SCHEDULE		FACULTY	
7:30 am	Registration and Breakfast	Course Co-Directors	
8:00 am	Introduction Bassel W. Abou-Khalil, MD		Bassel W. Abou-Khalil, MD <i>Professor of Neurology Director, Epilepsy Division Vanderbilt University</i>
8:05 am	Basic Electronics and Basic Neurophysiology for EEG and EPs Amir M. Arain, MD		Amir M. Arain, MD <i>Assistant Professor of Neurology Director, EEG Laboratory</i>
8:30 am	Montages, Polarity, Localization Bassel W. Abou-Khalil, MD		Peter Donofrio, MD <i>Professor of Neurology Director, EMG Laboratory and Neuromuscular Division</i>
9:00 am	The Normal EEG and Normal Variants Bassel W. Abou-Khalil, MD	Vanderbilt Faculty	
9:30 am	Nonepileptiform EEG Abnormalities Bassel W. Abou-Khalil, MD		Nabil J. Azar, MD <i>Assistant Professor of Neurology Associate Director, Clinical Neurophysiology Training Program Division of Epilepsy</i>
10:00 am	Break		Amanda C. Peltier, MD, MS <i>Assistant Professor of Neurology EMG Division</i>
10:30 am	The EEG in Epilepsy Bassel W. Abou-Khalil, MD		
11:00 am	Evoked Potentials: General Principals Amir M. Arain, MD		
11:30 am	VEPs, BAEPs Amir M. Arain, MD		
12:00 pm	Lunch		
1:00 pm	SSEPs and Intraoperative Monitoring Nabil J. Azar, MD		
1:30 pm	Fundamentals of NCS and NMJ Testing Peter Donofrio, MD		
2:00 pm	Fundamentals of EMG Peter Donofrio, MD		
2:30 pm	Abnormal Patterns of NCSs Amanda C. Peltier, MD, M.S.		
3:00 pm	Break		
3:30 pm	Abnormal EMG Patterns In Disease Amanda C. Peltier, MD, M.S.		
4:00 pm	NCV-EMG Case Presentations Peter Donofrio, MD Amanda C. Peltier, MD, M.S.		
4:30 pm	Question and Answer Session		
5:00 pm	Adjourn		

PURPOSE AND TARGET AUDIENCE	LOCATION	FACULTY DISCLOSURE
The desired result is better, more competent diagnoses and care for patients with epilepsy, neuromuscular diseases, and related disorders. In addition, the course should improve the standards of clinical Neurophysiology laboratories in Tennessee and states where participants are practicing. For recent clinical Neurophysiology fellowship graduates, general Neurologists and EEG technologists from throughout the Southeastern United States, we hope that the course will be a stimulus to sit for and pass the American Board of Neurology and Psychiatry Certification Exam in Clinical Neurophysiology.	This program will be held at the Student Life Center on the Vanderbilt University Campus. Additional information, including parking instructions, will be provided in your confirmation materials.	It is the policy of Vanderbilt School of Medicine that participants in CME activities be made aware of any affiliation or financial interest that may affect the planner’s involvement and speaker’s presentation(s). Each course director, planner, and speaker has completed and signed a conflict of interest statement. The faculty members’ relationships will be disclosed to the audience.
LEARNING OBJECTIVES	ACCOMMODATIONS AND TRAVEL	AMERICANS WITH DISABILITIES ACT
At the conclusion of this activity, participants should be able to describe and discuss: 1. Best clinical Neurophysiology tests for clinical questions 2. Normal and abnormal findings in EEG, Evoked potentials, and EMG studies 3. Pitfalls associated with EEG, EP, and EMG studies	Rooms have been reserved at the Hutton Hotel. In order to receive the group rate, please mention the group “Contemporary Clinical Neurophysiology Symposium” when making your reservation. Reservations will be confirmed on a space available basis at our group rate. To make a reservation, participants should contact: Hutton Hotel 1808 West End Avenue Nashville, TN 37203 1(866) 612--5028 (615) 340-0010 Fax Group rate \$189 per night for Standard Deluxe Room All rooms subject to taxes currently at 15.25% + \$2.50 city tax. Reservations must be made by Wednesday, April 15, 2009 to receive the group discounted rate.	It is the policy of Vanderbilt School of Medicine not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in this act in order to fully participate in this continuing education activity, please contact Nicole John by phone at (615) 343-2919, or by email at nicole.john@vanderbilt.edu, or attach a note to your registration form.
REGISTRATION FEE	CANCELLATION POLICY	ABOUT VISITING NASHVILLE
Your registration fee includes attendance at all sessions, the course syllabus, CME credit, continental breakfast, refreshment breaks, and lunch. Please see the registration form for fees.	If you must cancel your registration for this course, Vanderbilt Department of Neurology will refund your registration fee, less a \$25 administrative fee, provided you notify us by April 17, 2009. No refunds will be made after that date. Exceptions will be made for justifiable emergencies. Registration may be transferred to another person or to another course date. In the event of cancellation or rescheduling of this CME activity due to unforeseen circumstances, Vanderbilt University will refund registration fees in full. Vanderbilt is not responsible for non-transferable airline tickets or hotel accommodations purchased in connection with attendance of this CME activity.	May is a great time to visit the mid-south and Nashville has a lot to offer tourists of varied interest. Here is a list of places you may want to see while visiting. <i>Musical Attractions</i> – The Grand Ole Opry, Schermerhorn Symphony Center, Tootsie’s Orchid Lounge, Wildhorse Saloon <i>Restaurants</i> – Jimmy Kelly’s, The Acorn, The Palm, 1808 Grille and Tayst <i>Other Attractions</i> – Frist Center for the Visual Arts, The Parthenon, Belle Meade Plantation, Country Music Hall of Fame and the Grand Ole Opry. For more information on Nashville, please visit www.VisitMusicCity.com
CME CREDIT DESIGNATION		ADDITIONAL INFORMATION
Vanderbilt School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this educational activity for a maximum of 7.0 <i>AMA PRA Category 1 Credit(s)™</i> . Physicians should only claim credit commensurate with the extent of their participation in the activity.		Please contact Nicole John in the Department of Neurology at 615-343-2919 or at nicole.john@vanderbilt.edu
