This form is NOT an extension of time to pay personal income taxes due. File this form to request a four-month extension of time to file your 2005 West Virginia personal income tax return (August 15, 2006). **Note:** This form and payment should be filed on or before the due date of the return (April 17, 2006). A penalty is imposed for late filing/late payment of tax unless reasonable cause can be shown. **If you receive an extension of time for federal income tax purposes and expect to owe no West Virginia income tax, you are not required to file this form.** To receive the same extension for state tax purposes, you need only note on your West Virginia personal income tax return that a federal extension was granted.

INSTRUCTIONS FOR FILING SCHEDULE L

File Schedule L if you:

1. Need an extension of time to file your state return, even though no extension was necessary to file your federal return; or
2. Are granted an extension of time to file your federal return and expect to owe additional West Virginia income tax.

You will be notified only if the request for extension of time to file is denied. When filing your return, attach a copy of this form.

The Mailing Address for Schedule L is:

 Charleston, West Virginia 25329-2585

File this form to pay any tax expected to be due before the due date of your personal income tax return (April 15 of the following year for calendar year taxpayers; the fifteenth day of the fourth month following the end of the taxable year for fiscal year taxpayers). Any application filed after the due date will be denied and subject to interest and penalties. Any amount paid with Schedule L should be included on line 10 of Form IT-140, or line 13 of Form IT-140NR/PY.
