

Cancellation Policy

Vanderbilt University Medical Center, Division of Cardiovascular Medicine will refund your registration fee less a \$50.00 administrative fee provided you notify us in writing no later than October 1, 2010. Cancellations will not be accepted over the phone. No refund will be made after this date.

Registration is non-transferable. In the event of cancellation or rescheduling of this conference due to unforeseen circumstances, Vanderbilt University Medical Center, Division of Cardiovascular Medicine will refund registration fees in full.

Vanderbilt University Medical Center, Division of Cardiovascular Medicine is not responsible for non-transferable, non-refundable airline tickets, hotel accommodations, ground transportation or other associated goods/services procured in connection with attendance at this conference.

Americans with Disabilities Act

It is the policy of Vanderbilt School of Medicine not to discriminate against any person on the basis of disabilities. If you feel you need services or auxiliary aids mentioned in this act in order to fully participate in this continuing education activity, please contact Heart Communications at (615) 936-1851 or attach a note to your registration form.

Payment

Registration fees may be paid by credit card using Visa, MasterCard and American Express. Fees may also be paid by check, payable to Vanderbilt University Medical Center.

Faculty Disclosure Statement

It is the policy of Vanderbilt School of Medicine to require disclosure of financial relationships from individuals in a position to control the content of a CME activity; to identify and resolve conflicts of interest related to those relationships; and to make disclosure information available to the audience prior to the CME activity. Presenters are required to disclose discussions of unlabeled/unapproved uses of drugs or devices during their presentations.

Course Directors

Joseph L. Fredi, MD
Assistant Professor of Medicine, Vanderbilt Heart
Director of STEMI Network

Corey M. Slovis, MD
Chair, Department of Emergency Medicine; Professor of Emergency Medicine and Medicine; Medical Director, Metro Nashville Fire Department and Nashville International Airport

Course Planners

Carol Scott, RN, FNP
R. Kevin High, RN, EMT

Faculty

Christopher R. Ellis, MD
Assistant Professor of Medicine, Vanderbilt Heart

Joseph L. Fredi, MD
Assistant Professor of Medicine, Vanderbilt Heart
Director of STEMI Network

Mark D. Glazer, MD
Assistant Professor of Medicine, Vanderbilt Heart

Michael Gooch, ACNP, EMT-P
Flight Nurse, Vanderbilt LifeFlight

Kevin High, RN, EMT
Manager, Trauma Program; Associate in Emergency Medicine, Vanderbilt
Emergency Medicine

Karl B. Kern, MD
Professor and Chief, Section of Cardiology; Director Cardiac Catheterization
Laboratories and Interventional Cardiology, University of Arizona

David J. Maron, MD
Associate Professor of Medicine, Vanderbilt Heart

Corey M. Slovis, MD
Chair, Department of Emergency Medicine; Professor of Emergency Medicine and Medicine; Medical Director, Metro Nashville Fire Department and Nashville International Airport

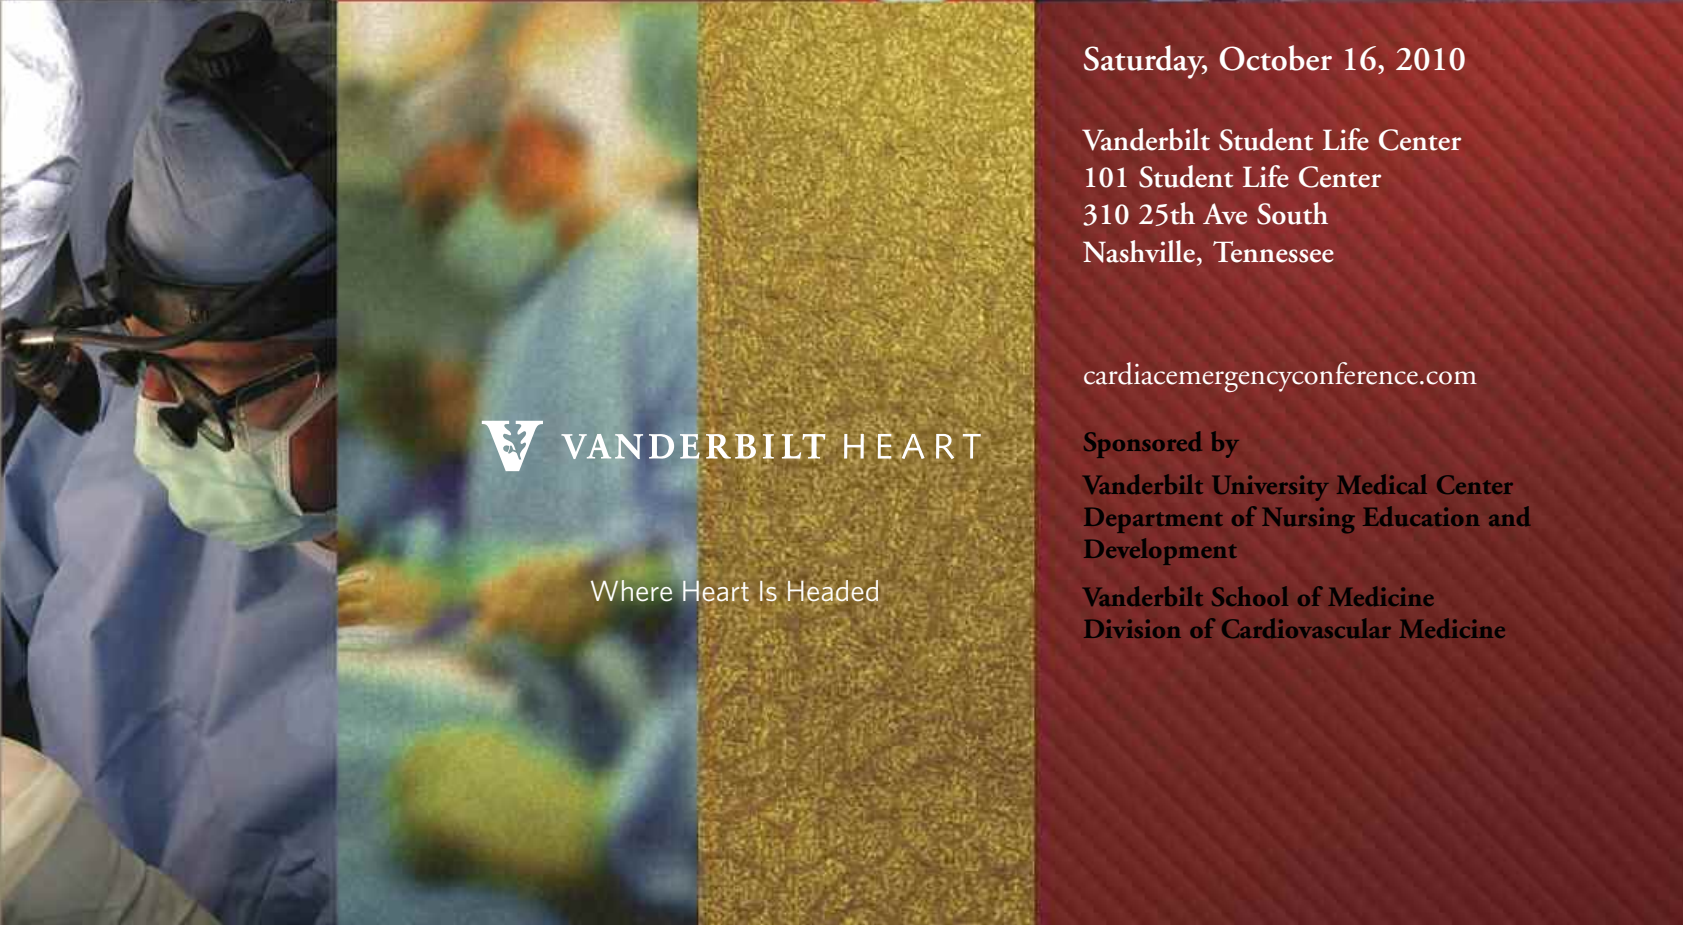

R. Jason Thurman, MD
Associate Professor of Emergency Medicine, Vanderbilt Emergency Medicine

S. Patrick Whalen, MD
Assistant Professor of Medicine, Vanderbilt Heart

Keith D. Wrenn, MD
Vice-Chair and Residency Director, Emergency Medicine; Professor of Emergency Medicine and Medicine, Vanderbilt University Medical Center

David X. Zhao, MD
Associate Professor of Medicine; Director, Cardiac Catheterization Laboratory and Interventional Cardiology, Vanderbilt Heart

Acute Cardiac Emergency Conference

Saturday, October 16, 2010

Statement of Need

Treating patients with ST segment elevation myocardial infarction (STEMI) presents significant challenges to cardiologists, emergency physicians and pre-hospital personnel. Because delays in treating a myocardial infarction increase the likelihood and amount of cardiac muscle damage due to localized hypoxia, ACC/AHA guidelines recommend a door-to-balloon interval of no more than 90 minutes. According to a study reported in *Circulation*, currently fewer than half of STEMI patients receive reperfusion with primary percutaneous coronary intervention within the timeframe recommended by the guideline.

Target Audience

This conference is designed for emergency physicians, cardiologists, nurses, emergency management service personnel (EMS), residents/fellows, and other health care professionals involved in the treatment of patients with cardiovascular disease.

Objectives

After participating in this CME activity, participants should be able to describe and discuss:

- Technical details used to identify signs and symptoms of Acute Coronary Syndrome and STEMI
- Approaches to appropriately treat those patients who are at high risk for Acute Coronary Syndrome and STEMI
- Signs, symptoms, and current treatment measures for pulmonary edema
- Signs, symptoms, and current treatment measures in adherence with updated guidelines for acute stroke

Accreditation and Credit Designation Statement

Vanderbilt University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Vanderbilt School of Medicine designates this educational activity for a maximum of 6.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ACEP Category 1 Credits

Application has been made to the American College of Emergency Physicians for ACEP Category 1 Credit.

Nursing Accreditation and Credit Designation Statement

Vanderbilt University Medical Center, Department of Nursing Education and Development is an approved provider of continuing nursing education by the Tennessee Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on accreditation.
6.25 Contact Hour

Successful Completion of the Continuing Nursing Education Activity

In order to receive full contact-hour credit for the CNE activity, you must:

- Be present no later than five (5) minutes after starting time
- Remain until the scheduled ending time, and
- Complete and submit the Evaluation form to the registration desk before you leave at the conclusion.

Agenda for Acute Cardiac Emergency Conference

Morning Program

- | | |
|---------------|---|
| 7:00 – 7:30 | Registration & Breakfast |
| 7:30 – 7:45 | Welcome – Joseph L. Fredi, MD and Corey M. Slovis, MD |
| 7:45 – 8:15 | Acute Stroke Evaluation and Management – R. Jason Thurman, MD |
| 8:15 – 8:45 | State of the Art AMI 2010 – Joseph L. Fredi, MD |
| 8:45 – 9:15 | Arrhythmia Management: Bradycardia & Tachycardia – S. Patrick Whalen, MD |
| 9:15 – 9:30 | Question & Answer Session –
Panel: R. Jason Thurman MD; Joseph L. Fredi, MD; S. Patrick Whalen, MD |
| 9:30 – 10:00 | Evaluation and Management of Pulmonary Edema – Keith D. Wrenn, MD |
| 10:00 – 10:30 | Update in Cardiac Arrest – Corey M. Slovis, MD |
| 10:30 – 11:15 | Acute Cardiac Emergencies Jeopardy – Mark D. Glazer, MD |
| 11:15 – 11:30 | Question & Answer Session –
Panel: Keith D. Wrenn, MD; Corey M. Slovis, MD; Mark D. Glazer, MD |
| 11:30 – 1:00 | Lunch |

Afternoon Program

- | | |
|-------------|---|
| 1:00 – 1:45 | Cardiocerebral Resuscitation – Karl B. Kern, MD |
| 1:45 – 2:00 | Break |
| 2:00 – 3:00 | Breakout Sessions:
Acute and Chronic Management of Atrial Fibrillation – Christopher R. Ellis, MD
Pharmacological vs Mechanical Support of Cardiogenic Shock – David X. Zhao, MD
MI vs MI Mimics for ECG's – David J. Maron, MD
New Airway Devices – Kevin High, RN, EMT
12 Lead ECG Interpretation – Michael Gooch, ACNP, EMT-P |
| 3:00 – 4:00 | Acute and Chronic Management of Atrial Fibrillation – Christopher R. Ellis, MD
Pharmacological vs Mechanical Support of Cardiogenic Shock – David X. Zhao, MD
MI vs MI Mimics for ECG's – David J. Maron, MD
New Airway Devices – Kevin High, RN, EMT
Hypothermia Therapy in Transport – Michael Gooch, ACNP, EMT-P |

Registration

Registration fee includes tuition, the course syllabus, education credit and lunch:

\$125.00 Physicians
\$75.00 NP/ RN/ EMS/ Residents/ Fellows
Registration deadline: Friday, October 8, 2010

To register, please visit www.cardiacemergencyconference.com
Or return the following form by mail or fax to:

Vanderbilt Heart, Communications Department
1215 21st Avenue South
MCE 5th Floor, North Tower, Ste 5140
Nashville, TN 37232-8802
Phone: (615) 936-1851
Fax: (615) 936-0601
Email: cardiacemergencyconference@vanderbilt.edu

No registration will be accepted over the phone.

Directions

The Student Life Center is located at 310 25th Avenue South, on Vanderbilt's campus in Nashville, Tennessee.

Getting to Vanderbilt via the Interstates

From the north:

Take I-65 to I-40 west and then look for I-40 east to exit 209B. Turn right onto Broadway, which will turn into West End Ave. Turn left on 25th Avenue South. The Student Life Center (310 25th Avenue South) will be on your left across from Memorial Gym.

For Parking: Please proceed past The Student Life Center and take a left onto Highland Avenue at the first red light. Then an immediate right into the parking garage entrance. Once you have parked, follow the event signs back to The Student Life Center.

From the east or south:

Take I-40 west to exit 209A. Turn left on Broadway, which will turn into West End Ave. Turn left on 25th Avenue South. The Student Life Center (310 25th Avenue South) will be on your left across from Memorial Gym.

For Parking: Please proceed past The Student Life Center and take a left onto Highland Avenue at the first red light. Then an immediate right into the parking garage entrance. Once you have parked, follow the event signs back to The Student Life Center.

From the west:

Take I-40 east to exit 209B. Turn right on Broadway (US 70S). Broadway becomes West End Avenue. Turn left on 25th Avenue South. The Student Life Center (310 25th Avenue South) will be on your left across from Memorial Gym.

For Parking: Please proceed past The Student Life Center and take a left onto Highland Avenue at the first red light. Then an immediate right into the parking garage entrance. Once you have parked, follow the event signs back to The Student Life Center.
