Membership Rates

Membership of the Society runs for one calendar year from the date of joining. Two levels of membership are available, for a single person at £10 per annum, or for two people at the same address at £15 pa. Correspondence will be sent to the first named person.

Overseas customers: Please go to our website www.buchanroots.co.uk to find payment details for PayPal and credit/debit cards under sales. Payment can also be made by cheque from a UK bank account in GBP. Unfortunately our facility with the following local currencies – Australian dollars, Canadian dollars, New Zealand dollars and U.S.A dollars is being withdrawn on 1st September 2011 as the high level of bank charges make cheque payments in these currencies no longer viable. Any cheques sent from August onwards may arrive too late to be processed.

The completed form and remittance should be returned to the address below.

Data Protection Act (1998) The personal details that you supply are stored on computer for administration and research purposes only, and will be used as your mailing address. Your name, postal and email address will also be entered on our membership list which is available to all our members on request. It will not be passed to non-members of the Society. If you object to your details appearing on the list, please indicate so in the form above.
