Please allow 60 to 90 days for delivery.

* The amount in the "Unit Price" column represents the *estimated* number of fiche required to film the publication. The *actual* number of fiche required may be more or less than the number listed. Any difference between the estimated and actual number of fiche for a document will affect the final cost of the publication and will be adjusted on your invoice or account balance.

** Shipping and handling: \$0.37 for the first microfiche sheet; for any subsequent sheets mailed in the same package, add \$0.11. Example: for a total number of three microfiche sheets, the shipping and handling cost is \$0.59 (\$0.37 + \$0.11 + \$0.11). The shipping and handling cost may be calculated using the worksheet below:
