Will students be traveling as a group throughout the program? Yes No

Are students permitted to leave your group itinerary at any point to travel to places of their own choosing? Yes No

How strenuous are the physical demands of your program?

- Students will need to be able to walk 2 miles per day.
- Terrain to be covered is uneven and may be challenging for some students.
- We will be standing for long periods of time (1-5 hours) at events/ venues.
- On a scale of 1 – 5, with 5 being the most strenuous, how strenuous would this trip be for the average participant? 2.5
- We will be at altitude (>5000 ft.) for all/part of our trip.

Are there any other factors that need to be taken into consideration regarding your program?

The summer months in Ghana will be warm and often rainy, so students need to take adequate precaution
