

# AHA Online Heartsaver First Aid

## AHA Online Heartsaver First Aid with CPR/AED

These courses consist of three parts: online learning, practice with equipment, and a skills evaluation. They are self-paced and are accessible anytime from any computer. After successful completion of the online portion, a hands-on skills evaluation is required. Skills evaluations take place at the Health First Training Center.

### Heartsaver First Aid Online

Initial Certification or Renewal First Aid for those who are NOT healthcare providers  
Price: \$55

This course uses interactive lessons and videos to teach you about medical emergencies, first aid basics, injury emergencies and environmental emergencies. You will learn about bandaging, shock, seizure, fainting, broken bones, and poison, to name a few.

### Heartsaver First Aid with CPR/AED Online

Initial Certification or Renewal First Aid and CPR for those who are NOT healthcare providers  
Price: \$75

This course includes the Heartsaver First Aid course, as well as CPR, AED use and choking relief for adults, children, and infants.

Once you have registered, you will receive an email from the American Heart Association with instructions.
