SUPPORTING DOCUMENTS

NAME SEARCH

If you are incorporating under a name instead of a number name, you must obtain an Ontario-biased NUANS report for the proposed name. NUANS is a computerized search system that compares a proposed corporate name or trade-mark with databases of existing corporate bodies and trade-marks. This comparison determines the similarity that exists between the proposed name or mark and existing names in the database, and produces a listing of names that are found to be most similar. This search must be submitted together with the duplicate Articles of Incorporation within 90 days from production by the NUANS system. For example, articles submitted on November 28th could be accompanied by a NUANS name search report dated as early as August 30th, but not dated earlier.

The Companies and Personal Property Security Branch does not provide this search. Suppliers are listed in the Yellow Pages under the heading "Searchers of Records" or visit Industry Canada's NUANS site at, www.nuans.com for a list of registered search houses that can assist you with obtaining a NUANS search report and filing your corporate documents with the Ministry of Government Services. Please note the NUANS search **must be Ontario biased**.

It is the applicant's responsibility to check the search for similar/identical names and to obtain any consent that may be required. The Ministry will not grant a name that is identical to the current name or former name of another corporation operating in Ontario whether active or not, unless it has been more than ten years since the other corporation dissolved or changed its name. The only exception to this rule is when the corporation meets the requirements of Subsection 6(2) of Regulation 62 under the *Business Corporations Act*. In this case a legal opinion must accompany the articles being filed. The legal opinion must be on legal letterhead and must be signed by an individual lawyer (not a law clerk or law firm). It must also clearly indicate that the corporations involved comply with Subsection 6(2) by referring to each clause specifically.

BILINGUAL NAMES

When incorporating a corporation with an English and French form of the name a name search is required for each form of the name (English and French) unless the English and French forms of the name are identical and the legal element in the French form is the French version of the legal element in the English form (for example, INCORPOREE and INCORPORATED). There should be a forward slash (/) separating the two forms of the name.

NUMBER NAMES

You do not require a name search for a number name. In article one on the form, leave nine empty boxes, then type or print in block capital letters the word "ONTARIO" followed by one of the following legal elements: LIMITED, LIMITÉE, INCORPORATED, INCORPORÉE, CORPORATION or the corresponding abbreviation LTD., LTÉE, INC., or CORP. The Companies and Personal Property Security Branch will assign a number to the corporation.

COVERING LETTER

Enclose a covering letter setting out the name of a contact person, a return address and a telephone number. This will facilitate the processing of the articles should a question arise as to the content of the articles.

APPEARANCE OF DOCUMENTS

The Articles of Incorporation must be completed in duplicate on Form 1 as approved by the Minister. All documents must be legible and compatible with the microfilming process, with the information typed or hand printed in block capital letters, on one side of good quality white bond paper 8 ½" X 11".

The article headings are numbered 1 to 10 and must remain in that order. Do not leave out any of the headings. If a section does not apply type "nil" or "not applicable". When additional pages are required, due to lack of space, they should be the same size as all the other pages and should be inserted after the applicable heading with the same number as the heading page with the addition of alphabet characters to indicate sequence. For example, pages inserted after page 3 would be numbered 3A, 3B, etc.

ARTICLE 1 Set out the name of the corporation in block capital letters starting from the first box of the first line on the left with one letter per box and one empty box for a space. Punctuation marks are entered in separate boxes. Complete one line before starting in the first box of the next line. The name entered must be exactly the same as that on the name search report.

ARTICLE 3 Set out the number of directors. This can be a fixed number of directors (e.g.. 1) or a minimum and maximum number (e.g. minimum 1, maximum 10). Do not complete both.

Where a corporation has less than four directors, at least one must be a resident Canadian. The directors must be individuals, not corporations.

Form 2, Consent to Act as a First Director - A person listed as a director (article 4) who is not an incorporator (article 10) and therefore is not signing the form is required to complete a Form 2, Consent to Act as First Director. The completed and signed Form 2 must be available for inspection at the registered office of the corporation.

- ARTICLE 5 Set out restrictions, if any, on the business the corporation may carry on or on the powers that the corporation may exercise. If none, state so.

- EXECUTION Both copies of the articles must be signed by each of the incorporators.
