreciated all of the time, talent and creativity that went into the submissions.

The committee has met and is now finalizing the selection. We look forward to unveiling the new SCE Mascot in the Winter 2005 SCE Class Schedule!

# GENERAL INFORMATION

## SCE SCHEDULE SYMBOL KEY

AN = Anaheim Campus  
CC = Cypress College Campus  
CRN = Course Registration Number  
NC = No class will be held on that particular date  
WIL = Wilshire Campus (Fullerton)  
YL = Yorba Linda Campus

By district policy, "every course, course section or class shall be open to enrollment and participation by any person who has been admitted to the School of Continuing Education (SCE)".

## CLASSES

**ADMISSION TO CLASSES:** Students are admitted on a first come, first served basis. Students are not permitted to attend classes in which they are not officially enrolled. This means NO petitioning or auditing in a SCE class (ECE classes are an exception). Classes 'filled' may have a 'waiting list' already established for students wanting to attend. Non-Tuition Classes: You must attend first day of class or you may lose your spot!

**CLASS CANCELLATIONS:** If class attendance drops, classes may be cancelled.

**CLASS SCHEDULE SUBJECT TO CHANGE:** SCE has made every reasonable effort to determine that this class schedule is accurate; however, changes may occur after press time.

**CLASS ATTENDANCE:** Students are expected to attend all classes, or the class may be cancelled. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started.

**HOLIDAY WEEKEND POLICY:** SCE knows that in exceptional situations classes may meet on a weekend preceding or following a holiday. If this happens, instructors are encouraged to discuss holiday calendars with their students, as well as advise their coordinator or dean to ensure site and classroom availability. Once approval is obtained, every effort will be made to communicate arrangements for holiday weekend classes to students, instructors and office staff. It is intended that this procedure will meet program standards and directly benefit students.

**BOOKSTORES:** bookstore can be reached at the following locations: Anaheim Campus (714) 808-4675; Cypress Campus (714) 484-7336; Wilshire Campus (714) 992-7557

**IN-CLASS REGISTRATION:** You must be present at the first meeting of any class where in-class registration takes place or you may lose your spot to someone else. A minimum number of students must attend the first class meeting. Non-tuition classes may be discontinued during the trimester if attendance drops. Tuition classes, however, will continue according to schedule once they have started. NOTE: In-class registration is on a "first come, first served" basis, so arrive on time!

**WHERE DO YOU REGISTER?** Wherever the class is held, students can register at any of the four SCE campuses: Anaheim (Second Floor), Cypress (Pkg Lot 4: Bldg CE8-5), Wilshire (Bldg 100), Yorba Linda (Bldg 100). You may also register on-line at [www.sce.cc.ca.us](http://www.sce.cc.ca.us) by clicking on WebStar and following instructions.

**CHILDREN IN CLASS:** No children are to attend adult classes.

**MINOR STUDENTS:** SCE classes are open to those 18 years or older who have been admitted to SCE and are not attending school. Students under 18 who have not graduated from high school may infrequently be permitted to attend under special circumstances. It is advisable to contact the administrator (Dean or Provost) at the site where the class is offered prior to obtaining the required permission letter from the school the minor student is currently attending. If permission to enroll is granted by the Dean or Provost, the minor student may enroll only after the regular registration period so that priority is given to adult students. Children of any age may take Kids' College classes as indicated in the course descriptions.

**NAME CHANGE:** Students are encouraged to visit one of the SCE campuses to request a name change prior to registration. Students must provide a picture ID when requesting a name change. No name changes will be made during the two weeks of registration.

## PARKING

**PARKING FEES:** Permit parking spaces are limited; a parking permit does not always guarantee a parking space. IF YOU DON'T HAVE A PERMIT, YOU WILL GET A TICKET! An exception: DMV disabled person placard holders are allowed to park free in metered parking spots - Parking in any other spots requires a paid permit. Parking permits are refundable prior to first class meeting only and must be returned to receive a refund.

**Parking at the Anaheim and Wilshire Campuses:** Parking is by permit only. Vehicle permits: \$35, motorcycle permits: \$20; both are available at the SCE Front Counter. Daily passes are available for \$2 throughout parking areas.

**Parking at the Cypress Campus:** Parking is by permit only. Vehicle permits: \$35; motorcycle permits: \$20 both are available at the Cypress Continuing Education Office, in CE-8 (off of parking lot 4). Daily passes in parking lots 1, 4, 6 and 9: \$2 each. Short-term parking meters are in Lots 1, 4, 6, and 7 and College Circle.

**Parking at the Yorba Linda Campus:** Free parking!

**BUS SERVICE:** OCTD provides service to each of our four SCE campuses. For more information, call (714) 636-7433.

## FEES

**HOW MAY I PAY FOR CLASSES?** Full payment is required at the time of registration. Cash, checks, money orders, and credit cards (MasterCard and VISA) are accepted. \$25 will be charged to any students' account where a check is returned for non-sufficient funds.

**TUITION FEES:** Classes NOT funded by State legislature are supported by student tuition. For instructional materials or supplies required for certain classes, you will have to pay these fees. While late registration is permissible in most classes, full payment of tuition fees is always required.

**HOLDS:** SCE will withhold transcripts, registration privileges or any combination thereof from any student or former student who has failed to pay all outstanding fees (from current or previous terms) or for other administrative reasons.

**REFUNDS:** A Refund Petition must be filled out 48 hours before the class starts. A \$10 processing fee will be deducted from ALL refunds issued (except classes canceled by the District). Refunds will be processed two weeks after the term begins. No refunds on books or bus tours.

## RECORDS

**STUDENT RECORDS:** California Administrative Code, Title V, and District policy states that you can review your student records at any time. All student records are located at the SCE Wilshire Campus. Transcript requests are accepted by mail (the form may be printed off of the SCE web site) or in person. Please allow 10 business days for processing.

This includes chemical spills, gas station remediations, abandoned chemical and waste sites and/or clandestine drug labs. The donning of PPE (personal protective equipment) is an important aspect of this course.
