## **Labor Conditions Application Information**

Effective Oct. 1, 1991, a Labor Conditions Application (LCA) must be submitted on Form ETA9035 to the Department of Labor (DOL) for approval before an employer may petition for an H1-B visa to hire a foreign national. In order to complete the LCA, the Office of International Education – Immigration Services must verify and document that the following statements are true:

*By signing below, the department agrees to the following as required by the Immigration Act of 1990. [8 CFR 214.2 (h)]*

1. that the alien H-1B worker will be paid the actual or prevailing wage minimum;
2. that the employment of H-1B workers will not adversely affect the working conditions of workers similarly employed in the area of intended employment;
3. that notice of the H-1B application will be provided to the workers employed in the occupation in which the H-1B will be employed as signified by posting the LCA in two conspicuous places. [OIE – IS provides form with directions]
4. that the cost of return transportation to the home country will be covered by the employer in the event that employment is terminated prior to the ending date on the H-1B petition submitted to the Immigration Service.

OIE – IS will complete from ETA 9035 and submit it to the DOL once the attached Worksheet for Labor Conditions Application form, Actual Wage Determination form and a letter of sponsorship have been received.

For further information contact OIE-IS at (804) 828-0595.

**Actual Wage Determination Form**  
**(to be completed in connection with filing H-1B visa petitions with**  
**the U.S. Citizenship and Immigration Services)**

Please list the following information on behalf of H-1B beneficiary whom you are sponsoring:

Name	Department/division	Position/title	Degree/field of study	Years of experience

**Instructions for obtaining actual wage**

The actual wage is the “wage paid by the employer to all other individuals with [job responsibilities,] experience and qualifications similar to those of the H-1B nonimmigrant, for the specific employment in question.” For staff or classified employees, this is usually a listed range of the wages paid to all workers employed in a similar position.

Faculty and research actually wage ranges can be determined by comparing the salaries offered to people with similar experience and qualifications and responsibilities.

All actual wage determinations **must** be documented e.g., detailed memo explaining compensation system or copy of actual wage scales used by the employer, and submitted to OIE-IS with this form.

*Department of Labor Federal Regulations (20 CFR section 655.731(b)(2), 655.731.(a)(1), & 655.760(a)(3)*

Actual wage (**may be a range of salaries**) = \$ \_\_\_\_\_/year

Personnel administrator: \_\_\_\_\_ Date: \_\_\_\_\_  
*(printed name) (signature)*

Note: If the VEC indicates that the prevailing wage is higher than the actual wage, the department will have to pay the prevailing wage or the H-1B visa petition cannot proceed. OIE-IS will notify you in this case.

Will the employment of this individual adversely affect the wage and working conditions of U.S. workers similarly employed (*please see definition of “similarly employed” above*)?

Yes  No

Please obtain departmental signatures as noted below. Attach this completed original wage form to the completed “H-1B Worksheet for Labor Condition Applications” and forward the **original** to the Office of International Education – Immigration Services.

**Invoice to be sent to Accounts Payable: H-1B Petition Fees**  
**Send this form to Accounts Payable with your requisition request.**

**The purpose of this form is to facilitate the issuance of a VCU check through a purchase order for the H-1B petition filing fees upon behalf of current or incoming H-1B employees. Please complete Section I of this form and submit it to Accounting with the purchase order request for a check.**

Per the U.S. Department of Labor rules, the “cost of doing business” associated with the sponsoring of an individual in H-1B status must be borne by the employer. VCU as the employer must bear the base cost of the petition-filing fee, payable to the “U. S. Citizenship and Immigration Services” (USCIS). The petition fee can be paid by the department or, in some instances, by restricted funds. The department should submit one check to our office covering the total filing fee. **The H-1B extension fee is \$320. If you also request premium processing, you will need a second check of \$1,000, also written to U.S. Citizenship and Immigration Services. You must request two separate checks to the U.S. Citizenship and Immigration Services. Note: Checks can be issued only one per day. Please allow enough time for OIE-IS to receive them.**

Federal grants usually permit the payment of such petition fees if the employee’s salary also will be paid in full by the grant. Grants from nonfederal sources may or may not permit the payment of the H-1B petition. If you plan to pay the H-1B fee from any restricted funds, you should review the terms and conditions of the award.

The department portion of the H-1B packet may be submitted to the OIE-IS separately from the check (i.e. you do not have to wait until the check is issued to submit the H-1B request to our office). If you do so, be sure to use the following check stub notation: H-1B for “name of alien employee.” Check stubs without the alien’s name cannot be connected to a file. **Failure to obtain the check within a timely manner could result in serious filing delays.**

**Department Checklist**

- Prepare a requisition. Be sure to put the employee’s name on the check stub.
- Send this form and the purchase order to accounting.

For a foreign medical graduate (non-U.S. medical degree) who will have a faculty appointment that may involve patient contact, the letter must include confirmation that “the physician will be engaged primarily in teaching and research, and all patient contact will be related to that teaching and research.”

**Please note: In order to provide patient care services, a foreign physician MUST have passed Steps 1, 2 and 3 of the USMLE, have current ECFMG Certification, and have an MCV Hospitals institutional permit or be independently licensed in the state of Virginia. To provide patient care services without meeting these criteria is a violation of state and federal law and is also a violation of H-18 nonimmigrant status.**

**Office of International Education**  
Immigration Services: A Memorandum

---

To Prospective VCU employee: \_\_\_\_\_

From: Office of International Education-Immigration Services (OIE-IS)

Date: \_\_\_\_\_

Subject: Documents needed for filing the H-1B visa petition

---

Enclosed please find a checklist and instructions for the documentation needed from you in order for VCU to petition the U.S. Citizenship and Immigration Services on your behalf for an H-1B visa. Please **carefully** read all the instructions before beginning to collect documents.

The OIE-IS will assist in making this process as efficient and uncomplicated as possible for VCU departments and employees. Some items or actions are required by law and the regulations are out of our direct control. There are two components to an H-1B visa petition: Department of Labor (DOL) processing and U.S. Citizenship and Immigration Services (USCIS) processing. The VCU department will provide us with the necessary documentation for the DOL processing. Once we have the certified Labor Condition Application from the DOL and have all the necessary documentation to file the H-1B petition we will send the petition with supporting documents to the USCIS. Immigration is taking about 120-150 days from **receipt** of the petition to process an H-1B. Filing fee for H-1B visa is \$320 and the check must be payable to "U.S. Citizenship and Immigration Services."

If your family will accompany you, in addition to the forms in this package, you must complete and sign form I-539 which can be downloaded directly from USCIS Web site at:  
[www.immigration.gov/graphics/formsfee/forms/i-539.htm](http://www.immigration.gov/graphics/formsfee/forms/i-539.htm)

The filing fee for I-539 is an additional \$300 and the check must be written payable to "U.S. Citizenship and Immigration Services."

If your spouse's family name is different from yours, please provide a copy of your marriage certificate with a certified translation. For each child included on the form, please provide a copy of the birth certificate and a certified translation.

Once we have received a receipt notice from USCIS for your H-1B extension, you can continue working for 240 days beyond the end date of your current authorization. If you have dependents, they will remain in legal H-4 status until they receive the approval notice at the address you gave on the I-539.
