- What your life was like before you began working toward your GED®
- Why you decided to work toward your GED®
- Whether you studied with a special teacher and how long it took you to prepare
- How your life may have changed since obtaining your GED®
- Your future plans

The applicant hereby understands and agrees to comply with the following:

1. Must be a resident of the state of West Virginia;
2. Must be a GED® graduate with a score of 250 prior to Jan 1, 2002 or 2500 after Jan 1, 2002;
3. Must be a full-time student (enrolled 12 hours or meet institution's definition of full-time status).

The Department is under no obligation to award former recipients a scholarship each year; however, former recipients will be given priority upon submission and re-qualification of a new application for that current school year.
