Instructions Application for Registration Agricultural Sales and Use Tax Certificate of Exemption

Instructions:

- Item 1: Indicate whether application is being submitted for a new exemption certificate or to renew an existing certificate.
- **Item 2:** Indicate whether you are a farmer, timber harvester, or nursery operator.
- **Item 3:** Provide the legal name and address of the business for which exemption is requested. If requesting for yourself as an individual, please enter your name and your location address.
- Item 4: Provide the primary mailing address where correspondence regarding this exemption should be mailed.
- Item 5: Provide the telephone number, fax number, and e-mail address of the person or business being registered.
- **Item 6:** Enter the social security number of the individual or federal employer identification number (FEIN) of the business.
- Item 7: Indicate the legal form of the person or business for whom the exemption is requested.
- **Item 8:** If the business for which exemption is being requested is not a sole proprietor, husband and wife ownership, or general partnership, enter the name of the business, as registered with the Tennessee Secretary of State (SOS), and the SOS number.
- Item 9: You <u>must</u> meet one or more of the criteria listed on the front of this application to be eligible for an agricultural sales and use tax exemption as a farmer, timber harvester, or nursery operator. Check the block in Item 9 next to the qualification under which the individual or business qualifies for exemption. Supporting documentation of exemption authorization must be submitted with this application as indicated.
- **Item 10:** The individual or the primary member of the business for which exemption is being requested must provide the person's printed name, sign the application form, and provide the date on which the application is being submitted.

WARNING: Persons qualifying for this exemption will be liable for tax, penalty, and interest on purchases made without the payment of tax if such purchases are not used directly and principally in producing agricultural products for sale and consumption off the premises or if they allow other persons to use their exemption certificate or number to make tax-exempt purchases. For more information concerning the types of purchases that can be made by qualifying farmers, timber harvesters, and nursery operators, please visit the department's web site or call the department at the numbers listed below.
